Programme Notes

Introduction

These notes should help you find your way around the programme at Conscription. The committee hope that you will find the convention of interest. We have left the evenings of the convention loosely programmed (if at all), so that people can sit down and relax.

Seminar Groups

We have already assigned everyone to a discussion group, you will see on your programme a tick beside the box indicating which group you have been allocated to for that session. Everyone has also been split according to badge design†, these will be indicated on notices at the convention. Please keep to your designated discussion groups.

Best New Con-runner award

This award has been offered by "Concatenation"; there will be ballot slips included with your membership pack. For a nominee to be eligible they need to have run their first convention in the past two years. The closing time for ballots will be noon on the Sunday of the convention. The results will be announced at the Closing Ceremony on Sunday afternoon.

Information

There will be various notices around the convention with useful information (i.e local restaurants etc.). If there are any problems, ask a committee member.

† Badge designs by James Steel.
