Glitter #6, April 15, 2011, is the newsletter of Corflu Glitter, the 29th edition of what has become the World Trufandom Convention.

Edited by Arnie Katz

Glitter is available by request, though it may arrive unbidden, like a shivering kitten begging you to let it come in out of the cold.

Glitter is also available as a free download at Corflu.org.

Gentlefen, Start Your Anthem!

Corflu Glitter again breaks new ground! Thanks to Bill Mills, the 2012 Corflu becomes the first one with its own, original theme song. Bill has written and recorded "Walk Through the Glitter," an authentically stirring tune he created especially for Corflu Glitter.

"It's a fannish song parody," Bill explains. "'Walk Through the Glitter' is based on 'Walk Through the Fire,' from the *Buffy the Vampire Slayer* musical." The song is dedicated to the memory of rich brown, who so loved *Buffy* and ended every email with a quote from the show.

"Walk Through the Glitter" will be available for listening and free downloading at Corflu.org.

The direct URL is:

Luckily for Corflu, but perhaps sadly for me, the selection of "Walk Through the Glitter" means that my own double-barreled parody, "It Wasn't Ghu Who Made N3F Fangirls"/"The Great Pimpled Nerd," will not be the Corflu Glitter anthem.

Reminder: Membership Price Increase Is Coming

The cost of a membership in Corflu Glitter will rise in a couple of weeks. It'll still be a great deal at \$60, but getting it for \$50 is even better. May 1, 2011 is the cut off for the lower price.

UK Membership Price Set

After consultation with UK Representative Claire Brialey, Corflu Glitter has established attending and supporting membership prices for British fans. It's 40 Pounds for Attending and 10 Pounds for Supporting.

Make all Sterling payable to "Claire Brialey." (See the "Vital Information" box on page 2 for contact details.)

UK to Get Special Corflu Fanzine!

Peter Sullivan, Corflu Glitter's UK Liaison, reports substantial recovery from recent surgery. In a 4/10 phone conversation, Peter outlined plans for a monthly Corflu-oriented fanzine.

The fanzine has an intriguing premise, which I promised Peter I wouldn't reveal until he does the first issue. I will say that I was so impressed by his idea that I may mirror it in North America. At the least, we'll have the as-yet-untitled zine available at Corflu.org.
