December 1987

Welcome to ConFiction, the 48th World Science Fiction Convention from August 23rd to August 27th in the Netherlands Congress Center in the Hague, Holland. It is an honour and a privilege to be able to host a World Science Fiction Convention on the continent twenty years after HeiCon, the 28th World Science Fiction Convention in Heidelberg. Since that memorable HeiCon a lot has happened. Fandom in general has become more international and it has grown a lot. This international thought will be highlighted at ConFiction.

In order to secure an optimal service to all members of ConFiction we have signed a contract with an ingoing tour operator in the Netherlands, Convention Travel International that will handle hotelregistration for members of ConFiction with hotels and bookings over the past 20 years and when we mail out the hotelforms you can expect both an acknowledgement and a room within 3 weeks upon receipt of your form. In order to secure an even better service to all North American members of ConFiction we have appointed an exclusive outgoing travelagent, Ask Mr. Foster/Group Events in Stamford to handle both air, ground and hotelreservations. With this we hope to offer all members of ConFiction a fast, good and reliable service that will make this convention run smoothly. Full details as well as a special 800 number for ConFiction will be released in our next publication.

In this first progress report we have released a statement concerning the funds Conspiracy, the 45th World Science Fiction Convention had in trust. In the meantime we have secured the greater part of these funds and are full speed ahead on our way now to optimize our administration. Still, if there are problems with your status, do not hesitate to contact us.

We plan to do everything within our limits to make ConFiction a truly international and memorable convention that will offer all of its members an optimal possibility to relax and enjoy the thrills of the Old World in a new decennium.

With your help and support we can make that happen. Thank you for joining us and we hope, you will give us your continued support,

on behalf of the committee,

  
Kees van Toorn,  
Chair ConFiction – the 48th World Science Fiction Convention

**GOING DUTCH  
YEAH!!!**

Welcome to ConFiction's Progress Report 1, the very first of a series with which you sail right through the years, before anchoring at our destination: ConFiction in 1990, the first Worldcon ever held in The Netherlands.

We would like to thank all fans, especially our founding father Neil Belsky, who inspired us to launch the bid, all presupporters and voters for their continued support. Also, we would like to express our gratitude to het Nederlands Congres Bureau, het Nederlands Congres Gebouw, KLM, Grolsch Breweries, van Nelle (for the Haagsche Hopjes), Vergeer-Kaas and all those, who we may have omitted to make ConFiction a reality.

For those of you who were not be able to convert your presupporting membership we have good news: if your conversion reaches us (postmarked) before the 31st of January 1988, you're entitled to subtract the amount of your presupporting membership from either a supporting or an attending membership.

By the way, our Mouse Name Competition is still open! The best entry gets the original picture of the artist, Len de Vries. We'll publish the results in Progress Report 2.

Stay tuned, and enjoy the trip, as we do!

## change of address

Who doesn't know the gruesome fate of captain & crew of The Flying Dutchman? Worse, it could also happen to you! We like to avoid that. Therefore we ask you kindly - but firmly - to inform us of any change of address in the years to come. If you are planning to move or if you already have moved, please, notify us as soon as possible. In doing so you guarantee yourself all upcoming issues of our Progress Reports and other important information about ConFiction. Just write us a short letter, mentioning your membership number (if possible), and both your former and new address to:

*Membership Administration ConFiction  
P.O. Box 95370  
2509 CJ The Hague  
Holland*

Only then we can guarantee you won't be lost in eternity. It is our firm intention to get any passenger safely to our joint destination, and we'll do our utmost to achieve this. But we need your help as well. Thanks for your co-operation!

# Your Committee

For those who have managed to miss our flyers, bidding reports and parties we would like to re-inform you about the principal members of our committee.

## **Kees van Toorn**

The committee's chairman. Publisher and editor-in-chief of Orbit, a professional Dutch SF magazine. He is also a semi-professional translator of books and films. Kees has been active in fandom for over twenty years, visiting and participating in all kinds of conventions in Europe and the United States.

## **Robert in 't Veld**

He is not only a lawyer, but also detached at the Internal Revenue Service of the Department of Financial Affairs, surely an unbeatable combination. He will act, of course, as our Chief Treasurer and Budget Controller.

## **Annemarie van Ewijck**

Editor-in-chief of Holland SF, the oldest Dutch clubzine, now in its 21st year of publication. Co-organizer of many, many a convention. Fan Guest of Honour at Sfancon 1979 and Pro Guest of Honour at the 1985 Beneluxcon. A translator by profession, she was given a special Achievement Award. For 1990 she is in charge of the Fan Activities.

## **Paul de Leeuw van Weenen**

In daily life a doctor with the Civil Service, but in fannish life an avid collector of books and a huckster. For many years he has lead the bookclub of the NCSF, and he is one of the best auctioneers in Dutch fandom. For ConFiction he will handle Financial Administration.

## **Len de Vries**

Will co-ordinate all activities dealing with the art-room and art exhibit(s). Has worked in this field for a number of years and has both the knowledge and the expertise to make this a succesful event. Is known to all members of ConFiction as one of the artists of "our" mouse logo and is active as a painter and illustrator.

## **Jo Thomas**

He is a teacher by profession and translator and former editor at Time-Life Europe Inc. and SF publishing house Centri Press for a long time. He chaired the 1981 Beneluxcon: Hil/con. He is also a co-editor of the Dutch clubzine Holland SF. At ConFiction he will be responsible for Programming.

## **Angélique van der Werff**

Angélique is married to the abovementioned Kees and has participated widely in fandom. She brings a considerable business management talent, acquired with a large shipping company, into the committee. She will co-ordinate the Administration Department.

## **Johan-Martijn Flaton**

Heading his own agency as public relation man and professional copywriter. Editor of Holland SF, did P.R. for Hillcon. And is running, of course, the Public Relations Department of ConFiction, including Progress Reports and Programme Book. His aide Tom Scheelings has earned his first marks with the co-production of this Progress Report.

## **Nico Klaasen Bos**

Works within a sophisticated computer firm as project leader in developing all kinds of smooth-running operations which nobody understands, but they work! To no surprise he is managing ConFiction's Operation's staff.

## **Larry van der Putte**

Has been doing the administration for a host of Dutch conventions in the eighties. He also heads administration of NCSF, the Dutch national SF organization, and has been its treasurer since 1983. He is a professional computer programmer and will be heading the Membership Administration of ConFiction.

## **John van Duin**

Acts as the agent's liaison and feeds your local agent with information upon request about ConFiction and everything you may want to know about Holland.

KLM Royal Dutch Airlines has been appointed Official Carrier for the 48th World Science Fiction Convention in the Hague. This guarantees you the best in airtransportation by our national airline. KLM Passage Offices around the world will gladly assist you with your travel arrangements to the Netherlands.

# Guest of Honour

# Joe Haldeman

Born in 1943 in Oklahoma, USA. Grew up in Puerto Rico, New Orleans, Washington D.C. and Alaska. Currently he divides his time between Gainesville, Florida and Cambridge, Massachusetts as well. He was a combat engineer in the Vietnam war and got a B.Sc. in astronomy. Has had a bewildering array of jobs: statistician's assistant, librarian, computer programmer, musician, labourer, occasional platform speaker and consultant. Besides these escapades, Joe is a teacher at various American Universities in Rhetoric and Writing. At the moment he is Assistant Professor at the Massachusetts Institute of Technology. Here he

teaches, among other things astronomy, mathematics and English and a science fiction writing workshop. Since 1970 this work is combined with writing various kinds of books: anthologies, novels and short stories. Joe won the Hugo, Nebula and Ditmar Award for 'The Forever War' as best SF novel of 1975, a Hugo Award for 'Tricentennial' as the best 1976 short story. In 1978 he received the Galaxy Award for 'Mindbridge' and in 1983 his poem 'Saul's Death' won the Rhysling Award. His frequent trips to far flung parts of the globe will make it the more interesting to meet him in 1990.

# Guest of Honour

# Harry Harrison

Who doesn't know the Stainless Steel Rat series, the Deathworld trilogy, the awarded Make Room! Make Room!, the Eden trilogy and many, many other novels, short stories and juveniles by this productive author? Not to mention his non fiction books or anthologies. His books have been translated in 23 languages, among them Chinese, Dutch, Esperanto, Russian, Hungarian and Lithuanian.

Harry was born in 1925 in Stamford, Connecticut (USA) but grew up in New York City. The United States Army grabbed

him, immediately after his eighteenth birthday. After a short term in college and a longer one in art school, he spent the next years in New York as an artist, art director and editor, finally ending up as a free-lance writer. With his wife Joan and his son Todd he went abroad to Mexico to work on his first novel. Having acquired a taste for traveling, he did not stop and became, with his family and new-born daughter Moira, a true world citizen - having lived in over 30 different countries.

# Guest of Honour

# Wolfgang Jeschke

Born in 1936. He grew up near Stuttgart, Germany. Here he graduated as a toolmaking craftsman and studied from 1959 at the University of Munich Philosophy, German and English. In 1969 he finished studies in practice on editing and book-selling in München. In 1969 he became editing assistant of the Beck'schen Verlagsbuchhandlung and later, 1970, editor with Kindlers Literatur Lexicon. Reason for us to make Wolfgang one of our Guests of Honour is his ongoing endeavour to promote Science Fiction in Germany. Since 1969 he issued the series 'Science Fiction für Kenner'. From 1973 up to 1979 he was the editor of the biographical encyclopedia 'Die Grossen der Weltge-

schichte' and since 1973 free-lance publisher of the Heyne Science Fiction series, one of the largest in the world. He has published in newspapers, magazines and anthologies and has issued over 80 SF-anthologies.

His most important publications in Germany: 'Supernova', 'Die Anderen', 'Der König und der Puppenmacher', 'Der Zeiter', 'Yeti', 'Nekyomanteion', 'Sibyllen im Herkules oder Instant Biester', 'Jona im Feuerofen', 'Midas oder Die Auferstehung des Fleisches'. He won the prestigious Kurd Lasswitz Award four times, and in 1985 he received the Literature Award of the German Science Fiction Club. Two years later he received the World SF Harrison Award.

# Fan Guest of Honour

# Andrew Ian Porter

Was born 1946 in Detroit, Michigan. Has been addicted to science fiction since he was ten years old. Became active in fandom in 1961 and started publishing a weekly news magazine, understandably called 'SF Weekly'. He then strove to publish a well-produced semi-professional magazine, *Algol*, that changed its name to *Starship* in 1978. Unfortunately *Starship* ceased publication in 1984. Thanks

to his desire to provide the fannish community with news Andy also had started an international monthly newsmagazine, called *Science Fiction Chronicle* (since then nominated for a Hugo Award several times). As Fan Guest of Honour he is likely to tell us about the interesting development of international fandom.

# Toastmistress

# Chelsea Quinn Yarbro

Born in 1942, she is well-known for her science fiction as well for her detective novels. Her first story was published in 1969 in *Worlds of If*: 'The Posture of the Prophecy'. Many other stories and novels followed, including the renowned 'Times of the Fourth Horseman' and 'Frog Pond', the latter

being nominated for a Nebula Award. Aside from her writing Chelsea is also into composing, writings operas and lyrics. In her free time she happens to be a passionate cook which makes her, aside from her many other talents, an ideal Toastmistress for ConFiction.

## Upcoming Progress Reports

We are planning to send out 4 Progress Reports:  
no 1 - Winter 1987  
no 2 - Autumn 1988  
no 3 - Summer 1989  
no 4 - Spring 1990

In between we are also planning to send Newsletters with

the latest upcoming news about ConFiction and other events of importance to you. If we are implementing this the Newsletters will be sent in between the periods of our Progress Reports.

Deadline for Progress Report 2 is September 1st, 1988 for advertisers

# World Science Fiction Society

Most of you, of course, already know what WSFS stands for and what it does. Still, for those new to SF World fandom, we'd like to give a short introduction.

The World Science Fiction Society is in fact the international overall organization that controls the procedures for choosing the sites for the annual Worldconventions and the occasional North American Science Fiction Convention (also known as Nasfic). It also keeps a firm hand on the regulations for the election of (and voting for) Hugo Award candidates, and on the financial proceedings of any World-

con committee. The WSFS is controlled by an annual business meeting, to be held at every Worldconvention. Any attending convention member can join the meetings and is in fact a member of the WSFS itself. In these meetings votes of censure or confidence, that have been agreed upon the year before, are ratified. At the same time new ideas and suggestions are discussed and acknowledged or not, to be ratified in the following year. To cut a long story short: the WSFS is the United Nations of Science Fiction fans.

## Mark Registration and Protection Committee

This Committee has also to do with the overall WSFS. At ConFiction there will be a special meeting of a board of WSFS members that will guard the service marks as 'Worldcon' and 'Hugo Award', WSFS trade marks.

Should you require more information on the WSFS, please send your letters to:

WSFSD  
P.O.Box 1270  
Kendall Square Station  
Cambridge  
MA 02142 U.S.A.

## 1993 Site Selection Procedures

During ConFiction in 1990 the site will be chosen for the 51st Worldcon. Any bidding committee has to notify ConFiction, that will inform the WSFS, and prepare the 1993 site selection ballots and the necessary arrangements within the programme of ConFiction.

The site selection forms for the Worldcon in 1993 will be sent to all attendees/members of ConFiction in Spring 1990, with our Progress Report 4.

# General Information

## Hotel business

Having a conventional site is just one part of the package. The other one is, of course, hotel and travel. In order to secure an optimal service to all members of ConFiction we are happy to announce that we have signed a contract with a very experienced and well-known ingoing tour operator in the Netherlands, called Convention Travel International. It has an excellent reputation with hotels and bookings over the past twenty years, enhanced by its co-operation with the Congress Building, after all one of the major European congress centres. Convention Travel International will handle all hotel registrations for our members, except for North-American fans. They will be served by Ask Mr. Foster in liaison with Convention Travel International. When we mail out the hotel forms you can expect both acknowledgement and a room within 3 weeks upon receipt of your form. More, much more of this in our Progress Report 2.

## Have fun, will travel

We are also very happy - especially for our North American members - to announce an agreement with Ask Mr. Foster/Group Events in Stamford USA, who will handle both air, ground and hotel reservations. With this unique service for Fandom we hope to offer those members from the New World a fast, good and reliable service, that will deliver you right upon our doorsteps. Full details as well as the opening of a special 800 number for ConFiction will be released in our next Progress Report.

## Huckster's Room & Art Show

We will set up information and rates for the Huckster's Room and the Art Show not before 1988. So, please wait for Progress Report 2 for that information (including such matters as clearance, custom regulations etc). But if you send us your name and adress now (as well as any corrections in the future), we'll include you in our Special Mailing List.

## Participation and information

You like to participate in ConFiction? With A Costume That Will End All Masquerades? As a dealer, with tons of books and goodies? In the Art Show? With a program event Never Seen Before? With your help (and we will need you) we can make it happen. Or you want information about any subject?

Don't hesitate and write us. It's a bit too early to say anything about our program, but we want to give you the feeling it is your programme as well as ours. Do not hesitate to send your wishes, ideas, recommendations and questions to ConFiction. Each and anyone of you will get an answer. Adding an IRC and SAE speeds up the line of communication considerably. Just write to ConFiction, P.O. Box 95370, 2509 C| The Hague, Holland.

## Drugs

Let there be no misunderstanding. The possession and use of drugs in Holland is illegal. Yes, we are a tolerant and permissive country, but believe us: our nation's tole-

rance towards drugs is very thin indeed. Towards any drug! Two months to two years in prison plus missing the convention, would be a waste of your time and money. Don't spoil it! Remember, we did promise you an exciting convention. And we can do it without any artificial stimulation. So can you.

## Weapons

Likewise the only weapons we want to see in our lovely city and convention site are those carried by the local precinct of Hill Street Blues, Cops. We are a peace-loving

nation and we want to keep it that way. Besides, we like to follow the general no-weapons policy of all major conventions all over the world. More about this in the forthcoming issue.

As far as the use weapons for the Masquerade is concerned, when writing this Progress Report, negotiations with our police and customs have started. We already obtained permission for the special events of ConFiction, such as the Masquerade. More details will be disclosed in future Progress Reports.

## Advertising Rates

Our advertising rates are based upon print run and publication costs of our Progress Reports. Rates may increase slightly, but we will keep you informed about any change in rates and about the rates for the Programme Book. Read it all in Progress Report 2!

All copy should be camera ready. If not, then any work process required (tones, screens, reversing out etc.) will be invoiced to the advertiser at cost.

## Payment

Regrettably we have to ask you to send us your payment together with the ad copy. For methods of payment: see information on memberships but be sure to add reason for payment.

Discount will be given on both professional and fan rates for multiple pages, rates available on request. If you want to run an identical-sized ad in Progress Report 3, you'll entitled to a discount of 10%. Add on an ad in Progress Report 4 and you'll get a 20% discount!

We reserve the right to cancel or refuse any advertisement submitted. Deadline for Progress Report 2: September 1st, 1988 for advertisers

For any information about rates, special processing and costs, contact:

Johan-Martijn Flaton  
c/o ConFiction  
P.O. Box 95370  
2509 CJ The Hague

## Membership Rates

*Important notice! Our membership rates are based upon the current daily exchange rate of the US dollar. Should the dollar drop by more than 10% of the current value (as per November 16, 1987 \$1.00 = f 1.80) then we are forced to adjust the price to match the exchange rate of the Dutch membership rates. However, if the dollar rises and passes the f 2.00 limit, US membership rates will be adjusted. Members who have paid too much during that period will be reimbursed at ConFiction. This upon showing a receipt that we will mail out by the end of each year. Fluctuations of less than \$5.00 will not be reimbursed as banking fees and administration costs are equal to, or even exceeding \$5.00*

ConFiction offers you two types of memberships: Attending and Supporting. Either choice entitles you to voting rights the Hugo Award and for the site selection for 1993 (by mail or at the convention itself), all of the Progress Reports, any Newsletter appearing after you have joined, the programme book and any post-convention publication. An Attending Membership also buys you the right to attend ConFiction and all the programmes therein, including the meetings of the World Science Fiction Society business meetings.

As a supporting member, you may convert to an attending member at any time by paying the difference between an attending and supporting membership.

Until December 31st, 1988 the rates, payable in US dollars, pounds sterling, DM (Deutsche Marken) or f (Dutch guilders), are:

	US dollars	Pounds sterling	Dutch guilders	Deutsche Marken
Attending	65	37.50	120	110
Supporting	28	16	50	45
Children's Admission *	17	9	30	27

For children under 14 in 1990; children under the age of 3 have free admission. See for more details of Membership Status and children's admission on page 14

## Membership payment

All membership payments must be made payable to Stichting Worldcon 1990, P.O. Box 95370, 2509 CJ The Hague, Holland. We accept Access, MasterCard and Eurocard. Please, make out your payments (by international money-order or credit card) in Dutch currency only (f). We do prefer payment by credit card, thus avoiding the rather expensive banking conversion rates. Alternatively payments may also be made through your agent in local currency.

## your mailing label

In the lefthand corner you'll find a status code, followed by your membership number. The codes are:

A (for Attending)	C (for Child)
S (for Supporting)	B (for Baby)
PS (for Presupporting)	

Next follows your name and your full address. Please note that we cannot accept fannish names as it makes future identification for the ConFiction Administration more difficult.

You may, however, add a fannish or funny name to your credentials and we'll keep special track of it for printing it on your badge. We have two options for admitting children: Children's Admission and Children's Free Admission. Children's Admission can only be purchased in combination with an Attending Membership. It entitles children under 14 (at the time of the convention) to take part in any activity of ConFiction, and to any publication. But they have no rights to vote on a site selection or the Hugos. Children's Free Admission is meant for children under 3 (at the time of the convention). They will not receive any publication, and have also no rights to vote on selection or Hugos.
