**Chairman's Message**

Gentlebeings and others,

I'd like to thank the Fellows of the Academy and Space Cadet pre-supporters, the Voters for the 2006 Site Selection and the fans who have since joined L.A.con IV for giving us this opportunity to host the 64th World Science Fiction Convention.

My deep thanks to the tireless efforts of all of the L.A. in '06 Bid crew, from the members of SCIFI who were dedicated to this task for three years to those who offered a moment's rest to another by running out a third tray of goodies at a party. They've suffered exhaustion, frustration, confusion, and despair, but with these emotions they gained larger doses of community, creativity, fun, and just plain silliness. Results we intend to continue from now through the convention.

Thanks to our Guests of Honor for agreeing to join us in 2006.

The ongoing task that Fandom annually resets itself is the smooth progression from one Worldcon to the next. This is only possible through the continued efforts of a broad spectrum of fans giving their time to the community. As fannish legend Claude Degler said, "We'll all be drawn into the Cosmic Consciousness together!" So, too, I ask you to join us in the fun of creating Fandom's gathering for 2006 by volunteering. Take a look at our web site (<http://www.laconiv.org>) where you can follow the links to our volunteer page and let us know your interest.

In less than three years, we'll come together in Anaheim to celebrate and rejoice in Fandom together through L.A.con IV, the 64th World Science Fiction Convention. The door will be open to welcome all the returning Space Cadets to the Academy. See you tomorrow!

Christian B. McGuire

## Installment Plan

Are our membership rates higher than you can afford right now? Would stretching payments out over a year make joining our convention easier? L.A.con IV has an installment plan under which you can make payments at your leisure over a 12-month period.

All you have to do is buy a Supporting Membership for \$50 and let us know you want to buy an Attending Membership on the installment plan. Your Attending Membership rate will be locked at the rate in effect when you enrolled. (The current rate is \$125.) Then, over the next 12 months, make payments as often as you want, whenever you can, in the whole dollar amount you want to pay. The rate for the Attending Membership will not go up as long as you complete your payments within 12 months. Your payments plus the \$50 you paid for the Supporting Membership must equal the total for the Attending Membership rate at the time you enrolled in the installment plan.

If you fail to complete your payments within the 12-month period, the Attending Membership rate will be unlocked and will go up to its current rate. Payments made after the 12-month period ends will continue to apply to an Attending Membership but at the rate in effect at the time. To start the installment plan or if you have questions, contact us at the convention address or via e-mail at membership@laconiv.org.

### Fine Print:

No bills, statements, or reminders will be sent out. It's up to you to remember to make your payments. You cannot transfer your membership to someone else until the membership is fully paid for.

THE MAGAZINE OF THE SCIENCE FICTION AND FANTASY FIELD

Remember why you fell in love with Science Fiction, Fantasy, and Horror in the first place It's the books!

And the best place to find out about books is in LOCUS. For the past 37 years, 25-time Hugo Award winning LOCUS magazine has been the reporter, chronicler, and backyard gossip for the science fiction, fantasy, and horror fields. If you need to know about it, LOCUS is there reporting on it.

EVERY MONTH:

LOCUS brings you COMPREHENSIVE COVERAGE of the SCIENCE FICTION FIELD with:

- Up-to-date news about awards, publishing changes, obituaries, monthly bestsellers, etc.
• Advance reviews of novels and short fiction (to help you figure out what to spend your \$\$\$ on).
• Interviews with both well-known and up-and-coming authors.
• Complete lists of all SF/Fantasy/Horror books published in America and Britain.
• Dozens of photos of authors, book covers, etc.
• Our famous People & Publishing column - with personal and professional news items about writers and editors, including who sold what book to whom (sometimes before even they know it).

EVERY TWO MONTHS:

- Complete list of upcoming conventions
• Coverage of major conventions and conferences including Worldcon World Fantasy Con, etc.

EVERY THREE MONTHS:

- Forthcoming Books - an advance schedule of English-language books for the next 9 months.
• SF around the globe - reports from many countries, plus a list of other-language publications.

EVERY YEAR:

LOCUS takes a long, careful look at what has happened in SF the previous 12 months, with:

- A summary of book and magazine publishing with charts, figures, etc.
• A comprehensive analysis of the field
• The annual LOCUS Recommended Reading list.
• Results of the LOCUS Poll & Survey.

# Chicago Worldcon 08!

**Chicago Movie Quotes:**

Name the film:

1. "You wanna know how you do it? Here's how, they pull a knife, you pull a gun. He sends one of yours to the hospital, you send one of his to the morgue! That's the **Chicago** way, and that's how you get Capone! Now do you want to do that? Are you ready to do that?"
2. "Army bases are pretty dead, unless you're in the Army. So I always had a lot of time to daydream, and my daydream was always the same—that some day, I was going to get to **Chicago** because that's where they make Dance TV."
3. "It's 106 miles to **Chicago** we've got a full tank of gas, half a pack of cigarettes, it's dark and we're wearing sunglasses."
4. "They'd love you a lot more if you were hanged! You know why? Because it would sell more papers...That's **Chicago**"
5. "When I first came to this town I was gonna be—oh, there were a lot of things I was gonna do. Become famous. But **Chicago**'s the big melting pot, and I got melted, but good."
6. "Nice retort. Tryouts are in **Chicago** It's a real league, professional."
7. "Wow! **Chicago** kicks \*ss!"
8. "A kind of English, sir. I think he learnt it in a place called **Chicago**"
