The Main Programme takes place in the Convention Hall, which is downstairs from the main Hotel entrance. Also on that level may be found the Book Dealer's room and the Video/Audio Programme room, plus an area set aside for Dungeons & Dragons players.

The Alternative and Fan Programmes take place in the penthouse area of the Hotel where the Art Show is also located.

A further display area is located on the ground floor of the Hotel.
Hatched areas (////) indicate that a room is not in use.

In case of difficulty contact the Ops Room.
