The Programme by Yvonne Rowse

[Note: At time of writing, we don't expect any major changes to the programme. Last minute amendments will be announced at the opening ceremony and/or widely publicised both via notices and by the tried and tested method of a man shouting in the bar. More details in programme book.]

Friday

7.00 Opening Ceremony

In which the committee introduce Alastair Reynolds, Guest of Honour, read any important notices and escape as soon as possible.

7.30 Book Launch!

Come and buy Alastair's new book: Get it signed. Take advantage of free wine and nibbles.

9.30 Room 101

Steve Green quizzes Alastair about the things he hates most and decides which should be sent to Room 101

10.00 Genetic Manipulation

Pauline Morgan asks Alastair Reynolds & Charles Stross to take a look at the ideas in science and beyond

11.30 Book Auction

The Novacon Book Auction brought to you by those celebrated auctioneers, Chris Morgan and Rog Peyton. We hope you have plenty of books requiring sensitive adoption

1.00 Somehow the Catastrophes are not so Cosy, Anymore

Following a year full of disasters and with the media full of portents of doom about bird flu, we ask our panelists Nigel and Sabine Furlong, Julian Headlong and Pete Young about how we deal with catastrophe in the Real World and whether SF will help us to be among the survivors...

2.30 I want My Kids to read SF

We were mostly, I guess, infected with SF in our Teens and for most of us it has provided a lifelong obsession. I'd like my kids to read SF. I ask the panel which five books they would recommend and why. Would they choose a different set of books for each sex? With Peter Weston, Julia Daly, Claire Brialey and Farah Mendlesohn

4.00 Guest of Honour

Alastair Reynold's speech to Novacon

5.30 The Julian Headlong Experience

Science Fiction, Science Fact and Julian Headlong - 50 years of basic naughtiness...

8.00 Saturday Night Film Fest

Those of you who attended Novacon 34 may recall our Friday night showcasing of the award winning Italian science fiction short E:D:E:N, fresh from its acclaim at Manchester's Festival of Fantastic Films. This time we're widening the event with a selection that includes Ross Shepherd's Delta award winning fantasy *The Kingdom of Shadows*, a gentle paean to the frontier years of cinema, Sam Rogers' twisted psychodrama *Feathers*, Ian Hothersall's apocalyptic comedy *The Omnicide 8000* and Daniel Austin's chilling *Bloodline*. Plus the usual surprises (who could forget last years 30-second versions of *The Shining* and *The Exorcist*, reenacted by bunnies?) Don't forget the popcorn!

9.30 Fan Auction

Alison Scott and Claire Brialey auction fabulous items for TAFF and GUFF.

10.30 Novacon Disco

In which we celebrate the graying of British Fandom. Julian Headlong, Dave Holmes & Paul Oldroyd are 50 this year and fandom itself is 75. Bring along a playlist and we'll try to get the DJ to turn the amp down from 11.

Sunday

10.00 Catching Starlight

Until he became a full time writer Alastair Reynolds worked as an astrophysicist. Here he talks about the research he has been involved in over the last few years.

11.30 Art Auction

Your chance to buy from the artshow with master auctioneers, Rog Peyton and Chris Morgan

1.00 Eastercon

2007 - will there be one? Do we care? With Eve Harvey, Fran Dowd, Simon Bradshaw and Michael Abbott.

2.30 Politics

This is not about the content of modern politics but about the processes taking a very broad view of politics as comprising the processes by which people collectively settle on what is to be done and how when there is no agreement about either. With Caroline Mullan and Claire Brialey

4.00 Dr Who

So how did it happen? How did the series that everyone except Paul Oldroyd had given up on become the darling of the BBC again? And is there anyone out there who doesn't think that Christopher Eccleston was a fab Doctor? With Andrew Adams, Lucy Zinkiewicz and Martin Easterbrook.

5.00 Awards Ceremony

The raffle is drawn, the Novas presented, the committee breathes a sigh of relief and we tell you about next year. But wait, it's not over yet because then it's...

Novacon Beer Tasting

As usual at such events we will be running the latest in a long series of Novacon Beer Tastings at the same time as our Indonesian Food. This will be using the ever-popular BYOB (bring your own beer) format.

As usual Novacon will have Sarah Hughes Dark Ruby Mild on draught as well as a few other interesting bottles - the rest is up to you!

To partake of the *beer*, you need to bring at least *three* bottles of your favourite British or foreign beer to the convention and check them in at the Novacon Registration Hatch when you arrive. In return you'll receive a Technicolor "*Beer Badge*" which will entitle you to drink the beer at the Tasting on Sunday. Alternatively, you can also take part by buying a "*Beer Badge*" for £5.00 from the Novacon Registration Hatch.

All Novacon members are welcome to attend the Tasting. The convention will supply an assortment of non-alcoholic drinks at the Tasting, which will be free to everyone, but only those with "*Beer Badges*" will be entitled to drink the beer and only those with "*Indonesian Food Tickets*" will be able to partake of that culinary delight.

The Beer Tasting will start at 7pm on Sunday in the King Charles Suite. (Food will be served from 8.00pm only to those people who have purchased tickets at £9.50 per head, see elsewhere for details.) *[Please remember, although we have come to an arrangement with the Quality Hotel regarding the Beer Tasting, this does not extend to you bringing in your own supplies of drink elsewhere during the con. The Hotel can and will charge corkage to people smuggling food or drink into the hotel!]*

Gophers

If you *have* volunteered to be a gopher or if you *wish* to volunteer please report to Cat Coast or Chris Murphy in the Ops Room (Hatherton, up the stairs, which are down the corridor from Hotel reception).

R.N.I.B. Raffle

If you wish to purchase tickets for the annual raffle in aid of RNIB's Books for the Blind Project, Anne Woodford will be selling them around the con, but tickets will also be available from the Novacon Registration Hatch -- Saturday onwards. In a change from established tradition, prizes will *not* be given out as the draw is made at the Award Ceremony. Instead prizes will be available for collection from a table set up in the Oliver Cromwell suite *after* the ceremony and winning numbers will be posted on the flip chart near the Novacon Registration Hatch.

Prizes will be listed on the flip chart near the Novacon Registration Hatch from Saturday evening onwards.

Operations

As we are sure you are aware Novacon, like most conventions in Britain, is run by volunteers and we can't have too many of them! So if you are willing to help out at the convention -- anything from moving chairs to helping with tech ops or working on the programme, please contact Cat Coast or Chris Murphy, in the Ops Room.

Operations will be in the Hatherton Room, like last year we shall be operating a fascist 'tidy' Ops Room designated areas for stuff to be stored and no non-essential furniture (or people). However, you will still be able to leave coats and bags in Ops on request and at your own risk.

No Smoking

Please refrain from smoking in the Programme & Dealers Rooms, Art Show, and in other designated areas. Please note that the only smoking area of the Bar is to the left of the Main Entrance, facing Reception.

Dire Warnings

Please remember that the Quality Hotel is in the business of selling accommodation, drink and food for profit. Neither the management of the Quality Hotel nor the Novacon committee will approve of people "crashing" in rooms they haven't paid for, and/or smuggling food/drink into the hotel. The Novacon committee will obviously support the hotel in any dispute with members of Novacon caught "crashing" and/or "smuggling".

Badges

As we have (again) failed to fill the hotel there will be non-convention guests in the Hotel. It is therefore essential that you wear your con badge AT ALL TIMES! If you do not you may be refused service in the con bars and food from the con menu. You WILL be challenged by our own security staff and prevented from entering function spaces and Hotel Staff may challenge anyone not wearing a badge.

Duplicate Room Keys

We have made arrangements with the Hotel so that if you are sharing a room and require a key each you should be able to get one this year. (Unfortunately if you are in one of the 30 executive suites you cannot have a key each as they have different locks to policy, with the other rooms in the Hotel.)

However, if you require a key each you should have notified the Hotel of this on arrival. You may not be able to change your mind later because the Hotel will have programmed 100 rooms to accept duplicate key sets before we arrive. This is a time-consuming process and there are a limited number of these duplicate key sets available - the Hotel does not normally use them and is buying them in especially for Novacon.

If you do have a key each please don't lose them! If you lose your key two new keys will be need to be issued immediately as your sharer's key won't work after you've used your new key! As there are limited quantities of these duplicate keys available you may find that if you've lost your key the Hotel will be forced to reprogram the lock on your room to take their standard single key system again.

If you do not have a key each you can still easily gain access to your room by either tracking down your sharer or by asking Hotel Reception to let you in with a master, but please don't get them doing this all the time. The hotel will require you to produce your keycard as proof that it is your room, so please ensure you carry it.

Creche

There is NO formal crèche this year, but The Children's Play Room will still be available for parents to make their own arrangements. This is the Ashmore Room (down the corridor past Hotel receptions, all the way past the Art Show Rooms, on the corner).
