

BOSKONE 48 ART SHOW

November 13, 2010

Dear Artist or Art Owner:

You have requested information about the Boskone 48 Art Show, but since we don't know whether you want to enter your original work or resell items you've previously purchased we're sending you both sets of information. Please discard the one you don't need.

We would like to invite you to apply for entry in the **Boskone 48 Art Show**, to be held at the Westin Waterfront Hotel in Boston, Mass. on February 18-20, 2011. Enclosed you will find information about Boskone 48, which will have one of the largest Science Fiction & Fantasy Art Shows of any East Coast regional convention.

The **Boskone 48 Art Show** will include around 100 panels and a dozen tables; the Print Shop will occupy up to a dozen panels devoted to displaying one copy of each item entered. We encourage diversity by holding some space for new entrants (not exhibiting at Boskone in the last three years) but limiting them to a maximum of 1 panel (6' x 4') or ½ table (36" x 30"). This limit may be waived if doing so benefits the Art Show. We're not that hard to convince; please feel free to try. There will also be an area for resale of previously-purchased works by their owners; each reseller will be limited to at most 10 items, 20 square feet of flat art, or 10 square feet of 3-D art (whichever is less).

The fees charged by the Art Show are hanging fees. No additional charges for commission will be made. Art is sold at Boskone by written bid; a voice auction will be held Sunday for those pieces which accumulate four written bids. You do not need to be a member of Boskone 48 to enter items in the art show, but you must buy a membership if you wish to attend the convention.

The enclosed pages include the entry forms and the rules for both artists and resellers. Please read the relevant material carefully. Should you have any questions, you may write to us at the above address (please address your letter specifically to the Art Show) or at the electronic mail address or FAX number below.

Because we have a limited amount of space, you should send in your entry as soon as possible to ensure that you're not shut out. We hope to hear from you soon and to see you in February 2011!

Sincerely yours,

Ann Broomhead & Tim Szczesuil
