

1991 Tucson World Fantasy Convention

**The Doubletree Hotel at Randolph Resort
October 31 – November 3, 1991**

1 October 1991

Dear _____,

The enclosed information is a special "WFC '91 Pro Progress Report" and contains much information that you may find important. We have tried to limit people to one or two panels, although a few of you may find yourselves on three. There are still some panels for which we need qualified panelists--if you are not yet scheduled for two panels, and would like to fill a spot, please contact us. The list is contained elsewhere in this mailing. Due to printing costs, we are only printing bios for panelists, so if you are an attending pro who is not scheduled for any panels, you will be listed as a professional in the program book, but no bio will be given.

In addition to the general report, you SHOULD check for the following:

panel assignments

yes

no

bio with credits

yes

NA

still needed

other:

If your bio is enclosed, please proofread it VERY carefully. Many bios were typed into the computer by high school students who wished to earn extra credit. While every attempt at accuracy was made, mistakes are BOUND to have occurred, and we'd prefer to correct any errors prior to publication. Additionally, many of you provided us with little or no information, creating a woefully "slim" bio (or a "faked" joke bio).

Unless we hear from you, we will assume that all is acceptable. The program book goes to press on or about October 15, so we need your corrections and addition panel assignments ASAP.

Thank you for all your help, patience and terrific ideas! We hope you're looking forward to this year's program as much as we are.

Sincerely,

Joe & Maryeileen McKersie

Joe and Maryeileen F. McKersie

P.O. Box 27201 • Tempe, AZ 85285 • (602) 730-8648

HOW TO CONTACT US

Joe and Maryeileen McKersie will be handling all pre-con programming. We can be reached at (602) 893-9691. There is an answering machine at this number to take calls while we are at work. If you wish to speak to us in person, leave a phone number and time for us to call you. We are most likely to be home in the (late) evenings (until 10:30 pm Arizona time) and on some mornings. On weekends, please hold your calls until after 10 am. Although we have tried to impress on our exchange student the importance of allowing the machine to record your messages, she persists in sometimes "helping" us out. Should your call be intercepted by her, please be precise, patient and firm. If in any event we haven't returned your call within 48 hours, don't hesitate to call back.

PRO REGISTRATION

Pro registrations will be with all other registrations. If you have any "assignments" there should be an envelope attached to your badge. All problems and questions will be handled by the green room and At-Con Programming Staff.

FIRST ANNUAL WFC GOLF TOURNAMENT

Thursday at 8:00 A.M., the first annual World Fantasy Golf Tournament will commence at Randolph Park (across the street from the Doubletree Hotel). Anyone interested in participating needs to call Mark Ziesing at (916) 474-1580 or 474-1575 for additional details and registration.

CONTACTING FELLOW PANELISTS

We're aware that panelists may desire to contact each other prior to the con to prepare for the panels, and are encouraging such exchanges. Additionally, we are working to prepare lists of "starter questions" for each moderator should discussion "lag" during the panel. These questions will be sent to each moderator ASAP, however, we felt this PR needed to go out immediately, and chose to send the questions later rather than hold up the entire mailing. If you would like copies of these questions, or would like to contribute, please let us know and we will strive to accommodate you.

PANEL ETIQUETTE

DON'T SKIP THIS SECTION! We all know it doesn't apply to "us," but a little review never hurt anyone!

Uncommon courtesy to your fellow panelists is the rule! The moderator will try to ensure that all participants have a roughly equal share of the time. Please respect this role and limit your comments. Remember that everyone on the panel is an "expert" in the field and has something of value to add.

PANELISTS: GENERAL INFORMATION

Please check your enclosed panel lists carefully. If there are any problems, we need to be contacted immediately so that the mistake can be corrected. We know we're not perfect, so it won't hurt our egos, and we'd rather know now, while changes can still be made.

Here are some of the things for which you should double check:

- Will you be at the con during the time for which you are scheduled?
- Are any panels for which you are scheduled occurring too late or too early for your appearance?
- Are you scheduled "back to back" on any panels?
- Are there any other conflicts or problems of which we should be aware?

VERY IMPORTANT NOTE:

All panels and panelists will have been established PRE-CON. **There will be NO CHANGES MADE AT-CON.** Should a panelist cancel, the alternate will be added. After that, the panel goes--even if it means "flying" with only two or three persons. **PLEASE DO NOT INITIATE ANY SUBSTITUTIONS OR SWITCHES** at the con. If you feel an addition "MUST" occur, please check first with Doreen Webbert, At-Con Programing Director.

ALL PANELISTS ARE REQUESTED TO CHECK INTO THE GREEN ROOM ONE HALF HOUR BEFORE THEIR PANEL. Not only will this give everyone a chance to chat and do some final preparation for the panel, it allows our green room staff a chance to check everyone in and to notify the alternate should someone not appear.

OPEN MIKE NIGHT

As reported in Progress Report number three, we are planning an Open Mike night. Ellen Kushner has agreed to act as the emcee. It is our fond desire that any and all pros with musical talent (or any other performing talents) will participate.

Tentatively, Walter Jon Williams will be our opening act with a lecture called "Clarke's Law Illustrated" which includes his (in)famous Sawing an Editor in Half with a Black & Decker Sabre Saw stunt. We still need an editor-- are there any volunteers? We want to keep the acts (fairly) short--about 15 to 30 minutes. Anyone wishing to participate can call the McKersies for a pre-scheduled time slot, or can sign up at the con.

AUTOGRAPH SESSIONS PLANNED THROUGHOUT THE CON

Pros who wish to set up an autograph session in addition to the Friday night mass autographing may do so by contacting our Autograph Coordinator, Kandy Phong. We are hoping that the inclusion of autograph sessions will eliminate the "nagging fan" who trails after their favorite author dragging a cart of books.

This event will run during most panel times in the pre-function lobby outside the main ballroom. We plan to have space for three writers per hour. Any spaces not filled pre-con **CAN BE SCHEDULED AT-CON.** Kandy requests that if your letter can not be mailed by October 21st, you contact her at-con through the Green Room.

Kandy's address is 5551 West Redfield, Glendale, Arizona 85306.

It might be wise to include a preferred time and an alternate time in case your first choice is filled.

FRIDAY NIGHT AUTOGRAPH SESSION

All authors, whether program participants or not, are requested to attend the Friday night autograph session if at all possible. Please check in through the Green Room for your seat "assignment" and early entry into the salon.

There will be a no-host bar available and we will also strive to provide plenty of ice water at each table. Roaming hosts and hostesses will act as "gophers" for all autograph session participants. Additionally the organizer of this event, Kandy Phong, will circulate with an emergency kit containing extra pens, aspirin, Handi-Wipes, and other supplies.

We will post and publicize a five book per "turn" limit, and instruct the hosts and hostesses in ways to assist you in "enforcing" the limit. Authors who feel uncomfortable sending excited fans back through the line for more than five books might try the psychological ploy of "granting in fantasy what you will not accept in reality" (i.e. "I would like to sit here and sign all 250 of these books, but there are people behind you who are waiting. If you'll give me five now, I'll sign them and then you can get back in line with the remaining 245; I'll sign five more when you reach the table again. That way everyone gets a turn and you'll only need to make 50 trips through the line before your books are all signed.")
