CHAIR WORDS -

by John Mansfield

This past September, five years of bidding came to an end. Canadian fans joined many others to celebrate the selection of Winnipeg to host the 1994 World Science Fiction Convention. 2107 people voted, a new record!! We thank you all.

Those five years meant that we had the wonderful opportunity to meet fans in numerous cities, and countries. The one common denominator of it all has been the friendly nature of everyone.

We have also begun to recruit help from around the world. (Contact us to join).

We are now starting to get ready to host the best convention we can. The good news is that at this stage we have lots of ideas that we can explore and decide on. The bad news is we had to keep this PR so short, due to the numerous pages of memberships.

All of us look forward to telling you some of those ideas in the next PR.

DEALERS INFORMATION:

Interested dealers should contact: GREG KETTER, 1309 4th ST E., Minneapolis, MN, USA, 55414.

EXTRAVAGANZAS

by Barb Schofield

The EXTRAVAGANZAS Division will be bringing you all the large, one-time-only events including the Opening and the Closing Ceremonies, the Hugo Awards Ceremony, and the Masquerade. Other exciting events are in the planning stages.

All of these large events will take place in the Winnipeg Convention Centre. The Hugo Awards Ceremony will take place on Saturday evening, and the Masquerade has been scheduled for Sunday evening. In coming to this decision, both the traditional fan preferences and the overall advantages to the convention were carefully considered. The decision was not made lightly.

The Masquerade will use the division judging system of novice, journeyman and master/ Rules and procedures will closely follow those presently in use by current Worldcons. Technical information will be printed as it becomes available. If you have any specific questions, ideas and/or wish to be on the mailing list for our Masquerade Newsletter, write to: Barb Schofield c/o Box 784, Adelaide St. P.O., Toronto, Ontario, Canada M5C 2K1 or Compuserve #76437,1712.

Please indicate if you wish your comments and suggestions to be reprinted in our masquerade newsletter.

FACILITIES

by Bruce Farr

Hotels! Do we have hotels! All singing, all dancing...all within an easy walk of the Convention Centre. The bad news is that there is no huge hotel, but the good news is that there are classy but inexpensive ones. We have 1440 rooms (all within a four-minute walk with the closest two beside the Convention Centre itself) with more rooms available if needed. The contracted room rates vary from \$60 to \$105 for 1994 (the average is \$85). And this is in Canadian dollars...a 15% built-in discount for Americans. Future reports will let you know all the gory, relevant details, but suffice it to say for now that some have full kitchens (with pots, pans, silverware), living rooms...and we've even thought of obtaining discounted suite rates. The primary hotels (with present planning) are the Holiday Inn (200 rooms blocked) and the Sheraton (200 rooms blocked).

The function space is some of the best I've seen in my life...the Winnipeg Convention Centre. The Centre, which will host the Art show, Dealers' Room, Concourse, major events, and the Program, includes over 120,000 square feet of exhibit and meeting space (on three levels, connected by escalator) with two large exhibit halls and 31 meeting rooms, including a 600-seat theatre. Best of all, there are restaurants within the Centre, a high-speed copy shop, chocolate store, and over 1,000 parking

places at decent prices. We've contracted with the Centre for a meal service (buffet style with padded seating) for 400 at a time. Prices for this season would be \$5-\$7.

We'll be sending out hotel reservation cards in late 1993. We look forward to seeing you in Winnipeg in 1994!

NEWS ON CUSTOMS

The goods and services tax (GST) is a tax paid by consumers on goods and services in Canada. The tax is charged at a rate of seven percent (7%) on most sales of goods and provisions of services.

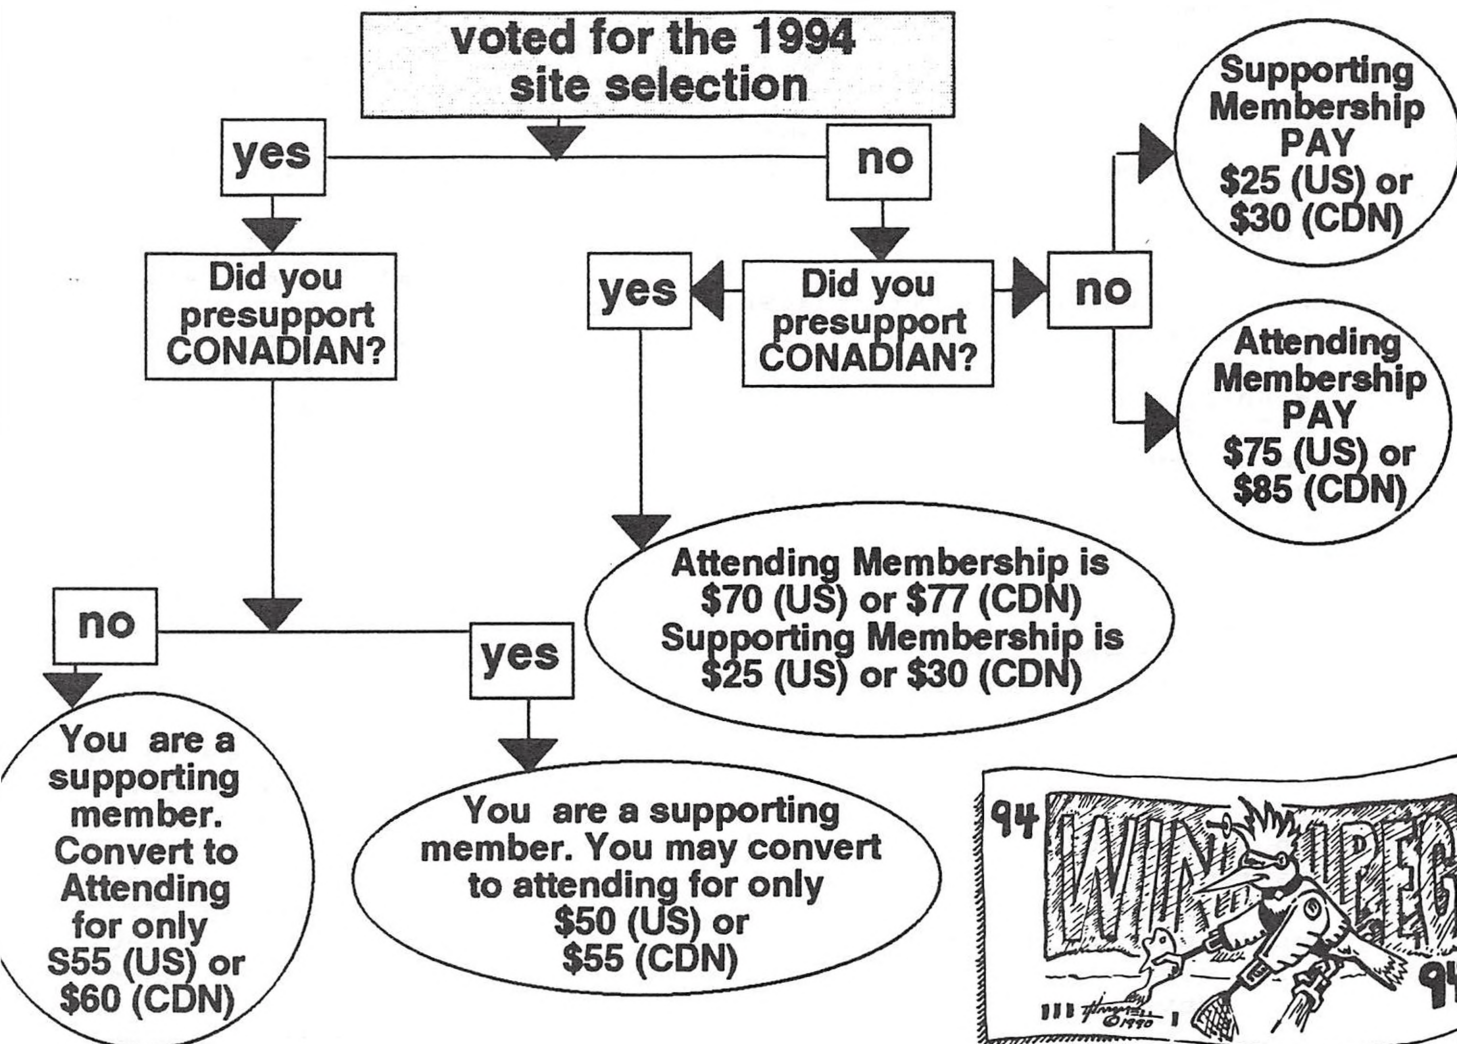

Recognizing the importance of U.S. and overseas conventions to the Canadian economy, the Canadian Government's Department of Finance issued a press release on December 18, 1990 announcing a non-resident rebate provision to include GST paid in respect to meeting rooms and exhibition space supplied to non-resident convention and conference organizers. A second press release, issued May 15, broadened the non-resident rebate program to apply to a wide range of expenses incurred by foreign organizers and exhibitors. Expenses will include such items as:

- *audio visual
- *business equipment
- *convention show services
- *exhibit design and display
- *transportation services between venues
- *translators and interpreters
- *photograph
- *security
- *speakers
- *newsletter services
- *electrical services

Fan and Pro Rates Explanation

"Fan Rate" is intended to support and encourage fan clubs, conventions, and other fan activities. Ads submitted under this rate must be promoting or offering information about the organization itself and/or its activities. (i.e. Membership rates, information and/or fundraising activities).

Submissions under fan rate are subject to verification as a legitimate and recognized fan group by checking with fans in its region, or through other reliable sources. We do not want to discourage advertising with us, but we feel these procedures are necessary to be fair and maintain the integrity of CONadian Publications and their policies.

"Pro Rate" applies to ads from all other individuals, businesses and organizations. This includes both big publishers and small businesses, as well as fans selling off collections. If you have any questions about any of these rates, contact us.

It is the policy of CONadian to offer space of a half page ad to all legitimate bids for Worldcons to be held in 1995, 1996, and 1997 FREE OF CHARGE. The list of announced bids at the time of the publication of PR1:

Experience the magic of Scotland!

Well maybe not exactly the kind conjured up by the gentleman on the left. But a World Con in Glasgow will certainly give you the opportunity to visit a country rich in history and cultural heritage.

We will be aiming to offer a World Con that's innovative and truly international. Scotland is easily accessible from both the US and Europe so we anticipate a mixing of fans in a way that may have some interesting effects.

If you've some specific questions to ask us about our bid, or wish to presupport, then please contact us at either of the addresses below.

The World is Coming to Atlanta in 1996. The Universe Arrives in 1995.

Tradition—and Innovation. This seeming paradox is the key to a true World Science Fiction Convention: firmly anchored in the past, yet not confined to it. We embrace and celebrate the traditions of science fiction and fandom, and we recognize that they have evolved in the last half century. In addition to honoring these traditions, we are ready to expand into the "new traditions"—the foundation of the 21st century Worldcon. That means you'll find everything you expect to find at a Worldcon, and more.

Hotels from the Future. Atlanta's convention facilities are unsurpassed—and we have reserved the same stunning hotels you remember from ConFederation in 1986. Our anchor is the striking **Atlanta Marriott Marquis**, flanked by the **Atlanta Hilton and Towers**, and the **Hyatt Regency Atlanta**. With over 300,000 square feet of function space, nearly 4300 sleeping rooms (over 200 handicap accessible), and **twenty** restaurants and lounges (all within a *one block radius*)...not to mention the enclosed pedestrian walkways to Peachtree Center's shops and Food Court...you'll find literally thousands of people ready to cater to your every need before you even set foot outside!

No Shuttle Buses or Taxis Required! And setting foot outside couldn't be easier. The MARTA rapid rail system transports you from Atlanta's International Airport *directly* to our hotels, restaurants, and other local attractions.

Southern Hospitality. That's more than just a buzzword in Atlanta. It's an attitude that permeates everything we do. A ready smile and a friendly "How y'all doin'?" are only the beginning. (Yes, we really do talk like that. Well, some of us do.) It means we care what you think, because it's our job to make you happy. It means we run a Worldcon on time, within budget, and behind the scenes out of your way—but we're still close by if you need us. It means we have a reputation to live up to—the one we built ourselves. And we're ready to demonstrate it again.

Experience. We have over 150 years of convention experience among us, including chairing Worldcons and major regional conventions. We are the same group who showed you a good time in 1986 (with a few fresh faces for flavor), and we are ready to make a Worldcon in 1995 that you'll never forget.

Join Atlanta in '95. By becoming a Pre-Supporter for only \$5 (US) each. Or, if you prefer, Cdn\$7, or £3 (please do not send cash!). By doing so now, you receive our bidzine, *Further South on Peachtree*, and \$10/Cdn\$14/£6 off your membership when we win. Or, for \$25/Cdn\$34/£15, you become a Pre-Attending; along with your vote, you *automatically* become a full member of Atlanta's 1995 Worldcon!
