Please note that the RIGHT HAND SIDE of the con hall has been designated a NON-SMOKING AREA. If you wish to smoke during a programme item, please try to find a seat on the left.

PROGRAMME NOTES

THE LOST WORLD is a rare chance to see this silent classic with a live piano accompaniment.

THE ARTHUR FREEMONT MEMORIAL AWARDS are presented by Graham Parry of the Anglicon committee -- the man who does for panel games what Perry Rhodan did for the novel as an art form.

Participants in the LOGAN'S RUN are reminded that the committee insist on inspecting all prop weapons before the start, and will confiscate anything potentially dangerous.

Anyone attending the convention in FANCY DRESS is reminded that all bladed weapons must be peace-bonded by a committee member, and may only be drawn during the contest by prior arrangement.

THE BIDDING SESSION sees the Oxcon committee pitted against Hold Over Funds for the honour of hosting Unicon 5. Come along and vote, and find out what's happening next year.

THE BUSINESS MEETING is your chance to meet the committee, and give us and our successors some valuable feedback.

ATTACK OF THE FIFTY FOOT TURKEY. All the money raised from the Stop Us Reading session will be passed on to the Dot Owens Fund. This has been set up to help an active and popular Trek fan suffering from cancer.
