PROGRESS REPORT 4.

Good morning people!

Glad to see you're still with us, and a hearty welcome to those of you who have just joined us.

Your ever-faithful committee had been hard at work sorting out lots of exciting programme items for you. Films, fantalks, protalks, parties, auction..... Oh! what lucky people you are. You're going to have such a wonderful Con..... I wish I could be there (What am I saying? I will be there, won't I?).

We'll fit as many of you as possible in the con. hotel, but the New Victoria (the overflow) Hotel is only a short walk away. Please remember we don't want to ask people to change hotels half way through the con. so those who stay two or three nights will be given priority in the con. hotel over those who stay only one night.

Don't forget to order your ticket for the greatest event of the year. "The Galactic Buffet" where among other things, Ken Bulmer will be presenting the "NOVA" award to the editor of the best British Fanzine.

Next time we'll send all the "how to get there" info etc.

See you then,

SCIENCE-FICTION AND FUTUROLOGY

a weekend course to be tutored by JOHN BRUNNER & PROFESSOR JOHN TAYLOR

FRIDAY 9th - SUNDAY 11th NOVEMBER

John Brunner is well known as a writer of Science Fiction and John Taylor, Professor of Mathematics at London University, is a leading expert on Futurology. The combined experience of these writers cover a very wide field and bodes well for the success of the course. Whilst we expect that it will centre on the writing of Science Fiction we cannot predict what form the course will finally take. It will very much depend on those attending the course. IT IS UP TO YOU. So if you are interested in Science Fiction, whether you have any experience of writing or not, do come along and join us.

The Course will take place at TOTLEIGH BARTON MANOR, a fully modernised 11th Century farmhouse, set in the heart of the most unspoilt part of Devon.

Fee (fully inclusive): £9.
