CHICAGO'S
LOOP

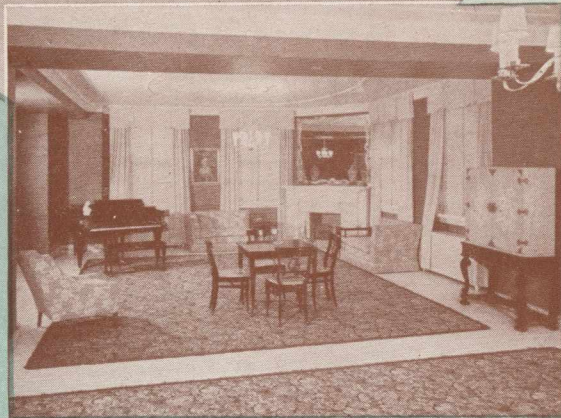

Bed Rooms—spaced for comfort plus convenience. Our guests appreciate the luxurious simplicity and quality of their furnishings

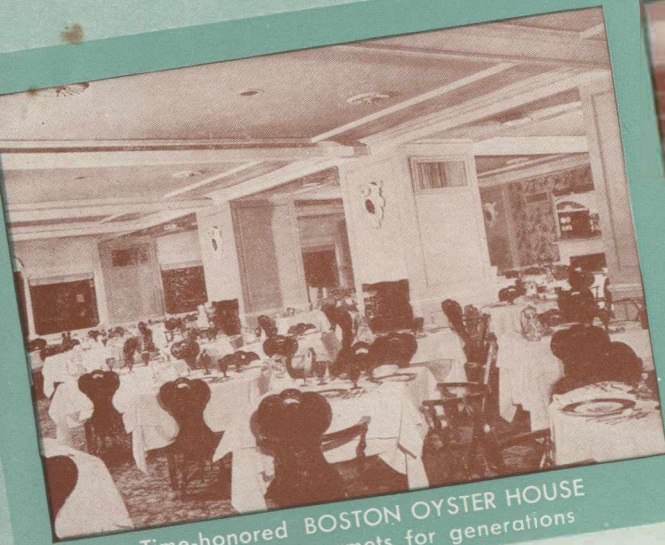

SINCE 1873 the Hotel Morrison has been notable among the better metropolitan hotels the country over for the COMPLETENESS of its facilities.

Within this great structure every service feature is designed and operated as a high class "specialty" function, of itself. But from penthouse

to basement they all are coordinated into a smooth-running whole. Guests from out of town and guests from home find at "The Morrison" virtually a city within a city, . . . the means for filling their every hotel need, conveniently, promptly, comfortably and satisfactorily.

Our luxurious suites are much in demand for meetings and private functions

Time-honored BOSTON OYSTER HOUSE favorite of gourmets for generations

For major functions of every type our famed TERRACE CASINO Theatre-Restaurant has no counterpart

Whatever your hotel need, singly, in parties or in groups, . . . business, social, recreation, the Hotel Morrison offers the finest of facilities to meet just that need, and with complete satisfaction to you.

ONE of the most Distinguishing facts about the Hotel Morrison has been the sound development and extension of its facilities, consistently over the more than 75 years of its history, and its traditional excellence in every aspect of guest service has long been accepted as standard.

No one feature of all it offers is above the reason why year after year so many people who know come back to "the Morrison", in Chicago. It is the combination of all these things, . . . convenient location, cheerful, quiet rooms, fine appointments, famous foods that makes appreciative people feel so much at home while with us.

And in addition there is the attraction of our rates which you will understand on glancing at the list below.
