SEACON PROGRESS REPORT 3

THE 35th BRITISH EASTER SCIENCE FICTION CONVENTION and EUROCON 1984 - COMBINED INTO SEACON '84!

AT THE METROPOLE HOTEL, BRIGHTON

APRIL 20th to 23rd 1984

Welcome to our third Progress Report, a little slimmer than the first two, but as time progresses, publishing schedules approach more rapidly and thus there is less to say. However, we've crammed in as much information as we can into these twelve pages and I'm certain that it'll prove useful to you.

A lot of things are happening right now, and the Seacon committee is perhaps busier now than at any other time throughout the three years since we held our inaugural committee meeting. A lot of water has flowed under the bridge since then, but we feel extremely confident in the way everything is gelling together and we know we'll be giving you something special this Easter.

THE COVER

Another cover drawn by our Art Show Man, Pete Lyon. For those of you who were at Novacon, the Seacon Ale bottle is no stranger. In this drawing, Pete has reproduced the original colour display into a black and white item with one or two interesting features. Our final Progress Report will depict our American Guest of Honour, Roger Zelazny.

THE POST FROM MANCHESTER

I regret to say that it looks as if the Manchester Post Office has done it again. Although Progress Report 2 was posted out to everybody in a two day spree in mid to late November 1983, a number of people have received it very late and there are those we know who have yet to receive it at all.

We are doing everything we can to rectify the position - indeed this PR will be going out from Birmingham, but I think that it's important that you know of the difficulties we have experienced. I formally complained have Manchester Central Post Office, but have had very negative responses. As a result, a number of you may not have received our Hotel Booking Form in time to return it to us before the January 1st 1984 cut-off deadline. There is a separate item about this elsewhere in this PR, but suffice it to say, to avoid any difficulties, we are sending out with this PR a further form to everybody. Please don't send back to us if you've already confirmed!

This matter of Postal problems is of particular note to our European Members and those from the Americas—there is plenty of time to submit your Booking Forms and you can rest assured that Pauline Morgan will be allocating the rooms as fairly as possible. We can't promise that you'll get your personal choice of room or hotel, but we will be doing all that we can to see that nobody is mis-treated.

HOTEL INFORMATION

A number of people have responded with their booking forms, but there is still a reasonable amount of

space left in both hotels. One thing to remember though is that whilst the Metropole is the main convention hotel, the Bedford is the only hotel to provide tea and coffee making facilities in the rooms. If this is a vital consideration to your personal preference, do let us know.

The room rates are:

Metropole: £16.10 per person per night for a double or twin. There are no singles left at all in the Metropole, so if you have yet to return your booking form, please bear this in mind.

Bedford: £14.95 for a double or twin room per person per night and £16.10 for a single.

All these prices are inclusive of V.A.T at 15% and a full English Breakfast. There will be no service charge.

There are also numerous cheaper Bed & Breakfast houses and small hotels within walking distance with rates starting from as little as 5 per night. In addition, there are a number of self-contained holiday flatlets on a self-catering basis. For full details of these it is advisable to book via the Brighton Tourist Board, and when returning your booking form, simply indicate this preference and we will send you a detailed brochure.

ALAN DOREY - EDITOR

CONFESSIONS OF A REGISTRATIONS SECRETARY - PAULINE MORGAN

I have always liked names. I used to collect them; long lists - boys names, girls names, Indian tribes, boats. When I of fandom, lying around in Oxford in 1969 and looked in the Programme Book, I realised that here was a potential source of names. I tested the water as Chairman of a Novacon (2) and an Eastercon (1977), but suggested John Brunner when with combining Eurocon an a and Eastercon expected the membership to rise above a thousand I saw my chance. As registrations secretary, I thought people would send me their names. And they do! And money as well...

At first they arrived slowly, three four a week. But now, convention before the (Pauline, of course, wrote this in helpful Editor). postman daily drops nine or ten envelopes onto the mat. The names coming! Looking down the growing columns I find fascination in them; very ordinary names and exotic ones, famous authors, infamous fans, the weird, invented and the unpronouncable.

Now the booking forms are begining to wing their way back to me like homing pigeons, it is essential to clear the mail regularly. On Wednesday nights Chris goes off teching and I am left alone with the week's pile. My pen is poised to write out the first membership card when the telephone rings.

"I haven't had a booking form yet"

"Spare beds for children?"

"Can I register 11 silly names?"

"Do you speak German?"

"Is Thursday night the one between Wednesday and Thursday or Thursday and Friday?"

"Can you give me exact details of the Programme?"

It is only the callers who ring at 8.30 on a Saturday morning that receive sharp treatment.

When the last letter has been replied to, the last PR sent out (if I have any left!), the cheques counted and entered in the paying-in book, I survey the clutter. The letters get filed, the membership data-bank (a column of cards two feet high) is added to.

Stamps, torn from their envelopes for donation to some unknown but worthy cause, sprawl raggedly across the desk and are gathered up and stuffed into a packet. Used envelopes litter the floor. I look around the room. Eighty beady eyes watch me. Each Gerbil gets one envelope and the air is filled with the sound of scratching, scrabbling and gnawing as the paper is reduced to minute pieces. (Wanted: Good home for efficient paper-shredder).

The next day brings another mail delivery and there are more names to add to the list. Who, I wonder, as I pick up the paper-knife, will it be this time?

FAN ROOM

FAN ROOM

As you probably know, Ian Williams has been co-ordinating the Fan Room for us, along with the rest of the Gannets. Unfortunately, Ian has had to recently withdraw his services because of a family illness which is now taking up much of his time. I am sure that you 'll join with me in thanking Ian for his valuable help so far.

Following Ian's departure, we cast around for somebody else to take on the job of co-ordinating the Fan Room. Fortunately, we had an ideal candidate already on one of our various committees - step forward Chris Suslowicz. All of Ian's plans and his Fan Room File have been passed to Chris who is now busy immersing himself in the task at hand.

Following our plea in Progress Report 2, Chris still needs as many of the local SF groups out there to contact him with regard to the provisions of their membership details, meeting venues and so on so that he can construct the display of British Fandom. Don't forget also, the local Group

Badge-Making competition, the Film Video Competition (Full details of any entry plus video format to Chris please) plus the various quizzes and competitions all with the usual lavish prizes.

For further information on the Fan Room, please contact Chris at:

111, Valley Road, Solihull, West Midlands. B8 2AG.

SEACON OPERATIONS

A convention the size of Seacon '84 needs a lot of Behind-the-scenes help to keep it running smoothly. We already have a few willing volunteers to work in Operations - that is the team responsible for the "administrative" side of the convention - but as the man said, "Your convention needs you!".

You will see how a convention is run, get to meet many famous personalities, and come to the exclusive gophers party. You will even get the best seats for the programme: the front row of each Hall will be reserved for convention helpers.

Operations also needs medics. If you are a qualified doctor or nurse and are willing to be on call for a few hours during the convention, your help would be welcome. You never know when a lift is going to crash!

SO IF YOU CAN SPARE HALF A DAY OR MORE TO HELP OUT AT SEACON '84, PLEASE CONTACT:

MARTIN HOARE, 45 TILEHURST ROAD, READING BERKS, RG1 7TT (Tel: 0734 588570)

KIDDIECON

The creche is coming together nicely now. We've already had a number of people saying that they will make use of it, but in order to assess the programming and logistics of organising all the youngsters, if there are any other potential users, please let us know as soon as possible.

There is no obligation to use the creche once you have put your name forward, so even if you only think you might use it, still let us know. It is expected that the crech will run from about 10:00 in the morning to at least midnight, but as we will be having at least one professional helper "sleeping" in. extended arrangements may be possible on an individual basis.

varied will be many organised for the activities youngsters, and as has already been mentioned, it will be run along the lines of a mini-convention itself. There will be cartoon drawing videos, shows, competitions, costume-making the masquerade and on Easter Sunday, one or two special events with an "Easter" flavour.

We do hope that you will fully support the creche becaue it certainly looks as if it will be the first properly organised one at a British SF convention. There is a fee of just £2.00 per child (as attending membership) to cover some of our costs and ensure that the creche is run in a professional manner.

If there are any volunteers who may like to help out, please let Rochelle Dorey know at the address below. In Progress Report £4 we will be publishing a a short list of guidelines on how the creche will be run, but in the meanwhile, if you do have any thoughts, do please let Rochelle know:

ROCHELLE DOREY - 22 SUMMERFIELD DRIVE, MIDDLETON, GREATER MANCHESTER, M24 2WW.

EUROCON

The Eurocon side of the convention is now shifting into top gear, but we are still dependant to a large extent on the willingness of people to come forward and contribute to the various activities that will be going on. Although these were listed in full in Progress Report 2, it won't do any harm just to repeat some of the more important items now:

BOOK DISPLAY - Publishers, please let us have your material!

FILMS AND VIDEO - Contact you national agent for the requirements, but we would dearly like to see and show visual material from as many visual sources as possible.

BOOK DEALERS - Consult your national agent for liason regarding bringing foreign language material into the convention. Remember, for most people, this will mean that we will provide you with a free table in the Book Room.

EUROCON SKIT CONTEST - As mentioned in Progress Report 1, we are running the Eurocon Skit Contest, rather similar to the well known Eurovision Song Contest. All SF groups throughout Europe are invited to produce a five or ten minute skit on anything connected with SF for this competition. All entries should be in English and submitted direct to:

MARTIN TUDOR, 845 ALUM ROCK ROAD, WARD END, BIRMINGHAM, ENGLAND, B8

Memberships

This is our current membership list and is corect up to and including December 1st 1983. You may find that although you signed up fairly recently, you have been allocated a low number. This is because there were a few numbers originally allocated to some pre-supporting people who have not converted to either supporting or attending membership. If they subsequently do this, then they will be allocated completely new numbers.

This list shows all those new members who have joined us since the last Progress Report, together with those pre-supporting or supporting members who have now converted to attending membership. In the following list the prefixes used are:

A - Attending S - Supporting

Our Guests of Honour have not been allocated numbers and are shown separately thus:

GUESTS OF HONOUR

PIERRE BARBET, JOSEF NESVADBA (European Guests)

WALDEMAR KUMMING (Fan Guest)

CHRISTOPHER PRIEST (British Guest)

ROGER ZELAZNY (American Guest)

A complete list of members, together with country of origin will be published in the Souvenir Programme Book, so it is essential that any errors in spelling etc are notified to us as soon as possible.

PROGRAMME

By the time you read this, the last but one Programme sub-committee meeting will have been held. At this meeting all the various strands of programming will be brought together and the Timetable finalised. There are very few gaps left now, and in Progress Report 4, Chris Donaldson will be telling you a little bit more about what will be happening.

The Programme Book, to be published at the convention, will contain full details, and there will also be a pull-out guide to the many and varied events. In addition, we will be arranging a Daily Convention News Sheet with all the latest updates and news and noticeboards will prominently display any last-minute additions or deletions.

However, there are still a few items which you, the members, can help us on.

Firstly, the University Challenge Quiz. This year, it will be known as The Trivia Bowl and will consist of eight teams of four people. There is an entry fee of 25 Starter Questions per team which should be sent, along with any queries to the organiser (Note change here please!):

TIM ILLINGWORTH, 63 Drake Road, CHESSINGTON, Surrey, KT9 1LQ

Secondly, the <u>SEACON MASTERMIND</u>, which will consist of four victims, each with their own Speciallised Subject. The Quiz Master will be BSFA supremo ALAN DOREY, who will try to keep everybody in line and interested contestants should write to the organiser:

CHRIS DONALDSON, 46 Colwyn Road, Beeston, LEEDS, 11.

We already have three contestants for the Mastermind, so if there are more than four in total, a Postal Eliminator will take place prior to the convention.

HOTEL BOOKING FORM

As mentioned in the introduction to this Progress Report, we are sending out a further Hotel Booking Form with this mailing. This is because a number of PRs have regrettably been delayed in finding their way to recipients and in order that everybody should have a fair opportunity of booking the room of their choice, we want to give those unlucky folk a second chance.

If you have already submitted a form, please ignore this second one.

We will continue to accept bookings until both Hotels are full.

Please note that on the original form, a type-setting error led to the transposition of dates under the Days of the Convention. This has been corrected on this second form and we apologise to those who may have been misled. The main conventions days are; FRIDAY APRIL 20th to MONDAY APRIL 23rd.

If you intend sharing a room and have made prior arrangements with a specific person, please tell us on the form, otherwise we will simply allocate you en-masse.

If there are any difficulties, or queries, do please contact Pauline Morgan on the HOTEL BOOKING HOTLINE: 021-777-2777

CLASSIFIED ADVERTS

DON'T FORGET! We are taking Classified Advertising in Progress Report 4 and in the Programme Book. It is an inexpensive way of contacting a captive SF market, so if you have something to sell, or a service to provide, or simply want to get hold of that elusive out-of-print book, Go Classified.

Our rates are:

BEST WISHES FOR 1984 ON BEHALF OF SEACON/EUROCON!

Our membership list, which already exceeds 800, promises to be among the most international for any SF gathering in history. Thanks to the meeting of the professional organisation World SF which immediately precedes the Seacon, a great many writers will be in attendance, several of whom have seldom or never been to a European convention, so here is a rare opportunity to meet them in person.

Please let me urge everyone to pay the membership fee as soon as possible! We cannot reserve rooms for people who are not members of our convention, and the two main hotels will shortly be sold out!

For those flying to England: choose a plane to Gatwick if you can (NOT Heathrow) because there is a direct rail-link from there to Brighton. Our final progress report will include a sketch-map showing routes to the city and the location of the Metropole.

Looking forward very much to meeting you - John Brunner

MEILLEURS VOEUX POUR 1984 DE LA PART DU SEACON/EUROCON!

Notre liste d'abonnés, qui a déjà dépasse 800, sera peutêtre la plus internationale de n'importe quel congrès de la SF. Grâce à la réunion de World SF (organisme professionnel) qui aura lieu juste avant la nôtre, beaucoup d'écrivains y participeront - dont plusieurs jamais vus auparavant parmi l'assistance d'un congrès SF en Europe. Voici une occasion presque unique pour en faire la connaissance.

Je conseille à tout le monde: versez vos frais d'inscription aussitôt que possible! Il ne nous est pas du tout possible de retenir des chambres pour ceux qui ne sont pas déjà abonnés au congrès et les deux hôtels principaux risquent d'être bientôt complets!

Pour ceux qui viennent par avion: si possible, choisissez un vol à Gatwick (pas à Heathrow). De là il y a un service de chemin-de-fer très rapide à Brighton. Dans notre dernier "Progress Report" on trouvera une carte avec les routes les plus importantes vers Brighton, expliquant comment arriver à l'hôtel Metropole.

En attendant le plaisir de vous y voir - John Brunner

HERZLICHE GRÜSSE FÜR 1984 VOM SEACON/EUROCON!

Unsere Mitgliederzahl ist schon mehr als 800. Vielleicht wird sie auch internazionaler sein, als bei irgendeinem anderen früheren SF-Con. Wir verdanken es zur Profi-Gruppe World SF, dessen eine Sitzung während der vorhergehenden Woche stattfinden soll, dass besonders viele Schriftsteller auch an unserem Kongress teilnehmen werden. Unter diesen gibt es mehrere, die sich nie vorher bei einem europäischen SF-Con befanden. Dafür wird es eine seltsame Gelegenheit geben, solche Leute persönlich kennenzulernen.

Ich biete allen, Ihre Kongressgebühr sobald wie möglich zu bezahlen! Wir können gar nicht, für Leute die nicht schon am Kongress untergeschrieben sind, Zimmer vorbestellen, und die zwei grössten Hotels werden kürzlich komplett sein. Wenn man mit Flugzeug nach England fährt, so ist es leichter durch Gatwick (nicht Heathrow). Davon rennt ein schneller Eisenbahnzug nach Brighton. In unserem letzten Progress-Report wird man eine Karte finden, mit allen gewichtigsten Wegen nach Brighton und auch dem Metropole-Hotel darin.

Bis zu unserer Ostern-Treffung - John Brunner

SEACON 84 ADOPTION SCHEME

What we would like to arrange in the name of international friendship is an adoption scheme. Of course donations would be very welcome as well, and a fund may be set up for our visitors; but much more satisfying, we feel, would be for fans or groups of fans to adopt a foreign visitor for the duration of the convention, (though who can tell what friendships may be struck up in this way).

This is the way we would like to work it. Any fan or group of fans who would like to adopt a foreign visitor should write to me, Colin Fine, stating whether you have any preference as to nationality or a particular person you might like to meet. Similarly, any visiting fan feels that they may difficulty with living expenses during the con should also contact me and I will try and put the two in touch. The idea is that the "adopter" should look after "adoptee" during the con in a way agreable to both parties: sharing a hotel room, perhaps, or providing somewhere to stay; taking together and so on. It further international relations, too, if the "adopter" entertain the visitor for a time before or after the con - take him or her to other fannish gatherings or just to their own home.

Let's show everybody just what fandom can be like!
