

28th-31st MAY 1982
AT THE
WIGSTON STAGE HOTEL
LEICESTER

LEXICON

WHAT?

LEXICON is the first convention organised by the Leicester Science Fiction Group.

It will be a small, friendly, intimate and informal convention, with the accent on informality, intimacy, friendliness and smallness (but not necessarily in that order).

Our Guest of Honour will be BOB SHAW, of whom so much has been written I won't bother now.

The format of the convention will be pretty much the same as at most cons, i.e., drinking, films, drinking, talks, drinking, art show, drinking, etc., etc.

Because of several factors, not least the size of the hotel, the numbers attending the convention will be limited to somewhere between 150 and 200, so if you haven't registered yet use the registration form on the back page quickly or you may find that you have left it too late.

WHEN?

LEXICON will take place over the May Bank Holiday 1982 (that's the 28th to 31st of May). So come to LEXICON and get rid of those post Eastercon blues.

PLACE?

LEXICON will be set against the industrial power and rural splendour of beautiful Leicester (and if you believe that, you'll believe anything). Actually, Leicester is a fairly dour city, with a thriving Science Fiction Group. So come and see what makes industrial Britain tick...

WHERE?

The convention will be held at the WIGSTON STAGE HOTEL, on the A50 south of Leicester. We have been able to secure very reasonable rates, double rooms and twin rooms will be £7.50 per person per night (INC. V.A.T.). Single rooms (which are very limited) are £10.50 per night (INC. V.A.T.). These prices include Continental breakfast; full English breakfast will cost an additional 50p a meal.

The hotel is well appointed and, we feel, perfect for a smallish convention, and the low room rates put it within easy reach of anyone's pocket.

HOW?

How do you register? Simple - just fill in the form on the reverse side of this page and send it, and your registration fee, to Tony Cullen.

The registration fees for LEXICON are as follows:

Attending membership.....£8.00
Supporting membership.....£4.00
Conversion, supporting to attending.....£4.00

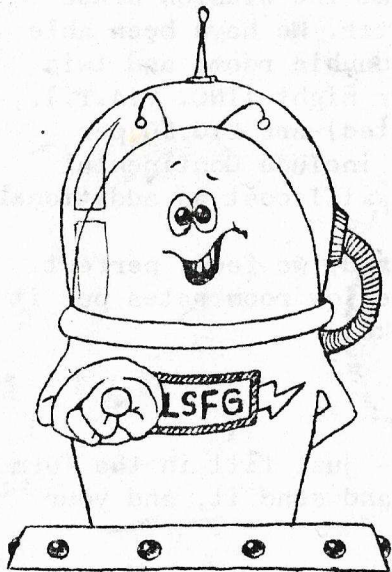

Please note that whilst we are providing supporting membership for those who don't want to pay the full cost at once, we would point out that as numbers will be limited, those taking out attending membership will be given priority.

WHY?

Now this really is a dumb question. Why should you come to LEXICON? Well, simply because it will be the premier social event of the year, and in future times people will stare at you in awe and wonderment, and will quietly whisper to each other,

"He went to LEXICON, and look, he's not even walking on water!"

RAYMOND SAYS...

"Come to LEXICON
or I will come
round to your
place and tattoo
pictures of Harlan
Ellison on your
buttocks!"
