FRIDAY

BOSKONE 53

February 19-21, 2016

SATURDAY

An artistic illustration featuring three riders on horseback, silhouetted against a bright, swirling, and abstract background. The riders are positioned in the lower half of the frame, moving from left to right. The background is a mix of warm colors (yellows, oranges, and browns) with dynamic, swirling patterns and numerous small, dark, bird-like silhouettes scattered throughout. The overall style is painterly and dramatic.
