## The Creatures That Missed the Program

A few items didn't make it into the program book.

The Westercon Bylaws state that the WESTERCON BYLAWS must be published in each Program Book. As such, a Program Book Addendum has been created. NOTE: The Addendum only includes the Bylaws — anything else that was left out follows.

## Notes on Parties

First, Security-guy Eric Hanson reminds everyone to *register your parties!* You run the risk of having your
