The 53rd World Science Fiction Convention

PROGRAMME QUESTIONNAIRE

The '95 Worldcon in Scotland plans to be Intersection by name and Intersection by nature. The convention's themes are 'The Gathering of The Fannish Clans' and 'Space and Time', and much of the programme will be about the way different genres and forms affect each other, but we'll be making sure that each stream has interesting items of its own. As such we are interested in your ideas. We are planning to use this questionnaire as a way of getting new and popular items to include in the programme. **THIS FORM IS NOT AN INVITATION TO ATTEND AS A PAID GUEST.** Unfortunately our budget does not allow for this. Participants other than the Guests of Honour, Guest Artist, and Toast Mr and Mrs will be drawn from the membership, those people who have paid their registration fee and are attending the convention. We are planning to make this

a varied and packed programme and need your help to tailor it to your interests.

After this first form we will send a more detailed follow up letter to those people who have volunteered ideas and services. We would be most grateful if you could complete (in Block Capitals) and return this form as soon as possible. We want to try to have all replies by Christmas 1994 in order to consider them for the programme. There will be some constraints on what we are able to do, such as legal restraints, finances, resources and time, so please do not be offended if your ideas / suggestions are not used. We will be most grateful for any ideas or information we receive.

And now - the bit you've been waiting for... Your chance to tell us what you really want (and what you really don't want). Don't be afraid to write down fuller details on a separate sheet if they won't fit here.

1) I'VE GOT AN IDEA...

2) I WANT TO SEE...

(Please include your suggestions on details, participants and any other relevant information)

3) IT'S NOT WHAT YOU KNOW, IT'S WHO YOU KNOW...

(If you are friends with or have contacts with people who can help with information, exhibits, programme items, publicity, etc., and you think we should know about them then please help by putting us into contact with them. Please obtain permission first where this is necessary).

4) IF I CAN HELP...

(We always need help with participants, but also with stewards, technical helpers, etc. While experience is a bonus, everyone starts out at the beginning so don't feel excluded from volunteering. It's a great way to meet people. Please drop us details if you haven't already filled out a Volunteers Form)

5) MY FAVOURITE BITS ARE...

6) MY PET HATES ARE...

7) I ALWAYS GET BORED AT...

(Please mention any times that you find a lack of things to do, such as evenings etc.)

Don't be afraid to give too much information, or cover more than one aspect of the programme. Write your responses on a separate sheet if they won't fit on this one. We'll be happy to look at any suggestions, however odd or bizarre they may seem.
