SPECIAL TO HEICON MEMBERS:

Some seats are still available on Heicon Charter East, the group charter flight carrying members of the 28th World Science Fiction Convention (Heicon) to Europe in August to attend the convention in Heidelberg.

The flight will be via KLM Royal Dutch Airlines departing from New York on August 10th, 1970 eastbound to London, and returning from Amsterdam to New York on August 31st, 1970.

Round trip charter fare is \$196 per person plus departure taxes. A passenger list, completed, must be submitted to KLM by July 10th, and all passengers must have paid in full by that date. Alterations in the passenger list thereafter can only be made under special circumstances and with certain restrictions.

Any Heicon member who desires a seat on this flight (spouse and/or children may also qualify) should send a check for \$200 per person, check payable to TRADEWINDS TRAVEL BUREAU, without delay direct to the Tradewinds office, Box 396, Fall City, Washington 98024. Seats remaining will be assigned on a first come, first served basis. Money received will be receipted immediately and full details of the flight will accompany the receipt. Please accompany your check with your Heicon membership number, as only Heicon members and their families can qualify for this charter flight.

If you're planning to go to the Heicon, as they say in TV work,
DO IT NOW!

Sincerely,

Alan E. Nourse, M.D.
