Westercon 61 Business Meeting

bid committee shall be allowed to send at least two (2) observers to such ballot-counting. The count shall be by preferential ballot. The winner shall be that bid which gains a majority of those votes expressing preference for a bid. For the purpose of vote counting, “None of the Above” shall be treated as if it were a bid. “None of the Above” and votes for ineligible bids shall count toward the total number of votes cast. Blank ballots, illegal or illegible ballots, and votes for “No Preference” shall not count toward the total number of votes cast. All vote totals of final results and of all intermediate counts shall be made available at or before the closing ceremony.

3.17 Procedures When No Bid Wins or is Eligible

Should no eligible bid gain the needed majority, or should there be no qualified bidding committee, or should “None of the Above” win, a three-fourths (3/4) majority of the site-selection business meeting of the administering Westercon may award the Westercon to any bid, or a simple majority of the meeting may decide that they are unable to decide. If the business meeting does not choose a site, the Board of Directors of the Los Angeles Science Fantasy Society, Inc. shall choose a site within six (6) weeks of the close of the administering Westercon. If “None of the Above” wins, none of the bids which were on the ballot may be selected. A site chosen under the provisions of this section shall not be restricted by any portion of this article except this section and section 3.1.

3.18 Availability of Results

The results of the balloting shall be reported to the site-selection business meeting of the administering Westercon, if one is held. A record of the results of the balloting, including all intermediate counts and distinguishing between the by-mail and at-con ballots, shall be published in the first or second progress report of the winning Westercon.

3.19 Hand-Carried Ballots

The administering Westercon shall accept hand-carried ballots, which are otherwise valid ballots delivered to the administering Westercon by someone other than the member who prepared the ballot.

4 Procedure for Amendment of These Bylaws

4.1 Method of Adoption

Amendments to the Westercon Bylaws must be ratified by the majority vote of the business meetings in two consecutive years. Proposed amendments shall be read in full by the chairman of the business meeting immediately before being voted upon.

4.2 Primary and Secondary Ratification

The secretary of the business meeting at which an amendment receives primary (first year) ratification shall submit an exact copy of the amendment to the following year’s Westercon business meeting. The question of secondary (second year) ratification is debatable and is amendable only to the extent that such amendments do not increase the scope of the original bylaw amendment.

4.3 Effective Date of Amendments

Unless otherwise provided, amendments shall take effect at the close of the Westercon

Who runs Westercon? Different non-profit groups run Westercon every year since the event moves from city to city. In 2009 it will be run by volunteers from North America and sponsored by Leprecon Inc, an Arizona non-profit volunteer corporation. Please visit www.leprecon.org for more information on the sponsoring organization for Westercon 62.

What is Westercon? Westercon is the West Coast Science Fantasy Conference and is held annually since 1948 in the western half of North America including Hawaii. It is a general interest science fiction / fantasy convention covering literature, art, science, costuming, gaming, music, television, movies, and any other topic of interest to sf/f fans. Westercon is a registered service mark of the Los Angeles Science Fantasy Society, Inc. and is used with permission. Please visit www.westercon.org for further details, bylaws, history, etc.

When is Westercon held? Westercon is traditionally held over American Independence Day Weekend, or one of the closest weekends, although this is not mandatory. It will be Thursday July 2 through Sunday July 5.

Where is Westercon held? It has been held from Hawaii to Spokane, from El Paso to Seattle. This year it will be in Tempe, Arizona, a suburb of Phoenix very close to Phoenix Sky Harbor International Airport.

Why is Westercon held? Although it was started many years ago for those fans who could not afford to attend the World Science Fiction Convention, it has become an event for fans from around North America to travel to different parts of the West, to communicate with different communities and experience the flavor of the region, not only regarding sf/f, but also society at large.

How does it work? A group expresses interest in hosting a Westercon, be they in Los Angeles or Portland or wherever. They bid for the event starting about 4 years out, or 2 years prior to the vote. If they win the bid, then they have 2 years to organize it. They have to have a site, usually a hotel, a committee or team to run the event, they invite VIPs (professionals and fans) to draw in sf/f fans, they plan the program schedule, and advertise it. With help from the community it is successful.

MESSAGE FROM THE CHAIR

2 Westercon Business Meeting

2.1 Scheduling of Sessions

At least one (1) regular session of the Westercon business meeting must be scheduled at each Westercon. No regular session of the Westercon business meeting shall be scheduled to start prior to 11 AM, nor later than 2 PM, nor on the last day of the Westercon. A special session, at which site-selection business shall be the sole order of business, may be scheduled on the last day of the convention, provided that said special meeting is scheduled to begin no earlier than 11 AM nor later than 2 PM. All sessions occurring during the same Westercon, be they regular, adjourned, or special, shall be considered, for procedural purposes, as the same parliamentary session.

2.2 Site-Selection Business

Site-selection business shall be in order at any session of the business meeting. Site-selection business shall include, but need not be limited to, the announcement of the results of the balloting and of a winner if one is produced by the balloting, or of a site-selection resolution, as hereafter defined, if one is necessary [see Section 3.17]. The winner of the site-selection may be announced prior to the site-selection business meeting, if one is held.

2.3 Quorum

For business other than site-selection business, a quorum of fifteen (15) attending members of the current Westercon shall be required. For site-selection business, the quorum shall be those attending members of the current Westercon who attend the meeting. All those persons voting at any meeting must be attending members of the current Westercon. Except as noted in these bylaws or in such rules of order as may be adopted, all business requires a simple majority to pass.

2.4 Parliamentary Authority

The current edition of *Robert's Rules of Order Newly Revised* shall be the parliamentary authority of the Westercon business meeting except where it conflicts with these bylaws or with any special rules of order which may be adopted by the business meeting.

3 Westercon Site-Selection

3.1 Eligibility of Sites

Any site on the North American continent west of the 104th west meridian, or in the state of Hawaii, shall be eligible to be the site of a Westercon, except as restricted by the provisions of these bylaws.

Provided that, upon the annexation of Australia by the United States of America or the annexation of the United States of America by Australia, Section 3.1 shall be amended to read:

“Any site in Australia, or on the North American continent west of the 104th west merid-

during the convention. For those of you with a wheelchair or scooter, their shuttle won't accommodate your equipment, but we've made arrangements to have us share the cost of Super Shuttle or equivalent transportation that can accommodate you with the hotel, so it is still complimentary to you. It's about 10-15 minutes from the airport to the hotel. If you're driving to the hotel, then you'll be glad to know that the hotel rates over the convention dates, plus or minus two days, are US\$119 per night plus tax for all room types including suites. There is a Hospitality Fee **included in this rate** which covers various things such as wireless internet, fitness center, etc. Rooms are Standard Doubles or Standard Kings with smoking or non-smoking rooms available. There are also Executive Doubles (party areas) and Executive Kings (quiet areas) which are slightly larger including additional furniture. The suites (six of them) are all in the name of the convention per the contract. We'll be using two of them on the second floor for Consuite and Staff Lounge. The other four will be for **parties**. All party suites are allocated to the 2010 Westercon (Pasadena), 2011 Westercon Bid (San Jose), 2011 Worldcon Bid (Reno) & Dark Ones. If you're interested in hosting a **party** in the party area, please contact us for details on how to make that happen. You can run a **party** out of a room (Standard or Executive), but you'll need to have that room located on the north side of the hotel, the party area. Some offer connecting rooms next door. Let us know what you have in mind and we'll assist you in making party plans. All sleeping rooms and suites are on the second, third and fourth floors. The hotel is shaped like a square ring, so sleeping rooms face into the courtyard or out to the parking lots. Rooms on the west side of the hotel face Mill Avenue, the main drag through Tempe. These rooms will possibly be noisier due to the events held on Mill throughout the weekend, including the special Independence Day stuff mentioned later.

You may make reservations by calling the hotel at 800-547-8705 or directly at 480-894-1400 or by fax at 480-968-7677. You may also use their website, www.missionpalms.com, and where appropriate use the online code 2T80CO (that's two-tee-eight-zero-see-oh). Once you book it you should receive a confirmation number. That should be used for any problems or updates to your reservation. If you have trouble using the online code for any reason, just give us a holler and we'll have the hotel look into it. They are very responsive and we've had good luck there for other events in the past, such as World Fantasy Con 2004 and SFWA's Nebulas 2006. So they're used to us by now.

1.3.1 Supporting Members

Supporting members shall receive any progress reports or any other generally mailed publications published after the member joins the Westercon, including the Program Book, and may exercise any voting rights permitted by any other part of these bylaws, except attending the Business Meeting. All Westercons shall be required to offer supporting memberships until at least thirty (30) days prior to the opening of the Westercon, and such supporting memberships shall not cost more than one hundred and fifty percent (150%) of the voting fee charged when the site of the Westercon was selected. Any class of membership offered by a Westercon costing at least as much as a supporting membership shall include a supporting membership.

1.3.2 Attending Members

Attending members shall have all of the rights of supporting members, plus the right to attend the Westercon and the business meeting(s) held there, subject to the restrictions established by the other parts of these bylaws.

1.3.3 Restriction of Memberships

Each Westercon committee shall have the right to limit the activities of its attendees, either individually or in groups, insofar as such activities endanger, physically or legally, other persons or property. Such limitations may include, but are not limited to, closing

down parties, ejecting persons from the Westercon, or turning offenders over to other authorities. No refund of membership need be given in such circumstances. Each member, in purchasing his/her membership, agrees to abide by these bylaws.

1.4 Name Badges and Membership Numbers

All committees shall issue name badges for all attending members. Name badges for pre-registered members shall display the member's name in no less than 24-point bold type. All committees shall assign a unique membership number upon processing of a membership. This number provided to each member with the site selection ballot and with each progress report, shall be printed on membership name badges, and shall be used for site-selection purposes. In the event a membership is transferred, the old membership number, if applicable, shall be noted, both on the badge and on registration information used for site-selection voting administration. Membership badges or other proof of membership remain the property of the Westercon committee for the duration of the conference and may be confiscated for cause; no refund of membership fees need be given in such circumstances.

1.5 Archive of Bylaws

The Los Angeles Science Fantasy Society, Inc. (LASFS) shall act as an archive to the Westercon bylaws and the minutes of business meetings. Each committee shall reimburse LASFS for the costs of copying and forwarding copies of the Bylaws and Minutes to those who request them. A copy of the minutes, including the text of motions passed by the business meeting, shall be sent to LASFS within two (2) months of the close of each Westercon by the administering Westercon. LASFS shall maintain the Westercon bylaws and shall forward one copy of the current bylaws, including the text of any amendment to the bylaws awaiting secondary ratification, to the current Westercon committee within four (4) months of the close of the previous Westercon. The current Westercon shall provide copies of the Bylaws to the committees of all Westercon bids for the year which that Westercon is administering the site-selection.

1.6 Distribution of Bylaws to Members

The Westercon Bylaws, as well as the complete text of any amendment awaiting secondary ratification, shall be published in at least one (1) progress report and in the program book of the current Westercon each year. Failure to publish this information shall not affect the procedure to amend the bylaws as stated in Article 4.

1.7 Westercon Service Mark

All Westercons shall publish, in all publications such as promotional flyers, progress reports, and program book, the following notice: "'Westercon' is a registered service mark of the Los Angeles Science Fantasy Society, Inc."

1.8 Responsibilities of Administering Westercon

It is a responsibility of each Westercon to enforce the provisions of these bylaws.

1.9 Committee Failure

Should a Westercon Committee declare itself unable to fulfill its duties, the Board of Dir-
