PROGRAM

Boskone's program is known for its creativity and high-caliber speakers. Join us and our guests, along with authors, artists, editors, and fans to discuss such diverse topics as literary SF classics, steampunk, fantasy tropes, fannish history, music, Dr. Who, writing styles, breaking into publishing, and much more. Well-known Boskone regulars include young adult & children's authors Jane Yolen and Bruce Coville, as well as SF writers like Charles Stross, and artists like Bob Eggleton.

SPECIAL EVENTS

There will be our traditional Friday evening reception, hall costume awards, the Awards Ceremony, concerts and a photo shoot area. Expect more to be added as we confirm our guests and our plans! All events are open to all of our members.

GAMING

Our well-stocked gaming area will have everything from Agricola to Zombie Dice. Take a turn at the Xbox, save the world with Pandemic, or just play Dominion to your heart's content. In addition, we'll have a special collectible card gaming area with Magic, Pokemon, Yu-Gi-Oh, and the like.

ART SHOW

Consistently one of the best art shows around, it features professional and amateur artists from across the country. You can bid on and buy original paintings and 3-D works, gawk at the elaborate science fiction and fantasy-themed artwork, or learn more about each piece during a guided tour. Plus, every year we have a Special Exhibit showcasing some aspect of the science fiction field.

HUCKSTERS' ROOM

Looking to buy something? You'll find it here! There's stuff you just can't get online in our selective dealers' area. Vendors include booksellers, artists, small presses, games, jewelry, those must-have shirts, and, of course, NESFA Press.

KIDS' STUFF

In our Dragonslair program, you'll find readings, toys, games, crafts, and hands-on demos designed to appeal to the elementary-aged set. Adults are welcome to join in on the fun as materials allow.

CONSUIITE

The center of Boskone, the Consuite, is the place to pick up a quick snack, have a conversation, or just sit and watch the rest of the con go by. There will be comfy sofas to curl up in. You can also participate in one of the many Kaffeeklatsches — cozy conversations with one of our authors — or sign up for a Discussion Group. Or perhaps just sit & knit.

...AND THERE'S MORE!

Stay tuned as we develop our plans!
