HILLCON

27-29 NOVEMBER 1992

Progress Report #1

The Introduction

Welcome to Progress Report #1 for Hillcon III

That's right. We didn't expect it ourselves, but we're going to do it anyway. A new Dutch convention is in the works — Hillcon III.

The organization is in the hands of a well-trained, young and enthusiastic group who learned the ropes during ConFiction, the Dutch Worldcon, and during last year's Hillcon II.

We promise you a great convention in a wonderful hotel. We have some hot-shot Guests of Honour who are crazy enough to work with a full program. Well, the names in our announcement on the following page speak for themselves!

They're not the least of it, we don't think so. We don't need to add anything about special program treats up our sleeve,

Your Committee

Larry van der Putte, Chairman
Zweiste Klous, Programme
Ruud v/d Kruisweg, Finance/membership administration
Richard Vermaas, Finance/membership administration
Mike Jansen, Operations/logistics
Tom Scheelings, Co-ordinator Public Relations

& Staff

Jannelies Smit, Green Room
Els Somers, Hotel liaison for room reservations
Jo Thomas, Liaison Guests of Honour

next to the "normal" programming like the film & video, dealers' room, spontaneous games of "Charades", intellectual workshops and all the other ~~non~~ fun.

For the rest of it, we're asking for your help. Because the only people who can make the convention are yourselves. You provide the atmosphere, the social sparkle, the fun. Like always.

What? You've never been to a Dutch Convention?? All the more reason not to miss this one!

So fill in the form that is included in this Progress Report.

See you November 27th!

Tom Scheelings
