WELCOME

Minicon 52 looks to the skies and celebrates all things space – space ships, space travel, space opera, space pirates, space camp – and adds some real astronomy to keep us grounded. With a focus on hard science, we will explore what SF has gotten right and what is just wistful fantasy. Toss in some fantasy to give us a break from the hard science and Minicon 52 has something for everyone! Programming is currently in the Giant Swirling Vortex of Ideas stage, as we match our interests to our resources and proclivities. If you have particular topics or events you would like to be considered, drop an email to programming@minicon52.mnsth.org and we will add it to the mix.

CONSUIITE

The consuite will be open all weekend and provide a thoughtful assortment of snacks, drinks and surprise protein events. Consideration has been made for our gluten-sensitive members as well. It is, however, a lot of work to make all this food magically appear, so please consider volunteering to help in the consuite!

BAR

As always, the bar will be the perfect escape from the harsh light of day. We will have beer and cider on tap, as well as wine and both varieties of Blog. Prösth!

KLATSCHES

Klatsches are opportunities to meet with the Guests of Honor in a small group setting. They generally involve coffee, tea, wine...or whatever the GoH's beverage of choice is. Space is limited, however, so look for sign-up sheets at the registration desk.

PARTIES

If you or your organization would like to throw a party, now is the time to let us know! Would you like to promote a bid for another convention or just have a karaoke machine gathering dust? You should have a party! Send an email to parties@minicon52.mnsth.org and let us know your details.

NEXTGEN

NextGen is a place for teens to play board games, watch movies, and hang out with other teens at Minicon. We have a lot of different board games, movies, and will have a schedule of planned events throughout the weekend.

RUMPUS ROOM

The Rumpus Room is our place for kids programming, craftiness and other fun stuff. As always, there will be puzzles, games, toys and art materials available to play with. There will also be structured kids activities and events all weekend.

GAMING

The gaming area will have a wide assortment of video and table-top gaming. We will have a selection of new games as well as old favorites!

MUSIC

Minicon will again feature music, both in scheduled concerts and in open music circles that usually go until the last of us drop over.

CINEMA OBSCURA

Cinema Obscura's slate of fascinating films includes unique documentaries, full length narratives and shorts that will appeal to SF fans. Stay Tuned!

DEALERS' ROOM

The Dealers' Room will once again be a cornucopia of SF related items. If you are interested in being an exhibitor in the dealers' room, refer to our rules and rates on the website at www.mnsth.org/minicon52, or write and we'll mail a copy out to you.

ADVERTISING

Do you have a service, event or convention you would like to promote in our program book? Please send an email to pub.ads@minicon52.mnsth.org

ART SHOW

The Minicon 52 art show is a non-juried show open to all artists who'd like to submit artwork with a science fiction and/or fantasy theme. Regardless of the media you work in — traditional, digital, fiber, sculpture, etc. — you are welcome. Most art is for sale, although some may be just for show. Art can be bid on or, if the artist chooses, be purchased at a set price.

Volunteers are needed for set-up and tear down, and to fill in during lunch-breaks. In addition to the art show, we will have art-based activities and programming in the art show area. We haven't yet finalized these events, so if you have ideas, please email Alec at artshow@minicon52.mnsth.org.

All artists under the age of 18 can hang their art for free at the Minicon art show (no hanging fees!). Please limit the number of pieces you submit to 5 per person due to limited hanging space.

If you would like to mail your artwork to the convention beforehand, go to www.mnsth.org/minicon52/artshow for the forms and Art Show guidelines.

VOLUNTEERING

Want to get involved? There are plenty of opportunities to help out before and during the convention. We are looking for someone to drive the truck to and from our storage locker during move-in and move-out.

We also have specific opportunities for people to help out with programming, publications, gaming, the dead dog party, and other departments. Send an email to volunteers@minicon52.mnsth.org. There will also be a sign-up sheet at the registration desk at the convention.

CODE OF CONDUCT

If you have any questions about the code of conduct, please refer to the Minicon 52 Code of Conduct at www.mnsth.org/minicon52. Minicon's full Code of Conduct will be posted on our web page. If you have questions or concerns before the convention, please feel free to contact us at coc@minicon52.mnsth.org.
