

### Welcome to the CactusCon Art Show

We have tried to make it very easy to find your favorite artists in our show. The map on the reverse side represents the best information we have, but please be aware that things do change and artists may change location.

All buyers must obtain a bidder number at the bidder control table. Those of you who asked in advance to be registered bidders will find your cards already filled out. We will be asking for the usual information for our record and for the artist's records. Please remember that there is a 5% surcharge on all purchases, with a 5% discount for cash and checks.
