1990 Reasons to Vote for Holland in 1990

Accent - the way the Dutch pronounce English.

Accessibility - we're 45 minutes from Schiphol International Airport.

Advokaat - a drink that combines brandy and egg yolks.

Agents - people, who told you about us and have helped you.

Atmosphere - a chance to talk with foreign fans you'd never get to see otherwise.

Beer - anything from the well-loved Heineken and Grolsch to a wide selection (hundreds!) of Belgian Beers!

Beerenburger - spiced Dutch gin: taste and believe.

Bols - straight Dutch gin for those who are into "normal" drinks.

Canals - cities from Delft to Amsterdam brim with them.

Committee - we've introduced ourselves before - a large, experienced and stable group.

Congress Centre - the ideal building for a Worldcon; serving from 1,000 to 10,000.

Cycling - the great pastime of the Dutch; Rent-A-Bike at many train stations.

Delta Works - a high-tech waterwork that's unique in the world.

Droste - did anybody mention "chocolate"?

Elevators - see "Lifts".

Energetic - we had to talk to all of you, didn't we?

Ethnic - snacks ranging from satay to raw herring at booths throughout the city, or dine at the restaurant of your choice.

Experience - we know how to work together smoothly, and how to cater for a large international crowd.

Foreign fans - more international mingling than ever.

Film theatres - 3 film theatres are part of the con complex, seating 3,746.

Floor Space - 110,008 square feet with a variety of meeting rooms under one roof (which does not include the already mentioned film theatres).

Flowers - the trademark of Holland; take home some tulip bulbs.

Gateway - The Hague is the gateway to Europe; judge for yourself.

two hours by train to Brussels, three to the German border, six to the heart of Paris.

Van Gogh paintings - from sunflowers to ravens, an entire museum devoted to his works, in Amsterdam, 50 minutes from The Hague.

Haagsche hopies - Dutch coffee candy.

Heidelberg - Holland will be exactly 20 years after the last Continental Worldcon in Heidelberg in 1970. Time for another one, we say.

Hospitality - cosy and convenient cafe's in the Congress Centre.

Hotels - 1,500 rooms already booked, in all price ranges, easily accessible.

International Court of Justice - a true palace for the eye at 5 minutes walking from the con, but also central to world affairs today.

Isolation - the Congress Centre will be all ours - no other groups to spoil your fun!

John F.Kennedy International Airport - just 6 hours flying from Schiphol International Airport in The Netherlands.

KLM - our official carrier; excellent service and worldwide connections.

Knight's Hall - the 11th century Ceremonial Hall in the middle of the Government complex, at 10 minutes from the con.

Languages - a majority of the Dutch speak excellent English, good German and reasonable French.

Lifts - the Congress Centre is only three floors high, with a central stairway. So, no lift problems. Of course there are many lifts available, see under "Mobility".

Lively - shopping streets throughout the city, including right in the neighborhood of the Netherlands Congress Centre.

Madurodam - the best of Dutch landmarks brought down to scale, 10 minutes from the con. Remember, this is a city that takes several hours to see.

Main Hall - a splendid theatre seating over 2,000; at last you'll be able to see the Masquerade and Hugo Ceremony!

Mobility - The Congress Centre is optimally accessible to the handicapped: from roomy lifts to restrooms.

Museums - two within 1 minute's walk from the con, as a first sample.

North Sea - the famous Scheveningen beaches at a 15 minute walk from the Congress Centre.

Omniversum - a giant 180° screen cinema, just a 1 minute stroll from the con.

Open-minded - for those who want to dress down at the Masquerade.

Presupporters - all 1.100 and more of you beautiful people reading this.
 Professional - a Worldcon organized by people who have earned their marks in both the professional and the fanish SF scene of Europe.
 Programming - new and refreshing, with ideas from all over the world.
 Public transport - clean, frequent and on-time mass-transit, both country-wide and local. Excellent connections for that European holiday.
 Queen - The Hague is the Royal City, where Queen Beatrix works and resides.
 Rembrandt - for those people who don't enjoy the Van Goghs... in the Amsterdam Rijksmuseum or the Rembrandthuis...
 Rijsttafels - sumptuous feasts from Indonesia, 30-40 dishes to delight.
 Schiphol - International Dutch Airport, where we'll have our own host to guide you to the Congress Centre.
 Staff - Convention Centre staff who are experienced professionals and know what a non-stop convention looks like.
 Stately - The Hague has long been the government centre, attracting many embassies and creating many quiet, dignified and beautiful neighborhoods. (Those embassies, should the need arise, are handy to reach.)
 Surprises - guess what?
 Toto - who thinks this is Kansas - would you like to tell Toto otherwise?
 Uninhibited - better left to the imagination.
 Varied - there are few other places where people from so many different countries can easily reach a Worldcon.
 Watercycles - for those who want to enjoy the canals even more.
 Weather - the weather in late August and early September is usually calm, sunny and - above all - comfortable.
 Windmills - uncountable.
 Wooden shoes - THE garden gear for those with calluses on their feet.
 Xenial - hospitality of a classical sort!
 Xenophilia - indulge your taste for different cultures and societies here.
 You - will enjoy a Dutch Worldcon.
 Zeitgeist - the international spirit of the Worldcon.

Here are some additional reasons - yourselves!

The Bottom Line: How to Make Holland in 1990 Happen!

Since we first announced our bid, we have seen many gratifying expressions of support. People have helped by leafletting conventions, by serving munchies and drinks at our parties, by guiding us in many strange cities, by being our agents, and by taking pre-supporting memberships with us.

It's beautiful to see how many of you support an International Worldcon bid like ours. But most of you already know that, in the end, there is only one way to make **Holland in 1990** come true.

You *vote* for us at Conspiracy. How?

First, you have to be a member of Conspiracy, which is the 1987 Worldcon in Brighton, England. You may be either a supporting or an attending member, but you must be a member. If you're not, write to:

Conspiracy '87
P.O. Box 43
Cambridge
England, CB1 3JJ

Current rates are listed in many SF news magazines and also in some short story magazines. Keep in mind that Conspiracy's mail-in registration will close after 1 August 1987.

Then, as a member, you will receive a Site Selection Ballot from Conspiracy. You can vote with this ballot, either directly in Brighton, or by mail. When you vote, you must also pay a voting fee. The amount still has to be set but will probably be around US\$ 20.00, UK Pounds 15.00 or Dutch f. 40.00. The voting fee automatically gives you a supporting membership in the 1990 Worldcon, no matter who wins.

If you are voting by mail, don't wait with your ballot until the last minute. Mail it first class airmail at your earliest opportunity. Then you can be sure that your vote will be counted. And, again, we need all the help we can get.

We hope to hear from all of you during the Site Selection Ballot counting in Brighton. Let us know you want Holland!

Flying Dutchman Crew Count Increases by One

We have to tell you the bad news first - the post office still returns copies of High Tide to us.

These 2 people have disappeared entirely, joining the crew of the dread *Flying Dutchman* - their copies of High Tide came back to us with "Addressee unknown" or some variant on that.

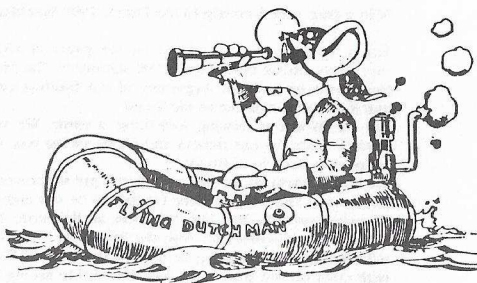

Mike Rogers, last known address: PO Box 3197, Carmel, CA 93921, USA

made pre-supporter through party-agent Charles Curley at Baycon.

Rev. Richard P. Gruen, last known address: PO Box 94305, Palo Alto, CA 94305, USA made pre-supporter at Confederation.

Please help us find these people: if you see them at conventions or meetings, or if you see some activity of theirs in fanzines, please tell them to get in touch with us. This is especially important because, if we win the bid, the pre-supporting membership is worth a nice discount on the price of a Dutch 1990 Worldcon membership.

We're very glad you people listed below did NOT join the *Flying Dutchman*, although we must warn you: it was mighty close!

Lorri D. King, Dale Staley, Thomas Vasak, Phyllis Evalyn Johnson, Sara Paul, William A. Hebel, Steven Cariberg, James Turner.

You nearly joined the crew because you didn't tell us about your Change of Address. You only told your post office. When your High Tide arrived at your old address, your post office sent it back to us.

Holland in 1990 wishes a speedy return to all of the Crew of the *Flying Dutchman*. We also ask you to please notify us directly when you move to a new address. Then no one will have to panic.

Win a free membership to the Dutch 1990 Worldcon!

You've seen our mouse mascot on the pages of High Tide, on t-shirts and on Holland In 1990 stationery. The Mouse has been with us from the beginning of our bidding campaign, and it almost seems like an old friend.

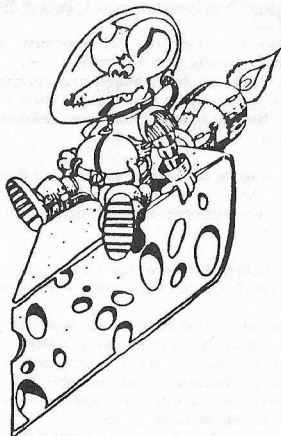

But the Mouse is missing something: a name. We want the perfect name for our mascot and we're asking you, our pre-supporters, to help us find it.

We have something special to thank the pre-supporter finding our mascot that perfect name (as judged by our committee). Provided we win the Site Selection at Brighton, the pre-supporter who comes up with the best name for the Mouse will receive a free attending membership to our 1990 Worldcon, with our heartfelt thanks. We look forward to seeing the best names you all can invent!

We will accept entries at Conspiracy until the moment the Site Selection closes. Entries by mail should be postmarked August 15 at the latest. We will announce the winner in our first Progress Report.

You are eligible for this contest only if you are a pre-supporting member of Holland in 1990 before the Site Selection results for 1990 are announced. You are not required to vote in the Site Selection.

KLM Royal Dutch Airlines has been appointed Official Carrier for the 48th World Science Fiction Convention in The Hague, so if we win, you are guaranteed the best in air transportation by our national airline.

KLM Passage Offices worldwide will then gladly assist you with your travel arrangements to the Netherlands
