Read Me Outside!

This publication is a guide to restaurants in the Bentley, Willenhall and Walsall area, along with other bits of information that we think might prove useful. On the back cover you will find a Foot Map of the area around the Hotel.

Any comments regarding this publication would be much appreciated -- write to Martin Tudor, 24 Ravensbourne Grove, Willenhall, WV143 1HX (or e-mail empties@breathemail.net).

As you can see from your *Read Me Inside!* the Quality Hotel is offering an interesting and varied convention menu in the Saddle Room Restaurant (next to the No 10 Bar). However, if you fancy eating out of the Hotel you will find yourself spoilt for choice.

A few minutes walk down Bentley Mill Way is the Showcase Cinema complex (see foot map) which has a Deep Pan Pizza (0121-568-8053); the Grosvenor Casino (01922-645222); and the Cinnamon Club Indian restaurant -- where the food is highly recommended by the committee, but the service is **very slow!** (0121-568-6664).

Across the road (and off to your right) from the Quality is the Lane Arms, which offers some food along with locally brewed Highgate & Walsall ales. Around the corner from the Lane Arms, on Bentley Road North, you'll find a late night off licence and newsagents. While across from them, back on Wolverhampton Road West, there is the Bentley Chip Shop (open until 11.30pm Friday & Saturday), the Greedy Pig café and Aroma Balti Indian Takeaway (where you can get a perfectly reasonable curry from around £5+, call 01922-746786).

If you walk down the road beside the Lane Arms (Bentley Road North) you'll find the overflow hotel, the Travel Inn, next

door to which is the family friendly Bentley Green Inn (01922-724485) a Brewsters from Brewers Fayre – which offers a *very* wide range of pub group and a reasonable selection of beers.

Out of the hotel and one mile to your *right* (down Wolverhampton Road West) you will find Willenhall (having passed a petrol station, a 24-hour Spar with cashback facilities and a Woolwich cashpoint, the Red Lion pub, a drive-in McDonalds and Chinese take-away and a couple of other Chinese, Indian and Pizza takeaways on your way).

First, just outside Willenhall town centre, you'll come to the wonderful Ye Old Toll House restaurant – if you want to eat here you will have to book in advance, but it is worth it (01902-605575). I recommend the table d'hôte Menu – excellent value for money – it includes starter, sweet, cheese and biscuits, liqueur coffee and one bottle of wine between four and ranges from £18-£23 per head depending on your main course. Their daily specials feature the most amazing range of fish dishes!

Just beyond the Toll House is the Jewel Balti Restaurant & Take-Away (very basic food but cheap and friendly, unlicensed last time I was there so better check on 01902-605917), the Dale House (pleasant carvery) and the local Wetherspoons the Malthouse (standard Wetherspoons love 'em or hate 'em, they're all pretty much the same) and Somerfield supermarket (which has a hot buffet counter).

Willenhall also features the world famous Lock Museum (01902-634542). Perhaps our Dealers Room organiser and Master Locksmith, Tony Berry, could be prevailed upon to run guided tours on Saturday ****OUCH!****, or perhaps not.

Out of the Hotel and one mile to your *left* (over Junction 10 of the M6) takes you into Walsall, which is home to a vast number of impressive Indian restaurants including Golden Moments (the *overall* winner of the Birmingham Evening Mail Restaurant for the Millennium Competition, tel. 01922-640363) which has amazing food and stunning *art deco* furnishings.

Across the road from Golden Moments is Shimla Peppers – runner up in the Birmingham Evening Mail Restaurant for the

Millennium Competition! Shimla's features a heated courtyard as well as sensational food (01922-640605).

If you don't fancy Indian food I can recommend the Italian food at Sofia's in the Guildhall (01922-632223), the Cantonese at the Mayflower (01922-632612) and the wide range of pub food at the Hogshead (01922-616963). Further details of the many other restaurants in Walsall and surrounding area appear below.

But what has Walsall to offer besides some amazing food?

Well there's the famous £21 million New Art Gallery (01922-654400) featuring *not only* the Garman Ryan Collection (donated to Walsall by Lady Kathleen Garman, widow of sculptor Sir Jacob Epstein) but also *Noddy Holder's voice* in the "speaking elevator"! There is the Walsall Leather Museum – Walsall being Britain's leather capital ("ooh, er, missus!"); the Jerome K. Jerome Birthplace Museum (Stratford may have Shakespeare and Birmingham its Tolkien connection, but Walsall was the birthplace of the author of "Three Men in a Boat" - impressed eh?) *and* the Birchills Canal Museum. All these places of interest plus the impressive Walsall general market in the town centre on Saturday and the largest Sunday market in the Midlands – out at Walsall FC's Bescot Stadium!

How to get to Walsall?

The 529 (stops indicated on Foot Map) runs to Walsall's new £4.2 million "flying saucer" bus station -- just a five minute journey away (at Stand M). The 529 was the first major route in the country to be completely serviced by gas powered vehicles (using Compressed Natural Gas) and most of the buses on the route are wheelchair-friendly, easy access buses with "kneeling suspension". These run every 6 minutes throughout the day and every 20 minutes during the evening. Timetables are available from the Novacon registration desk.
