## Program Schedules

The program information presented here is accurate as of Saturday, August 22. It will continue to change until Monday's last panel is over, so daily schedules will be distributed at the convention indicating changes.

Daily schedules are available at the Information Booth. Changes are noted outside program rooms if they are a change from the distributed daily schedule.

Each item is presented in the same format throughout the Program Listing. The titles of all program items appear in bold face. The room number and a panel number (if there are designated panelists) appear on the left side of the panel listing. The panel number is used to identify panels in the Participant's Index, beginning on Page 31. The name of the moderator for a panel appears in italic face.

Here are a list of the rooms we are planning to use and their abbreviations in the Program Schedules.

**Babysitting**

Babysitting is in the Clarion, Mezzanine Rooms 6-7. Professional child care is available Thursday through Monday for children under age 5 who have either a child's or attending membership. Babysitting is open the following hours:

- Thursday 10—6:30
- Friday 9:30—6:30
- Saturday 9:30—6:30 \*break\* 7:30—Midnight
- Sunday 9:30—6:30 \*break\* 7:30—Midnight
- Monday 9:30—4

Up to 20 hours of bonded babysitting is included with membership. The charge for additional time is \$3.50 an hour. Care for kids-in-tow is provided on a space-available basis at a \$6.00 hourly rate. We have a sleeping room with porta-cribs and mattresses as well as an activity room for babies and toddlers.

You must pick up your child for meals; we are not providing them. We will provide two snacks (fruits, veggies, peanut butter and crackers, fruit juices) each day. Please remember to bring disposable diapers if your child needs them.

The child care service we are using is willing to arrange babysitting on an individual or small group basis at other times, but parents must arrange this directly.

## Children's Programming

### Children's Programming

Children's Programming is located in the Clarion Plaza Hotel, Mezzanine Rooms 1-5 and 8. It is open to all children with either a child's or attending membership. We offer both workshops and free-play areas. The Children's Programming area is open the following hours:

Thursday 10—6:30  
Friday 9:30—6:30  
Saturday 9:30—6:30  
Sunday 9:30—6:30  
Monday 9:30—4

Children under 5 may not be left unaccompanied in Children's Programming. If you want your young children to participate in these programming items, you (or another designated adult) must accompany them. We have planned some fun arts and crafts programming for the toddler set to share with their parents.

If your child is in the 5—8 year age group, you are welcome to sign your child into child care. They are allowed to move freely through the children's programming rooms.

Children in the 8—12 age group must be signed in and out as well. However, they may be allowed to leave the child care area unattended if you sign a special release form.

On Saturday from 9:30A.M. to 1:30P.M., we are holding a Children's Role Playing Tournament. This game has been created by Rembert Parker for MagiCon and is designed for children aged 7 to 14. The rules are based loosely on Advanced D & D. Miniatures and characters are provided; however, players may bring their own. Prizes provided by TSR.

## Registration

If you're reading this, then you've probably already been through Registration. Unless you lose a badge, you don't need to worry about going back. However, if you do lose your badge, you must buy a replacement. Here are Registration's hours:

Wednesday 4P.M.—10P.M.  
Thursday 10A.M.—10P.M.  
Friday 10A.M.—10P.M.  
Saturday 10A.M.—8P.M.  
Sunday 10A.M.—7P.M.  
Monday 10A.M.—2P.M.

Remember, you must wear your badges to get into any MagiCon function. Replacement badges cost \$35. If you find someone's badge, please take it to Registration.

## Volunteers

Yes, we need you, we want you! Help us to run your convention! If you have even an hour to spare, stop by and we'll find something for you to do. Helpers are needed throughout the convention, but a critical period is Monday afternoon through Wednesday for teardown.

In addition to the traditional free T-shirt (art by Gail Bennett) for at least eight hours worked, you'll earn entries into some very special drawings. For every four hours worked, you'll earn one entry into the drawings. So far, the drawings include one free membership to ConFrancisco, one free membership to Conadian, and a free membership from the winning 1995 Worldcon (either Atlanta, Georgia or Glasgow, Scotland). And, like all Worldcon memberships, these memberships are transferable.

You'll find our volunteer table in the Registration area, in the Registration Concourse.

Friday	10A.M.—12:30A.M.
Saturday	10A.M.—12:30A.M.

## Information

The first thing you'll see when you enter BC is our Information Booth. The Information booth staff can tell you where to go, what to do, what's changed, what you can sign up for, and what's already full. The Information Booth has maps, program change pages, kaffeeklatsch/SIG meeting/table sign-up, local tourist information and daily newsletters. If the Friday Keynote Luncheon tickets are still available, the Information Booth has them. People interested in performing at Friday's Jack Vance Festival of Worlds can volunteer here. The party and message boards are nearby.

## Daily Newsletter

Our crack newsletter staff is publishing several newsletters every day, with all the latest news from all over the con. The newsletters are found at various sites, including Information. If you have news for the newsletter (party info, lost objects, found children, whatever), leave it off at Information.

## Walt Willis Enchanted Duplicator Miniature Golf Course

Winding through Hall BC is the "Walt Willis Enchanted Duplicator Miniature Golf Course." Featuring holes built by fan groups from all over the world, the golf course is a challenging 10 hole, par 60 course. Though open from Thursday at 10A.M.,

the course will have its official inaugural event on Friday night, when Fan GoH Walt Willis takes his turn over the course.

Find out all about the wonderful world of zines and hecto. The Fan Lounge features Convention Center concessions and the promise of decent beer for sale. The Fan Lounge is located behind the Information Booth, and is open the following hours:

Thursday	11A.M.—11P.M.

## Science Fiction Retrospective Exhibits

In recognition of MagiCon being the 50th Worldcon exhibits have been developed to highlight the history of the field. These exhibits include The History of Worldcons, The History of Fanzines, The History of Bidding, The Portrait Gallery, World-Wide Fandom, History of Specialty Press exhibit, slide presentation of Worldcon Masquerades past.

The History of Fanzines exhibit encourages the current-day fan to travel back to the days of *Spaceways*, *Le Zombie*, *Quandry* and *Xero*. The exhibit features a feast of fanzine writing from the 1930s through the 1950s by such legendary fans as Walt Willis, Lee Hoffman, Donald Wollheim, Ray Bradbury, Robert Silverberg, Robert Bloch, Bob Tucker, Marion Zimmer Bradley and others.

The History of Worldcons exhibit includes the Program Book from each previous World Science Fiction Convention, playing cards, sets of stamps issued in honor of the convention, official Worldcon stationery, some T-shirts, a hat, tote bag and many badges, buttons and other memorabilia.

Banquet pictures from some of the World Science Fiction Conventions in the 50s and early 60s will be on display. We'd like your help in identifying people in these photographs. If you know who one or more currently unidentified people in these photographs are, please tell us!

The Portrait Gallery, a collection of about three hundred photographs of professionals in the science fiction community

The History of Bidding features the potpourri of gimmicks which silly groups of fans have used to win (or lose) the right to work themselves to a frazzle over the Bank Holiday or Labor Day Weekend. There are ceramic whales and bheer buckets and

coupons good for a backrub and rats and wooden shoes and a host of other ideas too fascinating to be forgotten.

Scenes from World-Wide Fandom displays material from around the world.

The History of the Hugo Award is your opportunity to see how the Hugo Award has changed over the years and how it's stayed the same. Information about each year's awards is posted beside the Hugo award display cases.

If you have material to contribute for any of these exhibits please contact Peggy Rae Pavlat at 5709 Goucher Drive, College Park, MD 20740 USA.

## Science Fiction Small Presses

Some say that W. Paul Cook started the SF small press; others hold with H. P. Lovecraft. There is credit enough for all. Throughout the past three-quarters of a century there have been hundreds of these presses whose output ranged from a single volume to hundreds. With the widespread availability of desktop publishing, we can expect even more small presses, each with its own vision. Many of these publishers have tables in the Huckster's Room. Others have their books sold there. by other dealers. Visit them! Support them! We will collect as many catalogues and flyers as we can for this exhibit.

## Fannish Time Capsule

We're collecting fannish materials for a time capsule, to be opened at the 100th Worldcon. Donations encouraged—fannish and SF memorabilia of all kinds. Donate the material to the Information Booth, and watch it become part of the exhibit! MagiCon is donating a full set of convention souvenirs and ribbons. Spider Robinson is donating his script for the Hugo Award ceremony.

This year's Worldcon Closing features the closing of the "100th Worldcon Time Capsule." Forward, into the future!

## Special Interest Tables

## Restaurant Guide

Listed below are restaurants in the vicinity (elastically defined) of the Orange County Convention and Civic Center. Although we have tried to gather the latest and most accurate information, there are bound to be a errors, changes and gaps.

Except where otherwise noted, none of these establishments has a formal dress code, but the more expensive ones appreciate at least a Florida version of "proper attire."

Restaurants marked in bold face are specially recommended by local critics, popular acclaim or members of the MagiCon committee. A letter or number in bold face in the listing corresponds to a letter or number on the Orlando map on page 54. An asterisk designates a restaurant that's open 24-hours a day.
