

MAD BIDDERS NEVER DESIST

MAD BIDDERS who never desist DESERVE WINNING A WORLDCON
and all the consequences thereof
because of --

- * our unrelenting perseverance,
- * the fact that we bid for an area that was deprived of a chance to have a Worldcon in all the 50-year long history of Worldcons,
- * the fact that we bid for a city in a country that is probably the most visible one in the world today,
- * and the fact that we're ghrat ghuy's and ghals who love y'all. (We also love phannish phun, bheer, bhack rubbing, and Bilbo Baggins.)

... ALL HAVE A BALL at

WORLDCON IN ZAGREB

Zagreb is in old Europe, and we're clever folks, so we know we CANNOT aim at having the biggest Worldcon ever. We WOULDN'T do that even, considering the recent sentiment against "overswollen", expensive Worl'dcons congested with "un-fans".

But we CAN and DO promise you fannish fun like never before. We know experienced congoers who'll vouch for that, too. We also have a site for it out of your nice dreams.

So please write for details to:

ZAGREB IN 1993

WORLDCON IN ZAGREB, c/o SFera, IVANIĆGRADSKA 41 A, 41000 ZAGREB, YUGOSLAVIA

To Support our Bid please contribute 5 Dollars.

If you wish to Oppose, prove it with 10 Dollars.

If you wish to be a Friend, show us the sentiment by paying 20 Dollars and this will be your full Attending membership is you vote for us when the time comes.

Thanks.
