Editor's Notes

Welcome to the LoneStarCon2 Pocket Program. I designed the Pocket Program compact and kept the contents succinct to ensure you could actually fit into your pocket and conveniently carry it around. It is your quick reference to the days, times, and locations of the convention's programming items and special events.

LoneStarCon2 has hundreds of programming items and special events with over 500 participants. If we do not have something for everyone, we come close. Whether you are interested in a topic in general, a specific item or event, or a specific author, artist, editor, or other personality, you should be able to find what you are looking for using the Pocket Program. Reading the "How to Use this Pocket Program" section would be a good place to start your enjoyment of the convention.

Since we went to press a month before the convention, additions, deletions, and changes are inevitable. Pink sheets with any corrections

will be published and distributed at the convention.

Thanks to the Programming staff, especially A.T. Campbell, for giving me an electronic copy of the programming database in a useable format, without which this publication would not exist. Special thanks (if thanks is the right word) to Randy Shepherd, Vice-Chair, for recruiting me to be the Pocket Program editor and David Thayer, Head of Publications, for giving me the latitude to make my vision as much a reality as time and money would allow. Genuine thanks to Shaun Lyon, editor of the L.A con III Pocket Program, for all the ideas I shamelessly took from his publication, and to all the editors who came before from whom he borrowed.

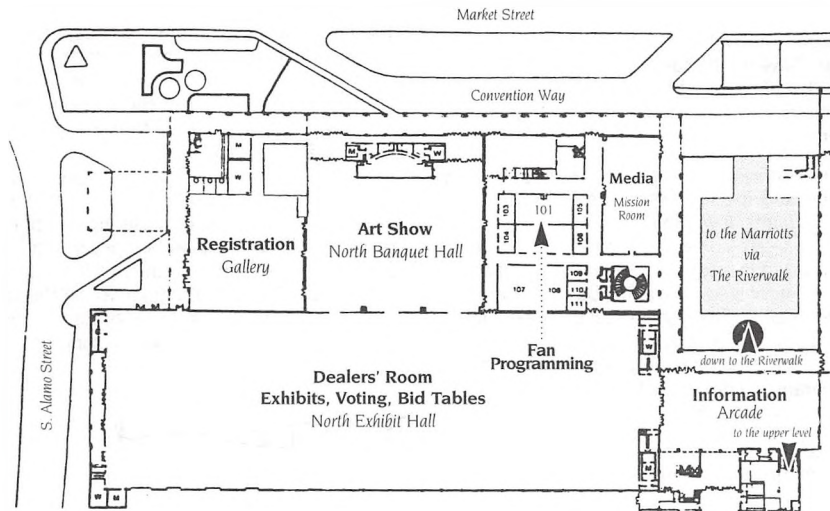

A handwritten signature in black ink that reads "Bill Child". The signature is stylized, with the first name "Bill" written in a cursive-like script and the last name "Child" in a more upright, blocky script. There are some horizontal lines above the signature, possibly from a previous page or a correction.

OVERVIEW

The Second Occasional LoneStarCon Science Fiction Convention & Chili Cook-Off

How to Use This Guide

To assist you in locating a particular programming item in this guide, each one has been assigned a unique code. This useful code, which may seem rather cryptic at first glance, is actually the day, time and location of the specific panel in a condensed format. The key to this code is as follows: the first two letters are an abbreviation of the day of the panel. These are followed by four numbers which are actually the hour (in military time) that the panel starts. Next are two letters representing the building and finally the actual name or number of the room in which the panel is located. For example: Sa1400cc-101 means this panel begins Saturday at 2 p.m. in the Convention Center room 101.

For those of you who find all of this too confusing, or if you truly hate trying to decipher military time, we have included the place and time in a more traditional format directly below the name of the panel.

The times listed in the tabs are for the first programming item listed on that page, not for all the items that appear on that particular page.

Also included are an index of participants for cross referencing with the schedule, and maps for locating the function rooms. Readings and Kaffeeklatsches and Literary Teas appear in separate lists, as well as within the schedule.

CC - Convention Center

RC - Marriott Rivercenter

RW - Marriott Riverwalk

In addition to providing you with a convenient schedule of events at the Con, this guide also contains the definitive list of what to do and where to go in San Antonio. And more importantly where to eat. This fannish guide was written, compiled and edited by the good people of Ursa Major, a local San Antonio fan group and all around great bunch of people to whom I am eternally in debt.

Game Novels: The New Midlist

CC Room 207 • 4:00PM-4:50PM

Writers who used to survive writing middling-popular sf and fantasy novels are now turning to sharecropped stories based on game worlds. Why? Game designers, coming from the other direction, are using these game novels as entries into sf and fantasy. What do they bring to the field? Are these trends good, bad, or both?

PROGRAMMING

OPENING CEREMONIES

HOWDY Y'ALL AND WELCOME! If you enjoy a good show, then stroll on down to the Opening Ceremonies and eyeball some trick roping, gun twirling, and fast draw. Hear Texas fibs and whoppers and some old-fashioned cowboy music. On Thursday night, August 28, 1997, at 7PM LoneStarCon2 Opening Ceremonies will take place in the Marriott Rivercenter Grand Ballroom. Let this year's WorldCon welcome you to the Lone Star State in friendly Texas fashion. Don't y'all miss some of the best entertainment that Texas has to offer. Those attending this year's Opening Ceremonies will definitely leave with a fond and amusing memory of the Lone Star State and LoneStarCon2 that will last a lifetime. This event will whet your appetite for everything else we have in store for you during the rest of the weekend.

INFORMATION DESK

If you have any questions about the convention like who, what, when, or where, you can ask at the Information Desk. The desk will be located in the Convention Center Arcade beside the escalator. Volunteers will staff it daily during the convention from

10:00 a.m. to 6 p.m. Near the Information Desk will be the professional Tourist Info Kiosk for any questions about San Antonio.

LoneStarCon2 continues of the tradition of the Voodoo Board for friends and fans to contact and communicate with each other at the convention. The board, a series of panels posted with the names of all the members of the convention, will located near the Information Desk. Come by early and check off your name to indicate that you have arrived. To leave a message for someone, place a colored (or coloured) pin beside their name, write the message on one of the cards provided, and file it in the appropriate alphabetically arranged box.

The Information Desk will be information central for parties. If you are throwing an open invitation party, drop off the specifics here. We will create a listing for quick reference by those who want to party. The Information Desk will also be a distribution point for the Daily Newszine and collection point for those wishing to contribute to it.

VOLUNTEERS

WorldCons would not function without volunteers,

10:0

PROGRAM

escorting program participants to their panels, staffing the Information Desk, distributing the Daily Newszine, checking badges at the doors. If you wish to volunteer to help, whether for an hour or more, ask at Registration or the Information Desk. Sign-up is at the Gofer Hole. We plan to give out special volunteer t-shirts to those who contribute a certain number of hours.

PRESS INFORMATION

The LoneStarCon 2 Press Office will open in Room 108 of the Convention Center at 9 AM on Thursday morning. Members of the fan press are welcome to use this facility. We'll offer press releases, we'll help you get interviews and do whatever you need to help you cover the convention's activities. If you have any questions, stop up in the Press Office, or call the Press Relations cell phone at 210-601-5343

DAILY NEWSZINE

The Daily Newszine, with regular morning and evening editions, will provide you with all the latest late-breaking information and entertainment on the convention. The newszine will include news on the Hugo Awards (immediately after the Ceremonies) and Masquerade, party reports, programming changes, editorial cartoons, celebrity photographs, and a few

surprises. Copies will be available free to members in the Con Suite, located in the Marriot Rivercenter, and the Information Desk, located in the Convention Center (and other locations depending on distribution demands). Different editions will be clearly identified with different colored paper and edition numbers. Individuals wishing to contribute news, features, cartoons, photographs, or comments can drop off their contributions at the Information Desk or the Newsroom itself, located in the Marriot Rivercenter. Get your copy of the latest edition today!

VOTING

Site Selection for the 58th World Science Fiction Convention, which will be held in 2000 C.E., and for the 1999 NASFiC will be open from 2 PM. until 6 PM on Thursday, August 28th, from 10 AM to 6 PM on Friday, August 29th, and from 10 AM to 6 PM on Saturday, August 30th at the southeast corner of the Exhibit Hall. Only members of LoneStarCon2 are eligible to vote.

A voting fee of \$40 is required to participate in the selection of the 58th Worldcon. A voting fee of \$20 is required to participate in the selection of the 1999 NASFiC. Voters are guaranteed a supporting membership in the convention(s) they vote on.

CHILI COOK-OFF

The tradition we started in 1986 at the first LoneStarCon continues. The Chili Cook-Off will be held in the Con Suite in the Marriott Rivercenter Hotel Friday, Saturday, and Sunday nights. Enthusiasm for the cook-off from fans around the country and world has been overwhelming. Y'all come sample their entries and vote for your favorites. A 25c voting fee will be collected to be donated to the San Antonio Public Library. Plenty of drinks will be available to quench your thirst if the contest gets too hot for you.

HUGO AWARDS CEREMONY

Officially a WorldCon is required to host on only two events: the Hugo Awards Ceremony and the Business Meeting. We won't talk about the Business Meeting. But the Hugo Awards are something special. If you have ever seen "Hugo Award Winner!" on the cover of a book and wondered where it came from, here is the source. The awards have been presented at every WorldCon since 1953, except one, to the best in the field. They are like no other awards in the world. Every member of a WorldCon (fans and pros from around the world) is eligible to nominate and vote in every category. Only the Voting Administrator knows the names of the winners before they are announced at the Hugo Ceremonies. Many of the nominees, top-name authors, artists, editors, and fans, dress to the nines for the ceremonies. Come Saturday evening to applaud the nominees and cheer as the winners accept their gleaming silver rockets. The WorldCon is not the WorldCon without the Hugos.

MASQUERADE

Where else can you see live Tharks from Barsoom armed to the teeth, animated protons smashing into each other, well-dressed spacemen, regal maidens and rogues? The most talented amateur costumers in the world come to WorldCon to show off. And the

10:0

PROGRAM

The Second Occasional LoneStarCon Science Fiction Convention & Chili Cook-Off

Masquerade is their showcase. With music and lights, they each get their moment on stage in front of the audience and the judges. Come Sunday evening and be dazzled and amazed by their craftsmanship and showmanship. Awards are given for Best of Show and best in individual categories. The winners come back on stage for a bow, and of course more audience applause.

CHESLEY AWARDS

The Association of Science Fiction & Fantasy Artists (ASFA) annually awards the Chesley Awards for excellence in science fiction and fantasy art. (The awards are named for Chesley Bonestell, famed astronomical illustrator.) The presentation ceremony will be held Friday evening, followed by an artists' reception. Both the ceremony and reception are open to all convention members. Come help ASFA honor the Chesley Award nominees and winner. Afterwards partake of food and drink as you mingle with the artists amid their work in the LoneStarCon2 Art Show.

EXHIBIT HALL

On your way to the Dealers' Room, look around the Exhibit Hall. There you'll find tables, booths, and displays featuring the future WorldCons, NASFiCs, fan history, publishers, media companies, and author and

artist photo gallery. All autograph sessions will be held in the Exhibit Hall (look for your favorite authors and artists in the schedule). On stage in the hall, live performances will be presented throughout the day. A concession stand will be open to provide refreshments.

FAN LOUNGES

LoneStarCon2, the Worldcon so big it brings you *two* Fan Lounges! During the day we'll be in Room 101 at the Convention Center. We'll have fanzines for sale and display, an adjacent function space for Fan and Special Interest programming, coffee in the mornings, and a Cash Bar from 1:30 PM to 5:30 PM.

The day lounge will close around 6:00 PM, and the evening fan lounge will open around 7:00 PM in Room CR 7 at the Marriott Rivercenter. Fan groups which would like to host events in the evening are invited to contact us.

SO WHAT IS A FAN LOUNGE, ANYWAY?

This room is many things to many people -- a watering hole, a gathering place for fannish chitchat and general socializing, a sales area, a reading room. Drop on in to grab a cup of joe, to browse the current crop of fanzines as well as preserves put up by our fancestors, and to hang with the cream of fanzine fandom. Ideally

The Second Occasional LoneStarCon Science Fiction Convention & Chili Cook-Off

we'd like to have displays of fanzines old and new, freebies from those wishing to rid themselves of their fannish excess (so to speak), and fanzines for sale.

We'd like to hear from any fans who are willing to host special events in the lounge throughout the weekend – or just to hold down the fort for a while. (We promise no hostile legions will amass outside the mission gates on your watch.)

FAN PROGRAMMING

THE FANNISH SIDE OF LIFE. Fan Programming will concentrate on several areas, beginning with introductions for the newer members of our community and refreshers for the old, designed to explain who we are, what we're doing here, and what we're all about. We'll also discuss the history of fandom: the legends, crazy stories and serious analysis of our unusual subculture's past. Finally, we'll discuss and debate the current issues, social questions and latest trends of fandom.

GAMING

Gaming at LoneStarCon2 includes a full program of panels of interest to gamers and non-gamers alike, with special emphasis on the ways gaming has influenced science fiction and vice versa. Look for a panel on "Elric: The Games" with Michael Moorcock and Chaosium's

Charlie Krank (publisher of the ELRIC! roleplaying game) and another on "H. P. Lovecraft's Cthulhu Mythos: The Games." Plus panels about novels set in game-worlds, games licensed from novels, and some of your favorite sf writers in "I Used to Write Games, But I Got Better." We also have interviews with such gaming luminaries as Steve Jackson, Michael A. Stackpole and Greg Costikyan.

There is a large 24-hour Open Gaming area in the Marriott Riverwalk (Alamo C). Bring your favorite card games, work up a roleplaying adventure, or set up a division-level simulation of World War II's European Theatre.

Look in Open Gaming for free demonstrations by representatives from Wizards of the Coast and Iron Crown Enterprises. Wizards will be showing off Portal, the introductory Magic: The Gathering trading card game specially designed to teach the rules to absolute newcomers. Even if you've never seen a card game before, try it out! Then go over to the Iron Crown tables, where you can learn the Middle-Earth: The Wizards trading card game based on Tolkien's *Lord of the Rings*, or play the deep-space miniatures game Silent Death. It's all free to LoneStarCon2 members, so come on by!

PROGRAM

*The Second Occasional LoneStarCon Science Fiction Convention & Chili Cook-Off***CHILDREN'S PROGRAMMING**

LoneStarCon2 has a special Children's Programming track for our younger fans. The programming items include readings, interactive presentations, and activities and are clearly marked in the schedule. We are eager to encourage the imagination of children, who are the future of science fiction and fantasy. Parents, of course, are welcome.

BABYSITTING

Babysitting will run in a suite on the fifth floor of the Marriott Rivercenter Hotel (the main hotel), and will be open the following hours:

Day/Date	Day Hours	Dinner Break	Night Hours
Wed, Aug 27	9am-5pm		
Thur, Aug 28	9am-5pm	5pm-7pm	7pm-11pm
Fri, Aug 29	9am-5pm	5pm-7pm	7pm-11pm
Sat, Aug 30	9am-5pm	5pm-7pm	7pm-11pm
Sun, Aug 31	9am-5pm	5pm-7pm	7pm-11pm
Mon, Sep 1	9am-5pm		

A child with a child's membership is entitled to 6 hours of babysitting during the convention at no additional cost. Staff members with children will get up to 4 hours a day of babysitting. Program participants with children will get 2 hours of

babysitting around their program item (except between 5 PM and 7 PM). Any additional hours for these children, and any hours for "Kids-in-tow" (kids without their own memberships) will be \$5.00 an hour.

Late Fees: We hate to do this, but we know how late fans can be. If you don't pick up your kids before 5:10 (for dinner) or before 11:10 (at close of Babysitting), you will be charged an extra \$5.00 for every 10 minutes you're late. Please be considerate of our sitters and of your children and try to be on time. If you're late at any other time, you'll be charged \$5.00 for each hour you're late.

If you plan to use Babysitting, please stop up Wednesday afternoon or Thursday morning, fill out a child information form (Name, Age, Parents, Medical Conditions, the usual) and estimate which hours you'll need babysitting for. That will help ensure that we've hired enough sitters for the Worldcon.

Babysitting is being managed by the Northside Sitters Club, a group licensed by the state of Texas.

AUCTIONS

Science fiction fans and WorldCons have a long tradition of contributing to worthy causes, either directly, through convention profits, or through

The Second Occasional LoneStarCon Science Fiction Convention & Chili Cook-Off

auctions. LoneStarCon2 is sponsoring five auctions: Real Musgrave Scholarship Fund, SFWA Medical Emergency Fund, Pediatric AIDS in Central Texas, TAFF and DUFF, and Ursa Major Brown Bag Book Auction. Generous fans have contributed a wealth of neat art and stuff. Check the schedule for exact times and places. Then show up with your bids and money to support your favorite causes.

TOURS

Don't forget to join our late-night, one-hour barge cruise, departing at 10 pm on Thursday, Friday, Saturday and Sunday nights and returning by 11 PM. These charters leave from the Marriott Riverwalk Hotel. Sign-up for the each charter takes place at the Information booth in the Convention Center. The cost is just \$2.00 per person (the standard barge trip is \$4.00). Sign up early in the con – each barge can take only 40 people. If there's enough interest, we might be able to add additional barges at the con.

ANIME ROOM

Hosted by Phoenix Entertainment (the Project: A-Kon people), we plan to bring you the best and the newest available in the country. Anime is Japanese Animation, striking in it's appearance and adult (mostly) in it's theme and content, these are not

"kiddie cartoons", but rather, dramatic, comedic, action-packed, sometimes thought-provoking viewing, that happens to be animated. Much of it has a science-fiction flavor, as an added bonus! Give it a try! Titles shown will be subtitled or dubbed in English. Look for a full schedule posted on the door of the room, and handouts will be available to give you basic plotlines for the shows. Also, prizes will be distributed at various times throughout the weekend, donated by the video companies who have supplied the viewing materials!

VIRTUAL EXHIBITS

Numerous exhibits ought to exist but do not. Don't look for them at LoneStarCon2 but we invite you to imagine them. They include the Ben Yalow bowtie collection featuring identical clip-on black bowties from the years 1976 through 1996 in a glass jeweler's case with appropriate lighting, the Bruce Pelz official convention ribbon collection with stickers and pins, which if laid end to end would stretch from L.A. to the Dead Dog Star, the WorldCon mascot costume collection, and the complete science fiction fan t-shirt collection. If you have trouble imagining any of these, don't hesitate to ask at the Information Desk for assistance. Suggestions for future virtual exhibits are encouraged.

ABOUT SAN ANTONIO

CLIMATE, ETC.

Expect warm to hot weather in August. Temps in the 80s and 90s during the day, occasionally still hotter. The nice thing is that most days are bright and sunny, with little rain. Lows at night average from the low 70s to the mid 80s. To cool off, head for the River Walk. It's below street level and is always a few degrees cooler.

DRESS

Casual. Practical and comfortable is the way to go. Even the best restaurants seldom require a coat and tie.

I'M LOST!

Don't expect the streets in San Antonio to be laid out in a grid-like pattern. Some change names, or turn abruptly, particularly in the older areas. Remember the streets were once

cattle trails to the river. Also, the San Antonio River wanders around. It all adds to the charm.

DOWNTOWN

You can walk to most sites downtown; many are located near or on Commerce Street. Don't want to walk? Take the VIA streetcar or the Lone Star Trolley that make the rounds of downtown.

BEYOND DOWNTOWN

Downtown is enclosed by several freeways which radiate outward like spokes, intersecting Loop 410, which forms a circle within the city and its suburbs. If you get lost, you can always spot downtown by the Tower of the Americas.

PARKING

Free out in the suburbs. However, downtown is another matter. There are on-street meters plus many parking lots and garages, both city and

The Second Occasional LoneStarCon Science Fiction Convention & Chili Cook-Off

hotel. If you park on the street, park less than 18 inches from the curb. Beware the zealous "Meter Maids."

AIRPORT

The city airport is only about 20 minutes from downtown. There's a regular van service to and from downtown hotels. Many hotels also have their own vans.

RAILROAD STATION

Renovated in 1993. Within four blocks of Rivercenter Mall.

VIA TROLLEYS

The downtown trolley system now travels all through the central business district. In operation from 7:30 a.m. to 8:00 p.m.

MI TIERRA CAFE & BAKERY

218 Produce Row (in El Mercado). Traditional Mexican food, excellent bakery. "Touristy" and kind of noisy. Inexpensive to moderate. Drop in for a late night chocolate and pan dulce and a look at the night people. Decent food and fairly reasonable prices. 225- 1262
** SY, AK, JW, LW,

OLIVE GARDEN

849 E. Commerce St. (Rivercenter Mall). Meals come with all the soup or salad and breadsticks you can eat. Best prices are on the luncheon menu, which is served until 3:00 P.M.. This is very popular and becomes very crowded during the evening, especially on Saturday and Sunday. A good time to go is between 2 and 3 P.M.. Separate bar and full alcohol service. Handicapped accessible from the River level. Lunch portions are available at dinner. Just ask. Inexpensive to moderate. 224-5956. **** JS, MH, JW, LW, SY

PLANET HOLLYWOOD

South Bank of the Riverwalk. Very trendy. Lots of movie props.

SCHILO'S

424 E. Commerce. The oldest downtown deli. Famous for split pea soup and corn beef sandwiches. Root beer should be the drink of choice. (This is a German style deli — not New York.) Moderate. 223-6692 ***½

SIAM RESTAURANT

109 Alamo (across the street from Dillards Rivercenter Mall location). Small, but not as busy as some placed on the Riverwalk. Although some dishes are marked as spicy, they are not necessarily "hot" spicy. Beer and wine available. Handicapped accessible. 226-4040. ***½

SPAGHETTI WAREHOUSE

1226 E. Houston. Good Italian food in near downtown at fairly reasonable prices. You can eat in a trolley car and there are old advertising signs all over. Endless warm, fresh bread. — the local Celtic bands usually play in Friday and Saturday nights. Moderate. 824-0100. ***

CHESTER'S HAMBURGER CO

You have to go out to loopland for a Chester's burger, but they are good and there is a large selection of beer to go with them. Prices are reasonable. If you are in the area and want a burger drop in. Located at 1006 NE Loop 410 (at Broadway) and 16609 San Predo Av (281 N at Thousand Oaks). *** SY LG

CICI'S PIZZA BUFFET

Corner of Bandera and Huebner (next to Drug Emporium 7 Bandera Bowl). For those who just want "Cheap Food" and "lots of it", one of the best deals in town is CiCi's—for about \$3.00 (\$2.00 for kids under 12) you get all the pizza, pasta, salad and dessert you can chow down. All-you-can-drink drinks cost a dollar extra. If your favorite pizza is absent from the buffet, they'll even cook one up for you! (Try the Florentine—cheese and spinach!) Hours are M-F, Lunch 11am-2pm, then Dinner 5-

9pm; Sat. and Sun 11am-9pm. Unfortunately, this place is pretty far from downtown San Antonio—Northwest in Leon Valley—although Bus 88 will get you there (eventually). Or get a gang together and go west on I-10 West to Huebner, turn left under the freeway and continue on Huebner until you reach Bandera Road. Turn right on Bandera. CiCi's is just after the turn on the right. YUM! SW, JW, LW, AK
