SPECIAL THANKS:

LOTS of people came out and helped, in many ways and over the last five years We would love to mention and thank every one of them, but there is not enough paper left. The one person who we really do want to mention is Elizabeth Pearce. As she said " Its about time !! "

We know that all of us will put together the kind of convention, that our 1400 + supporters have asked us to. This convention however, will not be the result of one person, or one team. It will be the result of the efforts of many people from around the world.
