### Sandra Bond Named Quiz Master

Corflu Glitter is proud to announce that Sandra Bond has accepted the post of Corflu Glitter Quiz Master. Sandra will construct the two, 20-question tests that will constitute the Corflu Glitter Trivia Challenge. She'll also supervise the grading of the entries and will announce the winners in the "at Corflu" and "at home" divisions.

"Sandra Bond has distinguished herself in fannish trivia competitions at Corflus in Las Vegas and elsewhere," notes Corflu Glitter Chairman Joyce Katz. "To fans here, she is the ultimate Trivia Champion, so we're especially pleased that she was willing to forgo the fame and glory of winning the Corflu Glitter Trivia Challenge in order to preside over the event."

The Corflu Glitter Trivia Challenge will give all Trufans, not just those actually at Corflu, the chance to display their fanhistorical knowledge. Two tests, one for Corflu attendees and the other for stay-at-homes, will be distributed at the start of the programming on Saturday and collected before the New York Fandom Reunion Party on Saturday.

The highest-scoring fans in each contest will be honored at the banquet on Sunday.

### The Corflu Glitter Countdown

At the risk of compromising the credibility of the Corflu Glitter Countdown, we are forced to confess that this figure must be regarded as tentative, pending the possible end of the world (as we know it).

It seems that someone told someone else that the world will end on October 21 (or maybe October 22) and now there are tee-shirts and everything.

The same oracle also predicted the end of the world last May 21. Apparently, this prophecy was not fulfilled, so he has made another.

*Glitter* would never denigrate anyone's religious beliefs. Therefore, the phrase "gullible schmucks" will not be used in this issue with regard to those who believe that prediction.

### Local Vegas BNF Passes

Frank Harwood, one of the founders of local Las Vegas Fandom, died on October 2 at age 59, after a succession of serious medical conditions.

Frank Harwood was one of the few who responded to Alex Borders' flyer about a meeting at the Clark County Library in late 1990. A week later, he took part in the much larger meeting at the home of Ken and Aileen Forman.

A huge, friendly man, Frank Harwood was a regular at SNAFFU meetings and the monthly Socials in the early and mid 1990's. Illness had prevented his participation in local fan events in recent years.

Our sincerest condolences go to Frank's friends and family. He was a good and gentle fan.

### Just Say 'So Long'...

This isn't "good-bye," unless the end of the world occurs before *Glitter #33* hits Fandom's inboxes next Friday. At worst, it'll give you something interesting to read while you're waiting for the Final Trumpet. Or if the world should happen to continue uninterrupted, you'll get even more information about next April's Corflu Glitter.

Meanwhile — keep fanning! — Arnie
