

NOVACON 7

ORGANISED BY THE BIRMINGHAM SCIENCE FICTION GROUP

NOVEMBER 4th, 5th, 6th, 1977

ROYAL ANGUS HOTEL, BIRMINGHAM

PROGRESS REPORT 1 February 1977

Greetings!

The hangovers fade; 1977 moves vaguely to its puberty; in the fields young semicolons begin to sprout; and with this same inevitability there comes a Novacon progress report. As Erich von Daniken and his merry men are wont to enquire, can this be coincidence?

Changes and Otherwise

Some of the Birmingham SF Group's more far-flung members have been caught up in the One-Year Plan for Novacon 7---see below. "New Blood" is supposed to be an asset; we only hope it doesn't end up spattered on the Con Hall floor.

We duly considered, and rejected, the notion of holding this year's Novacon outside Birmingham. The Royal Angus Hotel is once again offering the best terms around, so Novacon 7 will have the same venue as numbers 5 and 6. By now, at least, everyone should have learnt how to reach the Royal Angus (in Birmingham, remember? B-I-R-M-).

A famed Guest of Honour will be announced in the next PR. We have to keep some news for next time---as a clue to his or her name, think homicidally of one of our committee members (not too difficult, surely?).

The Nova Award rules are undergoing alterations, which we hope will cause no inconvenience to the public. The general idea is that the award should be voted for, by informed fans who know something about fanzines (i.e. who publish, write to or appear in them). Again, more later.

A dynamic concept of parallel programming will be put into action at Novacon 7, as follows--- In the Con Hall: Talks (Brilliant), Films (Stupendous) and Things (Diverse). In the Bar: Everything Else.

---Something, as they say, for everybody: although thoat-breeding will not (we regret) be permitted in the lifts. Use the stairs.
