There may also be some goodies from previous Novacons on sale.

Dealers' Room

This is in the King Charles Suite and will be open from 4pm until 6.45pm on Friday, 10am until 1.15pm and 3pm until 6pm Saturday, and 10am until 4pm on Sunday. Times are subject to change.

Art Show

Novacon Beer Tasting

As usual at such events we will be running the latest in a long series of Novacon Beer Tastings at the same time as our Food. This will be using the ever-popular BYOB (bring your own beer) format, at least 3 bottles to registration, or buy a badge for £5.

Novacon will have some beer on draught as well as a few other interesting bottles - the rest is up to you!

The Beer Tasting will start at 7pm on Sunday in the King Charles Suite. Food will be served from 7.30pm .

Soft drinks will be available free to anyone.

Gophers

If you *have* volunteered to be a gopher or if you *wish* to volunteer please report to Cat Coast or Chris Murphy in the Ops Room (Hatherton, up the stairs and straight in front of you. The stairs are located past hotel reception towards the bedrooms.)

R.N.I.B. Raffle

If you wish to purchase tickets for the annual raffle in aid of RNIB's Books for the Blind Project, a Glamorous Assistant will be selling them around the con, but tickets will also be available from Novacon Registration -- Saturday onwards. The top prizes will be given out as the draw is made at the Award Ceremony, then the other prizes will be available for collection from a table set up at the back of the room.

Operations

Operations will be in the Hatherton Room, which is upstairs from the hotel reception. As in previous years we will be operating a fascist 'tidy' Ops Room with designated areas for stuff to be stored and no non-essential furniture (or people). This is where you bring your beer or books to sell. You will be able to leave coats and bags in Ops on request and at your own risk. The room will not be manned all the time, but there should be someone in the con registration (glass office in reception), or look for the Duty Convention Manager who will be wandering round wearing a fetching shiny red waistcoat.

Dire Warnings

Please remember that the Quality Hotel is in the business of selling accommodation, drink and food for profit. Neither the management of the Quality Hotel nor the Novacon committee will approve of people "crashing" in rooms they haven't paid for, and/or smuggling food/drink into the hotel. The Novacon committee will obviously support the hotel in any dispute with members of Novacon caught "crashing" and/or "smuggling".

Badges

As the hotel bar is a public bar, there may be non-convention people in the Hotel. It is therefore essential that you wear your con badge AT ALL TIMES! If you do not you may be refused food from the con menu, or wrestled to the ground by our Ninja security operatives as you try to enter the function rooms. Hotel Staff may challenge anyone not wearing a badge.

Duplicate Room Keys

We have made arrangements with the Hotel so that if you are sharing a room and require a key each you should be able to get one. (Unfortunately if you are in one of the 30 executive suites you cannot have a key each as they have different locks.)

However, if you require a key each you should have notified the Hotel of this on arrival. You may not be able to change your mind later because the Hotel will have programmed 100 rooms to accept duplicate key sets before we arrive. This is a time-consuming process and there are a limited number of these duplicate key sets available - the Hotel does not normally use them and has bought them in especially for Novacon. If you do have a key each please don't lose them! If you lose your key, two new keys will have to be issued as your sharer's key won't work after you've used your new key. If the hotel runs out of key pairs, then tough.

If you do not have a key each you can still easily gain access to your room by either tracking down your sharer or by asking Hotel Reception to let you in with a master, but please don't get them doing this all the time. The hotel will require you to produce your keycard as proof that it is your room, so please ensure you carry it.

Creche

There is NO formal crèche this year, but The Children's Play Room will still be available for parents to make their own arrangements. This is the Ashmore Room (down the corridor past Hotel reception, all the way past the Art Show Rooms, on the corner). It will be supplied with a selection of toys, games, paper, pens etc.

Check In & Out

Check-in time is from 2pm and check-out by 11am on the day of departure. (Bedrooms will be cleaned between 10am and 3pm). There is a special late check out time of 2pm on Sunday only.

Left Luggage

Luggage can be left in the Hatherton Room (upstairs).

You may have to find a committee person to let you in.

Leisure Facilities

As paying guests we have full use of the hotel's leisure facilities. Ask at reception.
