Art Show

In the Sedgley and Brierley Rooms (turn right at Hotel Reception and keep walking they're on your left). Next door in the Netherton, you will find our CD ROM artshow, open from 10am until 3.15pm & 4.30pm until 6pm on Saturday and on Sunday from Sunday from 10am until noon.

Novacon Beer Tasting

As usual at such events we will be running the latest in a long series of Novacon Beer Tastings at the same time as our Finnish Food. This will be using the ever-popular BYOB (bring your own beer) format.

This year the organisers of **Nippon 2007** the 65th Worldcon (to be held in Yokohama, Japan in 2007) have donated a selection of Japanese beers to get the ball rolling, and as usual Novacon will have Sarah Hughes Dark Ruby Mild on draught as well as a few other interesting bottles - the rest is up to you!

To partake of the *beer*, you need to bring at least *three* bottles of your favourite British or foreign beer to the convention and check them in at the Novacon Registration Hatch when you arrive. In return you'll receive a Technicolor "*Beer Badge*" which will entitle you to drink the beer at the Tasting on Sunday. Alternatively, you can also take part by buying a "*Beer Badge*" for £5.00 from the Novacon Registration Hatch.

All Novacon members are welcome to attend the Tasting. The convention will supply an assortment of non-alcoholic drinks at the Tasting, which will be free to everyone, but only those with "Beer Badges" will be entitled to drink the beer and only those with "Finnish Food Tickets" will be able to partake of that culinary delight.

The Beer Tasting will start at 7pm on Sunday in the King Charles Suite. (Finnish Food will be served from 7.30pm only to those people who have purchased tickets at £8.00 per head, see elsewhere for details.) *[Please remember, although we have come to an arrangement with the Quality Hotel regarding the Beer Tasting, this does not extend to you bringing in your own supplies of drink elsewhere during the con. The Hotel can and will charge corkage to people smuggling food or drink into the hotel!]*

Finnish Food

The Finnish Food will be served in the King Charles Suite on Sunday night from 7.30pm, but tickets (£8.00 per head) must be purchased in advance from the Novacon Hatch before 4pm on the Sunday of the con. (In addition, from midnight the hotel will be selling a late night snack of bacon, sausage or chip baps/rolls, @ £1.50 each, to help soak up the beer!)

Gophers

If you *have* volunteered to be a gopher or if you *wish* to volunteer please report to Cat Coast or Chris Murphy in the Ops Room (Hatherton, up the stairs, which are down the corridor from Hotel reception).

R.N.I.B. Raffle

If you wish to purchase tickets for the annual raffle in aid of RNIB's Books for the Blind Project, Anne Woodford will be selling them around the con, but tickets will also be available from the Novacon Registration Hatch -- Saturday onwards. In a change from established tradition, prizes will *not* be given out as the draw is made at the Award Ceremony. Instead prizes will be available for collection from a table set up in the Oliver Cromwell suite *after* the ceremony and winning numbers will be posted on the flip chart near the Novacon Registration Hatch.

We have a wide variety of prizes, which will be listed on the flip chart near the Novacon Registration Hatch from Saturday evening onwards.

Operations

As we are sure you are aware Novacon, like most conventions in Britain, is run by volunteers and we can't have too many of them! So if you are willing to help out at the convention -- anything from moving chairs to helping with tech ops or working on the programme, please contact Cat Coast or Chris Murphy, in the Ops Room.

Operations will be in the Hatherton Room, like last year we shall be operating a fascist 'tidy' Ops Room designated areas for stuff to be stored and no non-essential furniture (or people). However, you will still be able to leave coats and bags in Ops on request and at **your own risk**.

No Smoking

Please refrain from smoking in the Programme & Dealers Rooms, Art Show, and in other designated areas. Please note that the only *smoking* area of the Bar is to the left of the Main Entrance, facing Reception.

Dire Warnings

Please remember that the Quality Hotel is in the business of selling accommodation, drink and food for profit. Neither the management of the Quality Hotel nor the Novacon committee will approve of people "crashing" in rooms they haven't paid for, and/or smuggling food/drink into the hotel. The Novacon committee will obviously support the hotel in any dispute with members of Novacon caught "crashing" and/or "smuggling".

Badges

As we have (again) failed to fill the hotel there will be non-convention guests in the Hotel. It is therefore essential that you wear your con badge AT ALL TIMES! If you do not you may be refused service in the con bars and food from the con menu. You WILL be challenged by our own security staff and prevented from entering function spaces and Hotel Staff may challenge anyone not wearing a badge.

Duplicate Room Keys

We have made arrangements with the Hotel so that if you are sharing a room and require a key each you should be able to get one this year. (Unfortunately if you are in one of the 30 executive suites you cannot have a key each as they have different locks to policy, with the other rooms in the Hotel.)

However, if you require a key each you should have notified the Hotel of this on arrival. You may not be able to change your mind later because the Hotel will have programmed 100 rooms to accept duplicate key sets before we arrive. This is a time-consuming process and there are a limited number of these duplicate key sets available - the Hotel does not normally use them and is buying them in especially for Novacon.

If you do have a key each please don't lose them! If you lose your key two new keys will be need to be issued immediately as your sharer's key won't work after you've used your new key! As there are limited quantities of these duplicate keys available you may find that if you've lost your key the Hotel will be forced to reprogram the lock on your room to take their standard single key system again.

If you do not have a key each you can still easily gain access to your room by either tracking down your sharer or by asking Hotel Reception to let you in with a master, but please don't get them doing this all the time. The hotel will require you to produce your keycard as proof that it is your room, so please ensure you carry it.

The Parents Co-Operative

The Children's Play Room is situated in the Ashmore Room (down the corridor past Hotel receptions, all the way past the Art Show Rooms, on the corner). Please address all queries to Richard Standage or Helena Bowles.
