I'd like to invite you to attend Minnesota's oldest science fiction convention. I'm in the early planning stages at this time, but I hope to bring back a number of things from Minicons past, as well as introduce some new items. There will be programming panels, talks and lively discussions, music, video programming, and, of course, parties. If you have ideas and suggestions, please contact me as soon as possible. I will include as many good ideas as feasible, and welcome all suggestions. I hope to see you on Easter weekend of 2006.
