Glitter is available by request, but it may arrive unbidden, like the Spring's first weeds.

Glitter is also available as a free download at:

Welcome New *Glitter* Readers!

Greetings to all the fans receiving *Glitter* for the first time. Chris Garcia, chairman of the 2011 Corflu, has now provided us with the membership list. We're also adding a number of others to the Direct Circulation list, which now has about 300 names. In addition, *Glitter* is available as a free download at Corflu.org. All back issues are also posted on the site or you can request them from me (crossfire4@cox.net).

Corflu Glitter is the 29th in the series of what has become the world convention for fans who write, draw, publish and post for Fandom. A pre-con party, hosted by the Vegrants, kicks off the fun on Thursday. The next three days feature a light program, plenty of special events, a gala Sunday banquet, the presentation of the Fan Achievement Awards and nearly round-the-clock partying.

Those back issues of *Glitter* can fill in a lot of specifics.
Got questions? Send 'em to me.

Corflu.org: Under Construction

Thanks to Corflu.org's esteemed web host Bill Burns, the URL leads to a functional, fact-packed site. Corflu Glitter webmaster Tom Becker is in the process of making a good resource even better.

Tom is building a fresh version of Corflu.org with even more goodies. Tom has pretty much overcome the liability of my help and expects to premiere the "new" Corflu.org very soon. We'll have more details when Tom is ready to throw the "on" switch.

Audio and Video at Corflu Glitter

The three Techno Titans of the Corflu Glitter Electronic Media Corps – JoHn Hardin, Don Miller and Peter Sullivan – are planning the most ambitious audio and video presence at any Corflu to date.

Here's what they have in mind:

The **Virtual Consuite**. Fans around the world will be able to interact with revelers in Corflu Glitter's Main Consuite and tune into the speeches and presentations at the banquet on Sunday.

Video Proceedings. We plan to tape the formal program and incorporate footage into a Corflu Glitter Memory Video that will be available as a free download.

Roving Videographer. Each day, Corflu Glitter's intrepid video journalists will circulate among the fans with a question of the day. Don Miller will edit this material for distribution.

Audio and Video Entertainment. Don Miller will present a varied program of video and audio of interest to fans on Saturday evening in a

Happy Birthday to... Me!

Tomorrow, July 2, is my 65th birthday. We'll be celebrating at the Ve-grants meeting fortuitously scheduled for the first Saturday in the month. *Neon #5* will have the gory details.

Numerologists may wish to take note of the fact that this is the 17th issue of *Glitter* and I produced my first fanzine (co-edited by Lenny Bailes) at age 17.

Nominate for the 2012 Lifetime Achievement Award

The nominations phase is in full swing for the 2012 Lifetme Achievement Award. This is your chance to help salute a renowned fan for long and meritorious contributions to our Fandom.

Just hit "reply" on the email to which *Glitter* is attached. Change the subject line to "LAA" and the name of your nominee and press "send." The Judges (Joyce Katz, Andy Hooper, Chris Garcia, Ted White and Art Widner) will choose the recipient from among the three-to-five most frequently nominated fans.

Adieu, Until Next Time

No more room this week, but it's likely that *Glitter #18 will be coming your way next Friday*. Meanwhile, keep fanning! — Arnie
