

Innominate Eastercon 2017

*The 68th British National Science Fiction Convention
14-17 April 2017
Hilton Birmingham Metropole, The NEC*

Programme Book

Innominate

Welcome from the Chair

Welcome to INNOMINATE the 2017 Eastercon (The 68th British National Science Fiction Convention). I'm Steve Cooper – your chair for this event and I'm looking forward to welcoming you to this replacement Eastercon – that for all the hurdles that we've had to overcome will I believe be a great Eastercon.

Assuming we've had enough volunteers to get the whole thing built in 15 hours. So, if some of us are walking around with matchsticks keeping our eyes open Friday morning please excuse us we'll try to be as bouncy as possible and stay awake for the opening ceremony at 5pm.

But we have a lot to offer you. A gaming room in Colonial, seven programme rooms where we will run 175 programme over the four days, a great art-show and dealers space, a teen lounge and a fan bar/lounge in the Library – where you'll find some prize-winning Craft/Real Ales on sale at £5.00 a pint and

everything else 10% cheaper than the main hotel bar.

There will also be a selection of street food outlets providing a wide range of good quality fan food at prices to suite all pockets.

I could go on for pages – anyone who has worked with me on a convention will confirm that – but I'm going to stop here and let you read the rest of this ReadMe. So once again welcome to INNOMINATE – the convention with no-name.

facebook.com/dublin2019

A Worldcon for All of Us

Ireland has a rich tradition of storytelling. It is a land famous for its ancient myths and legends, great playwrights, award-winning novelists, innovative comics artists, and groundbreaking illustrators. Our well-established science fiction and fantasy community and all of the Dublin 2019 team would consider it an honour to celebrate Ireland's rich cultural heritage, contemporary creators and fandoms everywhere.

We love our venue, the Convention Centre Dublin, and we believe that its spell-binding allure will take your breath away as you watch the sun set over the city before the Kraken rises from the River Liffey!

Fan Food & Bar

INNOMINATE will have both a Fan Bar and Fan Food – both being available in the Library.

The Fan Bar

This is where you will find everything bar the Real Ale normally – but at a 10% discount on the prices in the main hotel bar. The Real Ale will be on sale from Noon in the hotel lobby

Fan Food

The library will also be where you'll find our Fan Food being served:

Lunch: 12:30 to 15:00

Dinner: 17:30 to 20:00

The aim is to provide a selection of meal options ranging from £4.00 to £6.50, and with a variety of choices that will change each day and provide a range of choices to suit Vegetarians, Celiacs and other people with dietary restrictions. There will also be a tuck shop open all day where cans of Soft Drink, bars of Chocolate and bags of Crisps will be available for £1.20 or below.

Parking

Parking at the Hilton Metropole should be £9 a night for residents and £9 a day for non-residents. The car park is expected to be very busy Friday. If you take your car offsite you may not be able to get back in.

Residents Parking

The cheaper rate should be applied when you pay for your parking as you check in. However, if you are not planning on leaving straight after check-out remember to tell the hotel what

time you expect to leave so they can make sure the parking ticket will be valid.

Non-Resident Parking

If you're not staying in the convention hotel, then the parking rate for convention members is just £9 a day

To get this cheaper rate go to our Operations office where the Ops Team will swap your parking ticket for one that will charge £9 when at the machine by the hotel entrance.

5

Access at Innominate

We, the Innominate community, firmly support, and work diligently to maximise access to conventions for everyone.

Ribbons to expedite access are available at con, through the Registration/Info desk, by contacting the Ops team, or by emailing access@eastercon2017.uk. Please ask for a ribbon if you'd like to be identified as requiring access support for seating, queuing, service etc.

Facilities

All of our programme rooms, art show, dealer's space, facilities and lounges are on ground level, although at certain points a slightly longer ramp route may be used to give access for those with mobility issues. We found the deep pile carpeting slightly heavy on manual wheelchair users, with a

tendency to pull to one side or the other; it is, however, plush and helpful for people with other mobility difficulties.

Some convention offices are located on the mezzanine level with no lift, for which we apologise.

We also have a quiet room, located in the Norfolk room, in between Surrey and Dorset along the corridor which leads away to the east door. You will find these clearly marked on the map in this readme, along with other access specific facilities and step free routes.

Other Arrangements

Large print paper and digital format Readme are available on request from the Registration/Info desk or by contacting access@eastercon2017.uk.

We are delighted to offer a delicious range of food and beverages, to include fresh, vegetarian, vegan, and gluten free options, in the hotel restaurants and bars, in our lounges, and from a diverse range of yummy food stalls - including ice cream and sorbets! Please enquire directly with vendors, hotel staff or, access team for further allergen information.

6

Access at Innominate

Unfortunately we are not able to offer BSL interpreters or CART.

Audio Induction loop Systems or AFILs) are available in our programme areas, please enquire with access or ops for assistance in using them.

Support animal relief areas are located close to the hotel. Please contact the access team, or hotel staff for further directions.

Getting in Touch

The access team can be contacted throughout the convention, by the following methods Ask at the registration/information desk, which is located in hotel reception, inside the main entrance,

OR

At times when the desk is closed, ask at Convention Operations which can be found in the York room located with the Lancaster, Kent and Sussex rooms close to the dealer's room.

OR

Email access@eastercon2017.uk with your preferred communication method whereupon a team member will be immediately notified, and get in touch. **We hope everyone enjoys Innominate and we welcome all feedback and thoughts, before, during and after the convention.**

The INNOMINATE Crèche

INNOMINATE is providing a Crèche for our members with younger children. The opening hours are

Friday: 13:45 to 18:00

Saturday: 09:45 to 18:00

Sunday: 09:45 to 18:00

Monday: 09:45 to 16:00

Care outside of these hours is available for a charge of £8 an hour but is dependent on the availability of the crèche staff and arrangements should be made with them directly. The Crèche will be located in a secure room next to Operations (Lancaster).

Doc Weir Award

The Doc Weir Award was set up in 1963 in memory of fan Arthur Rose (Doc) Weir, who had died two years previously. Weir was a relative newcomer to fandom, he discovered it late in life - but in the short time of his involvement he was active in a number of fannish areas. In recognition of this, the Award is sometimes seen as the "Good Guy" Award; something for "The Unsung Heroes". Fandom needs volunteers. Conventions, clubs, fanzines - they all require an extensive workforce, people who do "stuff" for no financial reward. Some people have a high-profile role but there are many who don't, whose involvement goes almost unnoticed and may even be taken for granted. In some respects, the ideal Doc Weir Award candidate is the sort of person who doesn't immediately spring to mind but makes perfect sense if somebody else suggests them. **In your membership pack is a Doc Weir voting form use it for someone who has quietly made a difference and deserves recognition.**

Hall Costume

You will have found in your convention pack three tokens. On Sunday people are encouraged to wear costumes as they go about the convention. If you see a costume you like give the wearer one or more of your tokens. If you receive them gather the tokens together and get them to the ops room. There will be a prize for the most tokens received by Monday noon

News Letter

You can contact the team putting together Innominate's newsletter by emailing newsletter@eastercon2017.uk. Look out for the first issue around the convention on Friday afternoon for more information about how to get in touch.

The Programme

Innominate

Welcome to the Innominate Programme!

Eastercon 2017 is a celebration of our Guests of Honour, our members, our community and society. We have the usual range of panels on literature, science, art and media but this time we have a large focus on interactive sessions, including kaffeeklatsches, workshops, and games (not to mention the 24/7 games room).

Of course, we couldn't go without acknowledging the turbulence of 2016 and there are explicit political sessions as well as the indirect theme of the uncanny and fantastical. For the family there are sessions throughout the weekend, where you can paint alien landscapes and eat space food. A major element of the programme is the Disability and SF track. This has been put together collaboratively by the people who volunteered to be on the track, and we hope everyone will find something of interest in it.

Finally, but by no means least, we are proud to present our music programme, which, along with an evening folk room, includes a Regency Dance, a performance by the prog-rock folk band Painted Ocean, an eclectic pyjama disco, and a classical recital with music from sff film and television soundtracks by the virtuosi Thomas Bloch and Pauline Haas – watch out for posters around the con.

Kaffeeklatsches, Literary Beers, Art Tours, and Workshop Sign-Ups

Some sessions are limited to 9-30 people, depending on the type of item. To be guaranteed of a place please sign up at the desk near Registration. If a session fills up there will be a waiting list so that any no-shows (counted as later than 5 minutes) can be replaced. The first person on the waiting list who is outside the room and ready to go in, gets the free spot. On the off-chance there is a spare slot you can turn up at the time of the session but you may not get in.

9

Innominate

Friday

The Programme

We want as many people as possible to have a chance at participating in intimate meet and greets so please sign up to no more than THREE Kaffeeklatsches and Literary Beers in total, including no more than one Guest of Honour Kaffeeklatsch.

If you would like to attend more than three, please turn up at the extra session/s you are interested in and see if there is a free slot.

NOVA CON

10 - 12 November 2017
PARK INN NOTTINGHAM

GUEST OF HONOUR ADRIAN TCHAIKOVSKY

NOVACON! We are in our 47th year and show no signs of stopping... despite the petition. So why not come along and join the fun?

This year's Guest is the amazing Adrian Tchaikovsky, author of the 2016 *Arthur C. Clarke Award* winning *Children Of Time*, as well as the best selling *Shadows Of The Apt* series and a host of other works. Over the weekend he will be giving a talk, signing books and, hopefully, anything else we can rope him into.

Our longevity must mean we are doing something right, and you can find out just what it is for a reasonable fee (just to be clear, the fee is for joining.... we don't charge for the information).

With our signature combination of G.o.H talks, science talks, panel items, book auctions, art show, art auctions, book launches, dealers room and general tomfoolery, we can promise you a packed weekend of fun (no refunds), excitement (definitely no refunds) and things of interest (see previous comments).

This year we are, once again, at the Park Inn, Nottingham. Which is a hotel... in Nottingham. The Hotel is close to the city centre, is easy to reach by public transport and has good parking facilities.

To join us just go to www.novacon.org.uk where you can sign-up online using Paypal.
