

Advertising in the Dublin 2019 Souvenir Book

A World Science Fiction Convention (Worldcon) Souvenir Book serves as a source of reference for attendees and provides a memento of the event, ensuring that advertisements will be seen repeatedly over an extended period.

The Dublin 2019 Souvenir Book is a glossy, four-colour publication which typically features significant advertising content from professional, semi-professional, and fan organisations. It is traditionally the key Worldcon publication and is widely read and collected.

We offer advertising opportunities with a range of sizes from full page to quarter page, and in colour as well as black-and-white (B/W ads will be printed in CMYK).

Links to progress report and souvenir book advertising submission forms are located on the Dublin 2019 Publications page at <https://dublin2019.com/publications/>. Payment for any advertising should be made by credit card. We will issue you an invoice.

6. If ad bleeds, include crop and bleed marks. Otherwise, crop marks optional.

Note: If we receive a file that does not meet these specifications, we might return it for another version.
