These 4 episodes have not yet aired in the United States. Please don't tell anyone what you have seen till ... October 25, sigh) Look for Season 3 episodes of Babylon 5 to follow on November 1st with: <i>Matters of Honor, Convictions, A Day in the Strife, Voices of Authority, Passing Through Gethsemane, Dust to Dust, Messages from Earth.</i> The Babylon 5 story follows a 5 year arc story. It is a unique TV series in that the beginning, middle, and end were written before the series ever aired. It does not ramble on through pointless single episode plots. Each episode caries it to its eventual conclusion. After that the series will NOT continue.
