

CONVENTIONAL WISDOM

Central Hotel

WELCOME TO THE CONVENTION

This booklet gives you all the necessary information on for finding your way around the programme and the hotel. Please take some time to read it. If you have any queries on items not contained within, please ask the convention representative at the registration desk or ask your nearest friendly committee person.

THE COMMITTEE

Your convention committee members are: Michelle 'Cuddles' Drayton (Chairman), Steve Basten (Treasurer & Membership), Ralph C. Harrold (Gaming co-ordinator), Jim Campbell (Dealers Room co-ordinator), Dougie Gaylor (Gopher Controller), Ian "Judge N'Jury" Cairns (Security Chief), Dave Girling (Publications), Michael "Sparks" Rennie (Tech Controller)

BREAKFAST

Breakfast is served in the restaurant and attendees who are residents will be issued with vouchers. Please produce these each morning or you will be charged for the breakfast.

FRIDAY/SATURDAY/MONDAY	07.00 - 10.00
SUNDAY only	07.30 - 10.00

SNACKS AND MEALS

Hot food will be served in the area adjacent to the restaurant, at favourable rates. In the interests of hygiene, we recommend that where possible you should try and avoid bringing take-away foods from outside. Unfinished meals or their used containers fester in the heat more quickly, giving off smells that will make your enjoyment of the convention unpleasant. The management (and the new chef) has tried especially hard to provide a range of inexpensive meals whether you're a carnivore or herbivore. Opening times will be:

FRIDAY	12.00 - 14.00 18.00 - 20.00	SATURDAY	12.00 - 14.00 20.00 - 00.00 22.00 - 01.00
SUNDAY	12.00 - 14.00 18.00 - 20.00 22.00 - 01.00	MONDAY	12.00 - 14.00

THE BAR

The convention bar will be in the Carradale Lounge, which is on the Entresol level of the hotel (see map on the rear page), and will be open from 11.00 - 01.00, daily except Monday when it will close at normal license time. After 1am, non-residents who are still at the convention and would like a drink, should ask a committee member or friendly resident attendee to make the purchase on their behalf. Provided that this procedures followed, the hotel will serve drinks until the wee small hours.

The Ailsa Bar, also on the Entresol level, is a public bar and will be used mostly by residents who are not members of the convention. It is generally quieter and the tariff will be the same as the con bar, so if you want a more sedate environment to have a talk with your mates this is the place to be. The Ailsa will be open from 11.00 - 00.00.

THE ART SHOW AND PRINT SHOP

Both are located in the Court Lounge (see map on the rear page), which is on the Entresol level. No smoking, food or drink will be allowed in this area and photography is forbidden unless the permission of the artist has been obtained. If you wish to buy any of the items, please consult the bidding sheet next to each item. Those marked NFS are not for sale. The price quoted is the minimum bid that will be accepted and if none have yet been made, you should start at this price, quoting your name and badge number on the slip. If the bid has started then you should bid slightly higher. These items will be put into the auction and the bidding will start at the highest bid written on the slip. If there have been not bids, the piece will be returned unsold, unless a specific request is made to include it at the end of the auction. The convention take 10% from each item sold except for those sold for charity.

The art show will open at the following times:

FRIDAY	14.00 - 18.00	SATURDAY	10.00 - 18.00
SUNDAY	Closed	MONDAY	10.00 - 13.00

The art show will be closed during the Guest of Honour speech on Saturday at 14.00. The print shop will hopefully be used by all the artists displaying in the show, so if there is a piece of work that you like, check to see if there is a print available.

CAR PARKING

Parking is available to all convention members at the N.C.P. adjoining the hotel, accessible from Oswald Street, at rate of £5 per 24hrs. Direct pedestrian access to the Central Station concourse is situated on the 5th level.

DEALERS ROOM

The Dealers Room is situated in the Kintyre Suite (see map on rear page) on the Entresol level. No smoking, drink or food will be allowed in this area. This rule does not apply to the dealers themselves. It will be open at the following times:

FRIDAY 13.00 - 18.00
SUNDAY 11.00 - 18.00

SATURDAY 10.00 - 18.00
MONDAY 10.00 - 14.00

The dealers room will be closed during the Guest of Honour speech on Saturday at 14.00.

SECURITY MEASURES AND WEAPONS POLICY

Although thefts are rare at Glasgow conventions, we would like to advise all members to take extra care with their property. Bags, cameras etc., should not be left unattended. Neither the hotel nor the committee can take responsibility for items lost or stolen. If you wish to place something temporarily in the secure store, contact OPS. If you see anyone acting suspiciously, notify security personnel, OPS or a committee member immediately. Badges **must** be worn at all times in convention areas and should be worn where it can be easily seen. If you are not wearing your badge, for whatever reason, you will be refused entry into any programme area. If you lose your badge, report to the registration desk or OPS in case it has been handed in. If not, it will be replaced but a charge of 50p will be made for further losses.

The Justice Department is in charge of security operations during the convention. Whilst some of their work is quite essential, some of it is done for fun and for the benefit of our charities. A fining system of 50p per offence will be in force at all times but please remember, it is just for fun! Permits will cost £1 for the first weapon registered and 50p for each additional weapon to the maximum of £5. The Weapons Policy is simple and will be enforced strictly, especially as there will be mundanes in the hotel. It should also be pointed out that the new police laws permit them to arrest you immediately without caution, if you are suspected of carrying a weapon. Any form of weapon, worn for a costume or for fun, whether it is authentic or a replica, must be worn in the convention areas only and in accordance with the following policy:

Bladed weapons **must** be sheathed and peace bonded at all times. Replica weapons or water pistols may not be loaded at any time. No weapon should be pointed at anyone, waved about in any area of the hotel or worn in public streets. **ALL** weapons should be registered with the Justice Department: the Judge's decision is final and will be fully supported by the committee. Your permit must be produced if requested, either by a Judge or by a committee member.

Any member who breaches the weapon policy or fails to wear or produce a badge as proof of membership will be fined. Persistent offenders will be asked to leave the convention.

welcome to the animation stream, where weird and wonderful things (surprisingly, not all of them Japanese) will be screened for your delectation and delight during the convention. Programme items are graded U, A, AA and X.

- U** is the same as the current film classification. Everyone is welcome, provided they sit and watch quietly.
- A** anyone under the age of 10 yrs **must** be accompanied by a responsible adult.
- AA** 10 - 15 yr olds **must** be accompanied by a responsible adult and no-one under the age of 10 yrs will be allowed entry.
- X** no-one under the age of 18 yrs will be permitted entry.

This made seem a bit annoying but in the current moral/hypocritical panic, it's best to be on the safe side and in my book, this means parental responsibility. Don't let the U and A classifications put you off, however. Just because something's unsuitable for children doesn't mean it's unsuitable to anyone else! While of course, I would recommend everything on the list, it's customary to list a few favourite items. Herewith are mine:

- **AH! MY GODDESS** - The Norns and diverse other figures from Norse mythology, as you've never seen them before.
- **BATMAN: MASK OF PHANTASM** - probably the best Batman film todate and certainly one with the most plot!
- **CITY HUNTER: THE MOVIE** - based (very loosley) on the animation but this has Jackie Chan doing what he does best. Watch out for the 'Street Fighter' sequence.
- **GRAVE OF THE FIREFLIES** - this depiction of life in Japan at the end of World War II, ranks with "ALL QUIET ON THE WESTERN FRONT" and "SCHINDLER'S LIST". Not recommended for anyone even remotely prone to depression.
- **TOTORO** - the ultimate feelgood movie. A masterpiece of..... Look, just watch it, okay?!

I hope some of this catches your eye and I look forward to seeing you there or elsewhere throughout the con. And remember, if you've missed something, there's always the request slot on Monday afternoon!

Ja ne,

Harry Payne.

FIRE PREVENTION & SAFETY

Please place used glasses at the rear of programme areas or return to the bar. This also applies to empty bottles, using bins provided for quick disposal. Those attendees who prefer to smoke, please sit in the allocated areas using the ashtrays provided and abide by rules applied by video room organisers. Do not extinguish cigarettes or cigars on carpets or other flammable materials and do not empty ashtrays in bins unless all contents are fully extinguished. If the fire alarm goes off at any time during the convention, please leave the area immediately using the nearest fire exit.

INFORMATION BOARDS

During the course of the weekend, there may be some changes to the programme. Updates will be posted at the registration desk and at OPS and video rooms will have any changes marked on their schedules outside the room.

MASQUERADE

Application forms for entering the competition will be available at the registration desk or on request from OPS. These should be completed and returned to OPS or on arrival at the masquerade assembly in the Twilight Zone at 16.00. Hall costumes will also be judged and prizes, sponsored by FUTURESOCK, will be presented at the competition. Winners of the masquerade will receive their prizes at the Closing Ceremony.

MECHFORCE™ BATTLETECH® CHAMPIONSHIPS

This championship will take place in the Gaming Rooms, situated on the 1st floor, all day Sunday. Application forms will be available at registration but please note, an entry fee will be charged to take part. This is imposed by the organisers and is not inclusive with your convention membership. The committee would like to thank Bob Nichols for organising and running this event. Gamers who wish an area to run a game should ask about reserving some time in the Twilight Zone, by contacting OPS.

MAGIC® TOURNAMENT

This is the first time this event is taking place at a Scottish convention and the committee would like to thank WIZARDS OF THE COAST (UK)™ for organising the event. It will be held in one of the Gaming Rooms, situated on the first floor, on Saturday. Please contact Ralph Harrold for further information.

Also about gaming, there will be two live roleplaying games during the convention. Board games will also be available and if you wish to run something yourself, contact Ralph Harrold.
