GREETINGS FROM THE CITY OF RENO!

I am pleased to learn that the World Science Fiction Society is considering America's Adventure Place to accommodate their 2011 Worldcon!

Reno is the perfect destination to host your event and you can expect to find a vibrant, progressive community with something distinctive to offer everyone: entertainment, fine dining, performing arts, museums, beautiful parks, shopping combined with the incomparable beauty of our surrounding high desert and the grandeur of the nearby Sierra Nevada Mountains.

When you select Reno your guests will have an opportunity to discover and enjoy Old West hospitality and many of the area's unique and historic sites. Lake Tahoe, Virginia City and Native American reservations are all within a short drive from Reno.

We welcome you to find out why groups such as the Volleyball Festival, American Legion and International Reading Association all find America's Adventure Place to be the finest location on the west coast.

I look forward to learning of your decision to select Reno and to welcoming your delegates in the fall of 2011!

Sincerely,
