A Message from the Chair

Right then, here we are now. I am not sure I would start from here, but you've got to start somewhere!

Are you ready?

It is now a matter of weeks and days until the convention and the work is tremendous. I've been in the privileged position of watching on, keenly as so many ideas and notions are brought to fruition, and now, we hope this Progress report will be where you start to focus on your plans over the time of Dublin 2019, An Irish Worldcon.

Whats Up?

We are cognisant that we all have varying needs and desires, and hopes, and fears and you know, stuff, so, if a query or question or issue is not addressed here, or you do have something that is giving you agitation, excitement or a wrinkled nose, just drop info@dublin2019.com or access@dublin2019.com an email, they are happy to help. We are all volunteers but likewise we all want you to have a good experience.

WE NEED VOLUNTEERS!!

Would you be happy to help the team. Hundreds of people are already working on this all volunteer event, but we need many more, especially in the run up and at con. Please do let volunteer@dublin2019.com know if you would like to help, We have a google form, a job listing and just really need to hear from you - because it really does help, and it is fun to be involved. <https://dublin2019.com/get-involved/volunteer/>

A New Thing

We need to have a ticketed system for the evening Auditorium events: Opening Ceremonies and Retro Hugo Awards, Orchestra concert, Masquerade, and 2019 Hugo Awards. This will be in the form of a wristband, and is about managing queues. There is a time frame

to get a wristband, and to use it. Please check out the article about it. This may be NEW to you.

I am very sorry that we have let some of you down. We've sent out news to parents and young adult members about the venue and I'm sorry we've communicated this later than we should but hope the direct emails have helped clarify. Do email mss@dublin2019.com if you need any information or clarification.

I am excited by many elements that we are bringing you, some incredible events, and programme, some wonderful exhibits, and I hope you enjoy planning your five days, or as many days as you can. Do look at our Plays, Concerts, musicals and performances.

We are utilising many venues. The Point Square and The Convention Centre Dublin and our Fringe Events, are across the city. Please do have a close look, at locations and all that Dublin has to offer, it is a beautiful city, and Ireland is incredible, so do plan.

Programme will be available in the next few days and from then, you can get more detailed plans in place, pack books to be signed, bring costumes, and feel free to cosplay when you like, but especially Saturday.

We have Scientists and Astronauts, and Artists and Authors and its astoundingly amazing, and thanks to you all, who've helped in all capacities, we are so lucky to have so many who are happy to help us make Dublin 2019 a reality.

Thanks a million - looking forward to seeing you.

very best,

James

Logistics Jobs & Volunteers!

The Logistics Division is responsible for supporting every other division at con and we need lots of people to help us do just that! We're very happy to have you come along for even just an hour or two over the course of the weekend.

Move-In/Move-Out (MIMO): On Tuesday and Wednesday, August 13 and 14, we'll be moving everything into our venues so if you live in Dublin or you're arriving at the con early, please think about coming down to the convention centre and volunteering. The ability to lift and carry is definitely an advantage but is not required. We'll also need a lot of help on the evening of Monday, August 19, and the morning/afternoon of Tuesday, August 20, so please consider sticking around and lending a hand!

Ops: With several venues and multiple floors in the convention centre, we will need quite a few people in our Convention Operations team. If you want to help make life easier for your fellow members, working closely with the venue staff, please consider donating an hour or two of your time per day to Ops! Ops volunteers are needed throughout the duration of the con.

At-Con IT Support Staff: The Dublin Worldcon At-Con IT Support Team is responsible for on-site setup and support of computers (Windows and Mac), printers, copiers, and networking (wireless and wired) for the entire convention in both the convention centre, Warehouse/Odeon, and possibly hotel spaces. This includes installing software on site as well as helping users set up their personal computers to interface with the rest of our infrastructure. Help is especially needed on the August 13 and 14.

Listeners: The Listeners team is responsible for helping to enforce our Code of Conduct. The team takes reports and listens to people's concerns, and then acts as necessary to keep our members safe and ensure that Dublin 2019 is an open and welcoming Worldcon.

Volunteers for this team are needed during the main days of the convention.

Con Office: Worldcon needs an awful lot of pens, paper, magic whiteboards, and lots of other things in order to run efficiently. Con Office takes the orders, obtains the supplies, and passes everything out to the other divisions. Help is especially needed on Tuesday and Wednesday, August 13 and 14 for this effort, but also throughout the convention as it seems one pen is never enough!

Shipping & Storage: This team is responsible for delivering things to the Dublin 2019 venues and then moving things between the venues over the course of the con. We are especially looking for an appropriately licensed driver to be part of the van driving team. The bulk of this work will be during move-in and move-out, but there will also be activity during the core days of the convention.

Furniture: Every Worldcon needs more furniture than the venue can provide! This team will be working very closely with MIMO and Shipping & Storage to deliver that furniture to the right place at the right time. This work will primarily take place during the move-in and move-out periods.

Childcare

Do you need childcare while attending Dublin 2019? We will have a childcare provider available in the Spencer Hotel. The deadline for sign-up is AUGUST 5, 2019.

Please sign up here:

Site Selection

Where will Worldcon take place in 2021?

The site of the World Science Fiction Convention (“Worldcon”) in 2021 is determined by you all, the members of this year’s Worldcon. To vote in Site Selection you must be a Full Attending, Young Adult, First Worldcon, or Supporting Member of Dublin 2019. You must also pay an Advance

Supporting Membership fee of €40, which goes to the winning bid. This process automatically makes you a Supporting Member of the winning bid’s convention. Links to downloading the ballot are here: <https://dublin2019.com/hugo-awards-wsfs/site-selection/>, as well as a link to a page where you can pay the Advance Supporting Membership fee online. However, all printed and (surface) mailed ballots must reach us no later than on Saturday, August 3, 2019, so if you are attending Dublin 2019, the safest and simplest way to vote in site selection is to do it at the convention.

Voting in Dublin will be open these hours:

Thursday:	12:00 to 18:00
Friday:	10:00 to 18:00
Saturday:	10:00 to 16:00

Accessibility Services

Mobility Devices

It appears that we might have a very small number of spare mobility devices due to cancellations. If you wish to book a scooter, please email access@dublin2019.com. Mobility scooter rental is €20 per day. Scooters may also be available on a first-come, first-served basis at the convention.

If you've already booked a mobility scooter, power wheelchair, or other mobility device with us, you'll be able to collect it upon arrival at the CCD. Just go to the Access Desk for assistance, unless you've received different information from us in email.

Hugo Awards

Tickets for accessible seating at the Hugo Awards and Retro Hugos will be available at the Access Desk. Seating will be reserved for those who have visual impairments, mobility difficulties, or need wheelchair-accessible seating or to be close to an exit.

Access Service Highlights

Registration – If registration lines are long or you need assistance with picking up your badge or registering on-site, come to the Access Desk first. Volunteers will be available to assist you.

Access Seating - All programme rooms will have designated wheelchair/mobility scooter spaces as well as seats reserved up front for those with visual or auditory disabilities. Priority seating or line passes will be available for large events for those who are not able to stand in a queue.

Quiet Room – If you need to get away from the noise and crowds, Board Room 3 on Level 1 is the designated Quiet Room in the CCD, and will be available for the duration of the con.

Hearing Assistance - All meeting rooms and halls have an induction hearing loop. All halls and the auditorium have an infrared hearing system with loaner devices that can connect

with hearing devices. Please come to the Access desk to borrow a device.

For more information about accessibility at the convention, visit <https://dublin2019.com/about/accessibility-services/>

Accessing Access Services

Anyone with accessibility needs should register with Access. Whether your needs are simple or complex, we want to do everything we can to help you enjoy yourself. Accessibility doesn't just mean physical, and there is no such thing as "not needing help badly enough." When you arrive at the convention, check in at the Access Desk to receive a badge sticker that will mark you as registered with Access in order to help our team spot members with accessibility needs. You'll also be able to learn about other services and opportunities that are available.

Volunteers

Want to help make this Worldcon fantastic by lending a hand? We are always in need of volunteers to help out, and there are some fun perks for volunteers including t-shirts, raffle prizes, and GROATS.

If this sounds like fun, please fill out the following form or come find us in person at the convention!

Warhoon 28

TAKE HOME A PIECE OF FAN HISTORY LIMITED STOCK AVAILABLE

Northern Irish fan Walt Willis was a great influence on fandom, particularly from the 1950s onward, bringing his own brand of humorous writing to Ireland, the UK, and the US. His influence went beyond writing, though: it is because of efforts to bring him to the 1952 Worldcon in Chicago that we have traditions like the Trans-Atlantic Fan Fund, Going Up and Over Fan Fund, and Down Under Fan Fund (and other fan funds). He even co-wrote the basis of one of our theatrical performances alongside Bob Shaw, *A Pilgrim's Progress The Enchanted Duplicator!*

Of course, he was best known for his fan writing. He won a Hugo for it in 1958 (as Best Actifan), and was nominated several more times. He was responsible for the fanzines *Slant* (with James White) and *Hyphen* (with Chuck Harris), and contributed to many more, including his series "The Harp that Once or Twice" for *Quandry*.

THE WRITER, THE WIT, THE WARHOON

His work was celebrated by his peers and other fans, from special editions of fanzines and collections of his writings through being a Worldcon honoree in 1992 as MagiCon's Fan Guest of Honour. However, Richard Bergeron pulled out all the stops in 1978. The Willis-dedicated issue of his fanzine *Warhoon* (*Warhoon 28*) is a work of art in its own right. Hardbound and gold-embossed, it's a massive anthology of Willis's writings and art, reflecting the history of the man and his fan writing.

This is your chance to take home a real piece of fan memorabilia. We have the remaining stock of *Warhoon 28* available here at Dublin, and are delighted that we can share our joy at what an influence a Northern Irish writer had on the science fiction world. Come buy your copy today!

Box Office

Box Office for Auditorium Events

The CCD want to ensure queueing can take place safely before busy major events so they have asked that we implement a system to deal with it. As a result, Dublin2019 will have a Box Office for some events.

The Box Office **only** applies to a few performances taking place in the Main Auditorium:

- The Opening / Retro Hugo Ceremony (Thursday)
- The Orchestral Evening (Friday)
- Masquerade (Saturday)
- The Hugo Award Ceremony (Sunday).

You will **not** need to go to the Box Office for anything on Second Stage, on Programme, at The Point or in any other performance space.

We will not be giving out tickets from the Box Office – instead, you will be given a wrist band. Wrist bands are **free** and will denote which entrance you can use to enter the Auditorium and at what time (please do not turn up earlier than the time allocated as you will only be turned away).

The wrist bands will allow access from the Third Floor (Auditorium Stalls) at 7pm or 7.30pm or the Fourth Floor (Auditorium Circle) at 7pm or 7.30pm. Performances start at 8pm, so there is plenty of time to get everyone into the venue. Once inside, seating is unallocated so you can choose where you want to sit (some areas will be reserved for Award Nominees or Presenters, but staff inside the Auditorium will help you find a free seat). We do of course ask that you don't leave seats open, as we are expecting to have a full house for all these events.

A few more points:

- The Box Office will be open from 1pm – 4pm on the days of Performance. It will be in the downstairs foyer, next to Registration.
- We will only be allocating wristbands for that day's event. There will be different coloured wristbands depending on the day.
- You may collect up to 6 wristbands at a time for friends and family, but please do not over-collect – Once we have run out of

wrist bands, the auditorium is considered full and we cannot let people in without wristbands. It would be a great pity to turn people away if there were still seats available.

- If you find that members of your party cannot attend, we will have one of the Box Office desks open from 6:30pm as a Returns Desk (or you can bring the surplus wristbands back to the Box Office whilst we are still open). If we have run out of wristbands earlier in the day, it will always be worth checking the Returns desk to see if any have become available (Return Wristbands will be dealt with on a first-come-first-served basis and there will not be a Reserve List).
- People with Accessibility issues can approach Access who will have an allocated number of wristbands available.
- If you do not have a wristband, you will not be able to enter the auditorium, so please don't lose yours!
- If you arrive late with a wristband, you will still be allowed to go in but may have to wait for a suitable break in the performance.

We realise that this is not the usual way of doing things at a WorldCon and we apologise for any inconvenience caused, but as long as everyone is aware of how the new system operates it should still lead to a great evening of entertainment.

Distilled water is extremely expensive and hard-to-get in Dublin. You have a few options. Some say that using Dublin tap water will not harm your CPAP. Most hotel rooms have a kettle so you can boil water to clean your machine. Another possible option is to get de-ionised water at Tesco – it's only €1.5 for 2.5 liters. The closest Tesco to the CCD is at the Jervis Centre which is about a 10 minute tram ride on the Luas Red Line west to the Jervis stop. Note that some people advise against this option.

WORDS OF POWER

RITCHIE VALENTINE SMITH

In a world very different to ours is a huge and cosmopolitan city, which trade and mutual tolerance has made rich. This city has mortal enemies, but on its side is a young man from the steam-powered Empire of Albion. He carries an ancient sword engraved with two true words of power: *freedom* and *change*. His enemy is entropy, and death itself. If his battle is lost, the universe is lost...

A brilliant debut, set in a version of the samurai Orient as new world powers arrive.

‘Imagine a parallel world where ancient magic and what is described as the magic of mechanics collide... First-rate fantasy!’

British Fantasy Society

‘A wonderful story, in the spirit of Robert Jordan’

David Wingrove, ‘Chung Kuo’

‘...dripping with fantasy-satisfying magic (and with) a thundering good denouement’

Announcing the Estate Sale of "Big Hearted" Howard DeVore, 2006 Fan GOH L.A. WorldCon

Science Fiction Sales was the name of Howard's business from the 1950's until the end of his life. He was known as one of the biggest dealers of science fiction and for his collection of obscure, rare, and hard to find items. We, his daughters, continue the name of the business and hope you will enjoy perusing ScienceFictionSales.com like thousands of fans perused the collection at our house and at untold numbers of conventions for nearly 60 years!

The vast collection includes numerous rare books and autographed books by the most famous science fiction writers. We also offer for sale an even greater number of first editions, limited-edition books and one-of-a-kind publications. Beyond the famous and special books we also have a wide array of other hard covers, small press books, chap books, art folios and non-fiction of all sorts. We have a complete collection of the Clayton Astoundings, SF magazines, fanzines, and convention programs. We have an array of collectibles, most famously Hugo prototypes! The Oddities and Curiosities section of our site will open new doors for the uninitiated and bring up memories for the older fans.

Please check out our page and visit often for updated inventory. Join our mailing list and follow us on Facebook for special offers and sales.
