Art Show Docent Tours

We borrowed the word "docent" from the museum world, where it means a person who leads folks around pointing out things worth looking at.

At Westercon 57 we'll have a mixture of docents, fans and pros, men and women, interesting, knowledgeable, articulate, opinionated. Usually the tours run half an hour to an hour. Here's the latest schedule, check in the Art Show for updates and/or changes.
