All Members Are Responsible For Their Own Room Bills

ALBATON 85

july 19th-22nd 1985

WE have

HARLAN ELLISON

We, the people's ultra right wing marxist revolutionary guard for the twentieth of September Gang of 26, claim full responsibility for the recent kidnapping of Harlan Ellison. He is, at present, only being let out in order to write the occasional column or two, and to make the odd public appearance, cunningly disguising the fact that he's been kidnapped. If you want to see him again, and at the same time, get into a weekend of films, talks, bookdealers, quizzes, and all the silliness that makes Albaton one of the best conventions of the year, then here is all you have to do.

Just leave either attending membership with our drop address, or supporting membership, paying the balance at the door, and saving against any price rise, and we promise to deliver Ellison to Albaton 85, unharmed. If you don't pay up, then who knows what may happen? You could miss the best convention of the year.

We take memberships in cheques, and postal orders. Just send them to the address below. That is, if you know what is good for you.

By the way, we've also "invited" ANNE McCaffrey to be our "guest" for Albaton 85, so if you're sensible and pay up you'll get to see her too!

I enclose for (Number) Supporting/Attending memberships.

List any additional names and addresses on the other side of this slip.

Attending Membership £8
Supporting Membership £5
