

Hello!

We are so excited for Enharmonicon, which is now less than four months away! Please read this progress report carefully as we have lots of exciting things to talk about, including a few requests for you. This email also contains the all-important hotel booking form. Please get that back to us as soon as you can.

If you know someone who hasn't signed up to this excellent con yet (rumours that this includes at least half the committee may or may not be true), please give them a little nudge to remind them that prices go up on December 1st.

More details about everything at our website:

Set request form

Interested in performing or holding a workshop at Enharmonicon? You can fill in the form online to sign up for a set. Don't worry if you don't know the details of your set yet - just try and update us when you can. You can ask for a 30 or 60 minute slot - we will try to accommodate you if you would like a different length but can't guarantee it! Please bear in mind your slot time will include set-up and teardown. If you're not sure what your technical requirements might be, get in touch and we'll help you work it out.

Depending on how many requests we get, we may not be able to fit everyone in, so please don't assume you have a set until you've had confirmation from us. Send in your forms by November 30th; we're aiming to get back to everyone by mid-December to confirm.

Sams workshops

Do you want to build your own Sam?

Come on, let's go and play! As part of our 30th anniversary celebrations Omega will be running a series of workshops over the weekend for people to make their own mini Sam award statuettes. For almost two decades Omega has been making all sorts of amazing creations from a base of an artist's mannequin to serve as the awards at the UK Filk Awards, known as the Sams.

There will be a limited number of spaces on these workshops, so please sign up soon by dropping us an email to enharmonicon@gmail.com

All materials will be supplied, so whether you have never won anything in your life, or want to add to your well-stuffed trophy cabinet, please join us.

Send in memories/photos

As it's the 30th annual UK Filk Convention we'd love if we could celebrate the history of our community and so we are asking you to help. We'd appreciate any memories or photos you can send to us about the UK filk community, whether it's about decades ago or just months. Help us commemorate this very special time.

By sending these to us you are consenting to us using these publicly in relation to Enharmonicon. These will be fully credited unless anonymity is requested.

The full 30!

Are you one of the amazing few who have made it to every single UK filk convention thus far? Please let us know!

Pronoun stickers

This year we will have pronoun stickers available for people to add to their badges. These are not required, but we would like to encourage everyone to wear one, no matter how obvious you feel it may be. This is so that everyone can be referred to with the correct pronouns without othering trans and non-binary people. People are free to change their sticker, or to have multiple stickers.

“She/her”, “he/him”, and “they/them” will be available, as well as blank stickers. Please check badge stickers before you refer to someone with a pronoun. If you have any further questions or suggestions please contact the convention email address: enharmonicon@gmail.com

For more information on gender neutral pronouns there is a guide at <http://motto.time.com/4327915/gender-neutral-pronouns/> Some text in this is adapted from <https://thebodyisnotanapology.com/magazine/pronoun-round-etiquette/>.
