Message From the Chair

Kent Bloom

Hello, Denvention 3 members. I hope everyone is doing well. We've been very busy here in Colorado and around the world working to organize a great Worldcon. I think you will all find interesting and exciting things to see and do at Worldcon in Denver starting Wednesday, August 6th, and running until Sunday, August 10th. This Progress Report is full of information we think you will want to know so you can plan to join us then.

The Hugo Nominating Ballot (for works from 2007) is included with this progress report. Everyone who is a member of Denvention 3 before January 31, 2008, and everyone who was a member of Nippon 2007 is eligible to nominate works or people (as appropriate by category) for the 2008 Hugo Awards for Science Fiction and Fantasy achievement. You can fill out and mail in your nominating ballot, or nominate on our web site (denvention.org). Ballots must reach the Hugo Administrator by midnight Pacific Time on Saturday, March 1, 2008.

Information about our hotels is included in this progress report. In order to have enough rooms for our projected

member numbers, we've had to negotiate room blocks in seven different hotels. All of these hotels have easy access to the convention center. If you have special needs or hotel reservation problems, contact us at housing@denvention.org.

If you know anyone who is thinking about joining Denvention 3, please encourage them to do so as early as they can. This will help us with our planning, and allow us to do more. Worldcon is run by a different group each year. Most of these groups, including ours, don't have any assets to draw on. Thus many interesting projects cannot happen unless we know in advance that we can afford them. One way to improve everyone's Worldcon is to buy memberships as early as possible. Memberships may be purchased online on our web site.

As always, I want to remind everyone that Denvention 3 is organized, managed, and run by volunteers. We are always in need of more help. If you can help, please let us know. You can volunteer on our web site, at one of the conventions where we will have a table, or via postal mail.

Special Music Guest Announcement

Denvention 3 is pleased to announce Kathy Mar as our new Special Music Guest. Kathy started her professional music career as a street singer and folk artist in the clubs and coffee houses of Denver and environs. She bought a one day membership to Denvention II and was introduced to a whole new world — science fiction fandom. While walking down the hall at Denvention II she stopped at a doorway to listen to people sing songs about space and fantasy. It is fair to say neither Kathy nor the filk community has been the same since.

Exhibits Division

Ian Stockdale

Activity is ramping up in the Exhibits Division. We've reorganized a bit, tackled nuts and bolts tasks like measuring and drafting layouts, and primed the creativity pump discussing ideas for some interesting and attractive exhibits. We'll have fan history exhibits, the Pro and Fan Galleries, and of course the Hugo Award History Exhibit. We're also looking forward to working with the Programming Division on the Technology of Reading Exhibition Event. Our Dealers' Room and Art Show will showcase traditional Worldcon and Colorado artists and vendors. What a great opportunity for visitors to sample what the Colorado science fiction community has to offer, and for Colorado fans to experience Worldcon fare.

As mentioned in the last PR, the Denver Convention Center is both attractive and welcoming. While many exhibits will be in the main exhibit hall (the prosaically named "Hall D"), we will take advantage of other areas in the building as well. There are spaces with wonderful natural light that will both enhance exhibits and provide a pleasant environment for the fannish exhibit-watcher.

We'd love to get your input on ideas for new and interesting exhibits. The convention theme is "A Mile Closer to the Stars." With this being the first Worldcon in Denver in many years, we'd like to explore connections to Denver, both fannish and otherwise. If you have an idea for an exhibit, we'd be glad to hear from you. Perhaps you have some cool artifacts that seem like they'd fit into a fannish exhibit but you're not sure how? Let us know; we can put our best minds on the problem. Perhaps you'd even like to volunteer? If so, we'd be delighted to (as they say) explore opportunities.

Programming Division

Mary Morman

The Programming Division for Denvention 3 is moving into high gear to plan a wide variety of panels, workshops, and presentations for your enjoyment. To tell us what you would like see as programming at the Worldcon, go to www.denvention.org/programming and click on the "Program Membership Survey". Let us know what writers, scientists, speakers, and fans you'd like to hear from, and what topics you would like us to discuss. If you are interested in being a program participant, then click on the "Program Participant Survey" and tell us about yourself so we can find a place for you to shine.

Most daytime programming for the Worldcon will be in the Colorado Convention Center. Most late afternoon and evening programming will be in the Adam's Mark (Sheraton). Our objective is to arrange things so that you will NOT need to walk back and forth from the Convention Center to the hotel. We do have a small amount of program space in the Hyatt Regency Denver hotel — directly across from the Convention Center — that we plan to use for Kaffeeklatsches and readings.

Dealers' Room

Our Dealers' Room is being run by the talented and experienced team of Sally Kobee and Larry Smith. They have worked a number of very successful Worldcon dealers' rooms in the past, and it is a pleasure to have them on the Exhibits team. There will be the usual wide variety of dealers, with a mix of new and familiar faces. We started sending out the dealers' room packets in mid-November. By the time you read this Progress Report, all those who have sent requests to us should have received their copies. If you haven't received your packet, please contact us at dealers@denvention.org.

Art Show

The art show team, led by Bruce M. Miller and Cheryl A. Sundseth, is working through the final details for a mailing to artists. Bruce and Cheryl have run many Denver art shows, including every MileHiCon art show since 1991. Those of us who attended the most recent committee meeting had the wonderful opportunity to see the MileHiCon art show. We're very excited about the great artists who will be showing their work in August. Artists, please contact us at artshow@denvention.org. There is also an art show Yahoo group at www.groups.yahoo.com/group/d3artshow/.

Exhibits Division Contact Information

In addition to the above contacts, you can reach Exhibits Division staff at exhibits@denvention.org. We're interested in your questions, your ideas, and your assistance. If you think that a previous query may have vanished into the ether, please drop us a line as well. Mail does occasionally go astray, and the ether (or spam filters) sometimes really does eat electronic communications.

In the Convention center we have 22 programming rooms with space to seat over 4400 people at any given time. Our rooms vary from seating for over 1000 in the main programming room (for opening and closing ceremonies), to intimate 30 person rooms for readings and workshops. And of course, that space doesn't even include the wonderful 5000 seat Wells Fargo Theatre that we'll be using for the Hugo Awards Ceremony and the Masquerade.

Special Events

Break out your dress uniforms and best embroidered bolero jackets and join us as we celebrate our guest of honor Lois McMaster Bujold at a "Summerfair on Barrayar" Wednesday evening at the Adam's Mark (Sheraton) hotel. Another dress event will be our whimsical Regency dance event, the Dowager Duchess of Denver's Ball, on Saturday afternoon. In addition to the special events, there's a huge gaming room that will stay open late, and plenty of space for filking, films, and other fannish activities. We look forward to seeing you in August!

Special Music Guest Kathy Mar

With her clear, strong soprano voice and unique guitar technique, Kathy is a distinctive and polished performer. She is well known for her willingness to share her time with any musician who is interested in learning to improve, providing many an impromptu lesson in vocal technique, guitar work and songwriting. And boy does Kathy write songs! Original songs. Songs that stay inside

your head and gently unscrew the lid of your subconscious. Songs that take your thoughts soaring to places with no maps or guidebooks. People stay up late listening to Kathy sing, and then stay up even later singing with her.

Off Centaur published her first 3 recordings *Songbird* (1982), *On A Bright Wind* (1984) and *Bamboo Wind* (1985). These were followed by *Plu Ca Change* (1988) and *Plu C'est La Meme Chose* (1990) published by Thor Records. *Made By Magic* was her first CD released in 1994 by Dandelion Digital. Her latest CD is *My Favorite Sings* published in 1999 by Prometheus Music. She has been nominated 25 times for the Pegasus Award for excellence in filking, and has won seven times, including three for best filk song, and three for best writer/composer. In 1996 she was inducted into the Filk Hall of Fame.

Kathy lives in San Leandro, California with her primary life partner (and most devoted roadie) Dean Dierschow. She is the mother of Michael (1970-1982), Melanie (1972) and twins Nicolas and Cassandra (1985).

Technology of Reading Glenn Glazer

Fans love reading, from novels to fanzines to progress reports. As such, we are really excited to bring our Exhibition Event, The Technology of Reading, to Denver and to Fandom. We plan to have a full track of panels and roundtables on the subject, covering everything from ancient calligraphy to how computer chat is changing our language. We will present demonstrations of papyrus and paper making, modern eBook readers and perhaps a few surprises in between. We will also be hosting an exhibit displaying these various technologies and their products.

But enough of us, you say. What can I do to help? We are always interested in new ideas, please e-mail me at techreading@denvention.org.

Beyond that, we are specifically looking for two kinds of people. The first group is those with the skills to present those very fannish technologies of mimeo and hekto. The other group is those who work for any of the various computer reader companies who would be willing to help bring their company's products and presenters to Denvention. Looking forward to hearing from all of you!

Music Programming

Kathleen Sloan and Blind Lemming Chiffon

We are thrilled that Denvention 3 has added Kathy Mar as Special Music Guest, and that could mean anything from a fantastic don't-miss-it concert to roadkill bunnies and renegade hallway filks.

Expect the usual and the unusual. There will be panels, big concerts, small concerts, theme circles, workshops, events and all-night singing. As far as the unusual, some of the items suggested, but still in the maybe stages, have been a tour of Blind Lemming's mansion, drive-by filking, a Hobbit's Second Breakfast, moving The Bash to Denver, and arranging for a group of filkers to invade one of the area's many open-mike nights.

The program participant questionnaire is up on the Denvention website, so if you'd like to be on a panel, perform in concert, or help out in any way, please register as a participant, and also send us an email at filk@denvention.org to help us with our planning. We want you to email us with comments and suggestions. The main filk area will be at the Adam's Mark. We plan to have musical events and programming in other areas as well.

The works of Lois McMaster Bujold have inspired quite a number of people to write songs, and we are planning a concert featuring some of the best of those songs, including many of Lois's favorites. Filks about her many worlds range from touching and beautiful to inspiring to downright funny.

Song Contest

Write a song on the theme "A Mile Closer to the Stars," get it to us by May 31, 2008, and win fabulous prizes! Send lyrics and an MP3 of your song to filk@denvention.org. Alternately, mail lyrics and a CD or cassette tape to Blind Lemming, c/o Short Planet Productions, PO Box 13092, Denver, CO, 80201. The winning song will be performed at the convention. Submission allows Denvention 3 the right to publish the lyrics and perform the song at the convention. Copyright reverts to author. Songs will be judged on how well they fit the theme, quality of writing, and how well the music fits the song. Submissions may be original music and lyrics, or new lyrics set to existing music. Supporting or attending members of Denvention may submit a song. The winner may, if unable to perform the song at the convention, select an attending member to perform the song.

Request for Publication Submissions

We are looking for artwork and articles for our publications. The deadline for our next progress report is February 15, 2008. Please send progress report submissions or questions to PR Editor Michael Nelson at pr-editor@denvention.org or souvenir book submissions to Tim Miller at souvenirbook@denvention.org. Submissions may also be sent to the Denvention 3 postal address.

Denvention 3 Weapons Policy

General

No weapons, whether edged or projectile firing or replicas thereof, may be carried in any part of the convention. The convention reserves the right to decide what constitutes a weapon. If anyone is found with a weapon, real or replica, individuals will be given one (1) opportunity to take said weapons offsite, to their room or to their vehicle. Be aware that the Committee reserves the right to impound these for the duration of the convention should individuals not have anywhere to store weapons. Failure to put a weapon away offsite, in a room or a vehicle, or to surrender a weapon for impounding is grounds for revocation of membership without refund and expulsion from the convention.

Masquerade

The Masquerade Director must approve the use of a weapon during the Masquerade. These must be wrapped when being transported to and from the masquerade rehearsal and the masquerade proper. The Masquerade Director must be informed in advance of any weapons being used and must approve all such uses. It is possible that costumers may have to demonstrate that they understand the appropriate safe use of any weapons planned for their presentation and refusal to do so could lead to disqualification if, in the Masquerade Director's opinion, the unrehearsed use could have endangered members of the convention, whether in the audience, backstage or on stage.

Dealers

Weapons sold in the Dealers' Room must be wrapped by the dealer and taken away by the purchaser. They may not be unwrapped until off site or in a private room or a private vehicle. Dealers must make customers aware of the need to keep weapons wrapped whilst in transit to an off-site location, room or vehicle.

Fan Tables

Sharon Sbarsky

Fan tables are an opportunity to meet other fans and introduce them to your convention bid, SF convention, club, or other fannish organization. Fannish groups are the heart and soul of fandom, so there will be no charge to groups for the table. However, everyone working at a fan table must be an attending member of Denvention 3.

You may sell items such as memberships, bid T-shirts, and fanzines for your non-profit organization from a fan table. Non-profit groups that sell a number of different items belong in the Dealers' Room.

More information will be forthcoming on the website and in future progress reports. If you have questions or special requests e-mail me at fantables@denvention.org.

Save a Tree

If you prefer not to receive paper copies of our progress reports, request e-mail notification when new electronic versions (Adobe PDF) are posted. Send your request to Denvention 3 Pre-Registration at prereg@denvention.org.

Be a Volunteer!

Melanie Herz

Worldcons are really big and you just won't believe how mind-bogglingly big they really are. It takes a lot of Volunteers to put on a convention of this size; from months of pre-planning all the way through to wrapping up the books. It's a huge undertaking and there are so many aspects of running this show. But they are all done by volunteers.

Volunteers are needed for a wide variety of tasks: registration, checking for badges, crowd management at various functions, helping to set up and tear down exhibits for the convention, displaying items at the Art Auction, newsletter distribution, food preparation for the con suite, running errands and basically performing all the functions that keep things moving smoothly at the convention.

Volunteers do not need a special skill. They just need to have a desire to help in the continuance of a proud tradition that is known the world over as the Worldcon. So please join us! Meet new friends and connect with old ones. Learn a new skill or show yours off. We will be happy to assist you in finding the right position to heighten your experience as a volunteer. If you have any questions or suggestions to help things run smoother don't hesitate to contact us at volunteer@denvention.org or fill out our on-line form on the Denvention 3 web site.

Don't worry that you might not be useful — everyone is! In fact all of the people you see listed as Committee and Staff are volunteers too!

The Masquerade Needs You!

Jill Eastlake and Dr. Karen Purcell

Be in the Masquerade! We will limit the show to 75 entries. There will be pre-registration available on the Denvention 3 website starting as early as February, so watch that space. And, to benefit all the entrants we will be using the normal division system so that young fen (those under 13 at the beginning of the convention) will only compete with each other, novices (those competing for the first time or having not won any ribbons for any costumes) will only compete against each other, journeymen (those competing with one to three world class wins for any costumes) will only compete against each other, and masters or craftsmen (those who are in the costuming and/or clothing business, or have three or more world class wins as a journeyman or any world class wins as a master or craftsman) will only compete against each other. Anyone may compete at a more difficult level and anyone may win Best in Show (and there have been novices who have won Best in Show). There will be detailed Workmanship judging in all divisions, so come show us your stuff!

Mail payment to our Finance Division at the Denvention 3 postal address if you submit your ad electronically. Contact our Finance Division at finance@denvention.org to make arrangements to pay by credit card.

If you aren't going to be in the Masquerade — please volunteer to help. The Masquerade will easily need 50 or more people to have it run smoothly. We'll be filling in the leadership positions first, and keeping track of all volunteers so we'll be able to place you in the job you want to do. Never worked a Masquerade before? There's a first time for everything, so please come by and help. We need you.

The Masquerade will be held on Friday evening, starting — on time — at 7:30 pm. Yes, ON TIME! The show will be held in the Wells Fargo Theatre in the Convention Center. There are 5,000 seats for the audience — so no lines please — and no waiting. We'll open the doors as early as humanly possible and there will be no problem finding a great view from the audience. We're looking forward to a World Class and fun Masquerade. Please join us. We can be contacted at masquerade@denvention.org.

Denvention 3 Birthday Party Terry Adams

The Con Suite is planning a birthday party on Thursday, the second evening of Denvention 3, at 8 pm for everyone whose birthday falls during the convention. We'll have a birthday cake and balloons and funny hats, and sing birthday songs! If you'll be having a birthday during Denvention 3, please contact terry.adams@denvention.org to let her know to add your name to the birthday list.

Tourism Information Melissa Morman

Planning continues for things to do and see while you're here for the convention. Check the website for the most current information. In the meantime, here are some ideas:

Take Me Out to the Ball Game

Good news — the National League Champion Rockies will be in town during and after Denvention 3.

August 4 - 6 Washington Nationals
August 7 - 10 San Diego Padres
August 12 - 14 Arizona Diamondbacks

Please note that the dates are tentative; the schedule will not be finalized until after the first of the year. We are working with the Rockies on seeing what kind of group deals are available; as we have already heard from a number of fans who want to see a game at Coors Field. (The park also has its own brewpub, called Rounders, inside.) Let us know if you're interested!

Got Books?

One of our favorite places in downtown Denver is the Tattered Cover Book Store. It's one of the largest independent bookstores in the US and is a Denver landmark. It opened in 1971 and was purchased by Joyce Meskis, its current owner, in 1974. There are actually three stores: one in Lower Downtown (about a 3-minute shuttle ride from the Convention Center), one in Highlands Ranch (in the southwest suburbs) and the main store on Colfax Avenue (accessible by bus or car, about 15 minutes from downtown). The three stores host signing sessions and readings on a regular basis. The knowledgeable, friendly staff will help you find a book or will special order anything you want. Each bookstore has a coffee counter with sandwiches and snacks and plenty of comfortable chairs for reading.

Help Wanted

We are looking for ideas and suggestions from visitors: what do you want to see? Are you curious about anything about Denver or Colorado in particular? Locals: would you like to help out at the con for an hour or two answering questions and helping visitors find their way around Denver? Got any ideas for interesting places to see? E-mail us at member-services@denvention.org and let us know.

Restaurant Recommendations

We want to know about your favorite restaurants, brewpubs, night clubs, cafes, etc. in the Denver area for our Restaurant Guide. Send your recommendations to Melissa Morman at melissa.morman@denvention.org.

My First Visit to Denver Michael Nelson

I attended a weekend meeting of the Denvention 3 committee in June, which gave me an opportunity to explore Denver for the first time. Being an out-of-shape fifty-something fan, I was concerned how the high altitude would affect me. I did not experience any difficulties during the three days I spent in Denver. However, you may wish to consider arriving a day or so early before Denvention 3 if you think you may need time to adjust to the higher altitude. According to the *High Altitude Tips* on the Denver Tourism web site (Denver.org), drinking plenty of water is the number one way to help your body adjust to the higher altitude.

In addition to Denver's higher altitude, there are two other nature-related aspects the typical office cubicle-dwelling fan should consider. Denver is sun-drenched — there's less atmosphere to screen out UV radiation — and Denver is very dry. So when you pack to attend Denvention 3, bring sunscreen, sunglasses, a hat, lip balm, and skin moisturizer. You should try to drink about twice as much water as you would drink at home.

The average daytime temperature during my visit was in the mid to high 80s (30 – 32°C). Expect the average daytime temperatures to be slightly higher in early August. Breezes and low humidity levels help make the hot days comfortable. Bring light outerwear since the temperature can go down to the mid 50s (13 – 15°C) later in the evening and early morning.

Another concern I had before my visit was the distance of the Adam's Mark (Sheraton), our main evening functions hotel, from the Colorado Convention Center. The shortest door-to-door distance is about five blocks. One alternative method of reaching the convention center is to exit the Adam's Mark (Sheraton) on 16th Street and take a free 16th Street Mall shuttle bus to within two blocks of the convention center. You can also purchase a RTD Light Rail train pass and ride the two blocks from 16th Street to the station under the attached 1,000 space convention center parking garage. My own personal plan is to have breakfast (and use the free WiFi to check my e-mail) somewhere along the 16th Street Mall to break up my walk to the convention center. With many Starbucks and other coffee shops such as Peet's Coffee & Tea, Caribou Coffee, and Tuscany Coffee, I think my coffee needs will be covered.

I will write more about the 16th Street Mall and other Denver attractions near our convention center in a later progress report — especially my hard-hitting in-depth investigation of Denver's numerous brewpubs. I managed to sample three excellent brewpubs during my first visit and I look forward to sharing my experience. Did you know the effect of drinking one beer at Denver's altitude is magnified two to three times greater than the effect that same drink would have at sea level? If you decide to test the high altitude effect of drinking, don't forget alcohol and caffeine are diuretics that can contribute to dehydration.

Denver — one mile closer to that plasmatic ball of nuclear fusion we call the Sun.

LOCUS

"LOCUS is still the *only* magazine I read from cover to cover. It is also the only magazine which makes me drop everything when it arrives..."

Sir Arthur C. Clarke

"I recommend it to anyone needing a broad, accurate, non-partisan view of the SF scene."

Michael Moorcock

"LOCUS is consistent. Always accurate, fair, and full, it offers all the news there is about science fiction, the people who write it and sell it and buy it and print it and read it, all around the world."

Jack Williamson

"I told my students...You have to subscribe to LOCUS!"

Connie Willis

"LOCUS...a place where one can expect, and get, timely information about what is happening in the wonderful and quirky world of science fiction."

Jean M. Auel

"One of the great services of LOCUS is to boost the general 'street smarts' of new writers and other professionals."

David Brin

"No one who is serious about any aspect of science fiction publishing can afford to be without LOCUS."

Ben Bova

"LOCUS is now an intrinsic part of everything that science fiction is and does, a primary resource for innumerable enterprises, and a continuing source of information and entertainment."

Michael Swanwick

"LOCUS manages to be broad and deep at the same time. I appreciate the continuous contact with worldwide science fiction, the many viewpoints in the reviews, the lively and intelligent writing."

Orson Scott Card

"The sheer miracle of the production and survival of LOCUS in a field like ours never ceases to amaze me. It's essential reading in this house, and the closest thing we have to an international newszine."

Terry Pratchett

"For 35 years LOCUS has kept me up to date with the social side of SF, and since my first sale in 1969 it has been my primary writing resource—even more important than *Publishers Weekly*, the LOCUS of the rest of the publishing world."

Denvention 3 Hotel Booking Information

Patty Wells and Ben Yalow

Welcome to everything we know about hotels. And note, it's everything we know as of November 30. The Adam's Mark has been bought and will become a Sheraton, and no one at the hotel knows how quickly the changeover will progress, or what registration system they'll be using. This is why, later on in this article, it is suggested you register through our web page, which we can link to whatever system will be in use. This we can update as information on the changeover comes in from the hotel.

We are in Denver at a very exciting time. It has become a much sought after meeting destination, and we're only the third largest convention in the city on our weekend. We will be sharing convention and hotel space with John Deere reps and the American Statistical Association (a group that will surely want to peek into our programming).

One consequence of Denver's popularity is that we have had to spread our accommodation across a number of hotels to secure the 1,600 room block and competitive rates that our members expect. Even so, all seven of our properties are within five blocks of the convention center, with ready ac-

cess to public transportation. You can also choose from a range of chains (good news for those of you with points to use) and price levels.

For those of you who've never been to Denver, or haven't been since their last Worldcon, you're going to find this a pleasant downtown for a Worldcon. The upgrades that have made Denver so popular include the 16th Street Pedestrian Mall — a mile-long pedestrian promenade through the heart of downtown. It includes excellent shops, restaurants, outdoor cafes, and free WiFi. Plus — and this is our favorite part — free buses leave every 90 seconds. And there's a light rail system that runs from directly in front of the convention center, with stops near some of our hotels, and on the 16th Street Mall. It's a downtown area that is efficiently designed with pedestrians, who want to eat well, in mind.

The **Hotels at a Glance** table includes rates and approximate distances in blocks to the Colorado Convention Center, and we've included a map of the downtown Denver area to put the layout in perspective. However, we also want to give you more information on our hotels.

Hotel Name	Single	Double	Triple	Quid	Suites	Blocks to CCC	Smoking Rooms Available	Comments
1. Hyatt Regency Denver	\$159	\$159	\$184	\$184	No	1	Yes	Next to CCC
2. Crowne Plaza Denver	\$129	\$129	\$129	\$129	Yes	2	Yes	Childcare
3. Courtyard Denver Downtown	\$131	\$141	\$151	\$161	No	2+	No	Quiet hotel
4. Westin Tabor Center	\$159	\$159	\$179	\$199	No	5	No	Quiet hotel
5. Denver Marriott City Center	\$159	\$159	\$174	\$174	Yes	4	No	Quiet hotel
6. Grand Hyatt Denver	\$159	\$159	\$159	\$159	Yes	4	Yes	Quiet hotel
7. Adam's Mark (Sheraton)	\$149	\$149	\$149	\$149	Yes	3½	Yes	Party only hotel

The Hyatt Regency Denver at the Convention Center is the hotel directly across from the CCC. It is the newest hotel in our block, and is the best designed for handicapped access. If you have difficulties in booking an accessible room, please let us know at housing@denvention.org. There will be a small amount of programming in this hotel.

The Crowne Plaza Denver is formerly a Holiday Inn and was built as such, but underwent renovation in the process of becoming a Crowne Plaza. It is between the Colorado Convention Center and the Adam's Mark. For this reason childcare will be located here as the most convenient for parents going to activities in both places.

The Courtyard Denver Downtown is directly on the 16th Street Mall, in the heart of the restaurant area, and is just over two blocks away from the CCC. It has all the features that make Courtyards so popular with fans.

The Westin Tabor Center is a AAA Four Diamond property, and while we have blocks in some lovely places, this is one of the swankiest, and one with really spacious rooms for a downtown hotel. One of its features is a mile high heated rooftop pool. It is adjacent to the 16th Street Mall and close to the CCC.

The Denver Marriott City Center is a luxury Marriott on the light rail to the CCC, but is also within easy walking distance (4 blocks). Besides the beloved by fans Marriott points, it offers a convenient location a block from the 16th Street Mall.

The Grand Hyatt Denver is an recently updated award-winning AAA Four Diamond hotel located within easy walking distance of the CCC, near the Adam's Mark, and a block from the light rail that runs directly to the entrance of the CCC.

The Adam's Mark is expected to be a Sheraton by the time we arrive for Worldcon — although we hope they keep the distinctive horse statues in the lobby. The Adam's Mark will host later evening programming, including dances and filking. All parties will be in this hotel; there is no quiet block in this hotel.

Deadline

All ballots must be *received* by Midnight (2400hrs), Pacific Standard Time on Saturday, March 1, 2008.

Please mail as early as possible, to ensure that your ballot will be counted. Overseas members should send their nominations airmail. Mail your ballot to **Hugo Awards Administrator, 1463 E Republican # 173, Seattle, WA 98112-4517 USA**. Please fill in the eligibility section on the previous page. Do not forget to sign the ballot — we will not count your ballot if it is unsigned.

How to Nominate

- You may nominate up to five persons or works in each category. However, you are permitted (and even encouraged) to make fewer nominations or none at all if you are not familiar with the works that fall into that category. The nominations are equally weighted: the order in which you list them has no effect on the outcome.
- "No Award" will appear automatically in every category on the final ballot — there is no need to include that choice on the nomination form
- Please include source information whenever possible. This is not mandatory, but does make it easier for us to identify the work you intend to nominate. For the fiction categories, dramatic presentation categories, best professional artist, and related book, space has been provided for this. In the remaining categories there is less room, but if your nominee is not well-known we would appreciate your writing in a source where his or her 2007 work in that category may be found.
- Please type or print clearly. We can not count illegible ballots.
- The five top vote getters in each category (more in case of ties, fewer if not many nominations are cast in that category) will appear on the final Hugo Awards ballot, which will be distributed in conjunction with the Denvention 3 Progress Report Three scheduled for publication April, 2008. Only members of Denvention 3 (including those who join after January 31, 2008) will be eligible to vote on the final ballot.

Please note that items may be relocated to a different category by the Hugo Awards Administrator if they are within 20% of the category boundary (such as in the case of: Novel/Novella, Novella/Novelette, Novelette/Short Story, and Dramatic Presentation, Long Form/Dramatic Presentation, Short Form).

If you have any questions, feel free to pass them on to us at hugoadmin@denvention.org

Eligibility

Works published in 2007 for the first time anywhere or for the first time in English are eligible for the Hugo Awards being awarded in 2008. Books are considered to have been published on the publication date which usually appears with the copyright information on the back of the title page. If there is no stated publication date, the copyright date will be used instead. A dated periodical is considered to have been published on the cover date, regardless of when it was placed on sale or copyrighted. Serialized stories or dramatic presentations are eligible in the year in which the last installment appears.

The 2007 WSFS Business Meeting, as authorized by section 3.2.3 of the WSFS Constitution, passed a resolution providing that works originally published outside the United States of America and first published in the United States of America in 2007 shall also be eligible for the 2008 Hugo Awards, unless they have already appeared on a final Hugo Award ballot.

Other rules of eligibility are given with the specific categories.

Exclusions

The Denvention 3 Committee has irrevocably delegated all Hugo Administration authority to a subcommittee. Therefore, only Mary Kay Kare, Kent Bloom, Liz Copeland, and Jeff Copeland are ineligible for the 2008 Hugo Awards.

Reproduction

Reproduction and distribution of this ballot is permitted and encouraged, provided that it is reproduced verbatim (including voting instructions), with no additional material other than the name of the person or publication responsible for the reproduction.

This ballot must be received by midnight (2400hrs) Pacific Standard Time, Saturday, March 1, 2008

The Gritty Details for Hotel Booking

In general, you book hotel rooms directly with the hotels. You can only book suites through the Denvention 3 Facilities Division. The cut-off date for making room reservations is **July 6, 2008**. If we can get that extended we will update the web page with that information. Reservations made after the cut-off date will not be at the convention rate.

The easiest way to book hotel rooms is on-line booking. You can find all of the latest information about booking hotels at our on-line hotel booking page, at: www.denvention.org/facilities/hotel-booking.php. Our web links to the official hotel booking pages that have been set up for Denvention 3 are scheduled to go live on **January 21, 2008**.

On that page, you will be able to select which hotel you want to book your room at, and you'll be taken to a page that has detailed instructions about booking that hotel. And, since that booking will take place immediately, you will know if there are any problems with the reservation, or if the hotel is full, in which case you can select another hotel.

If you wish make your reservation by phone, each of the hotels will accept your reservation information. You need to ask for the Worldcon/Denvention block to get the group rate. Be prepared to give the information that will be required (names/address, check-in/check-out dates, credit card number to guarantee the reservation). In the US/Canada, the phone numbers are as follows (outside the US, contact the hotel chain's main phone number; fax reservations are not accepted):

The **Hyatt Regency Denver** and the **Grand Hyatt Denver** can be reached through Hyatt reservations at 888-591-1234.

The **Crowne Plaza Denver** can be reached through Crowne Plaza reservations at 877-227-6963

The **Courtyard Denver Downtown** can be reached at 888-526-6068.

The **Marriott City Center** can be reached at 800-444-2206.

The **Westin Tabor Center** can be reached at 800-937-8461.

As has been mentioned earlier, the **Adam's Mark** is being converted to a Sheraton, but the conversion isn't yet complete and the date by which it will be completed is unclear. We don't know yet whether phone reservations at that hotel will be through the Adam's Mark booking system, or the Sheraton booking system. Please check the Denvention 3 web page for the latest information on how to make phone reservations at this hotel. The on-line booking page will also be updated, so you should be sent automatically to the right location in that case. You may also be able to make phone reservations by calling the hotel directly, at 303-893-3333.

Booking Suites

Suites cannot be booked with the hotels, but only through the convention. We have a limited number of party suites in the Adam's Mark, and non-party suites in the Crowne Plaza, the Marriott City Center, and the Denver Grand Hyatt (not the Hyatt Regency Denver).

We have one bedroom suites for \$249 in the Marriott City Center, \$164 in the Crowne Plaza, and Executive suites for \$309 in the Grand Hyatt Denver.

The Adam's Mark (Sheraton) is our party hotel. We will have detailed party information in the next progress report. Party suites in the Adam's Mark (Sheraton) are \$199 for an Executive suite, and \$300 for a Deluxe suite.

If you want to book a suite, please e-mail us at suites@denvention.org, letting us know your desired types and dates. Since there are only a limited number of suites, we will let you know if we're able to get you one.

In order to allocate suites, we will hold all requests until **April 1, 2008**. Suite requests received by that date will be treated as if they had arrived at the same time, in terms of preference. Requests arriving after that date will be assigned suites after the requests that have arrived by then are handled. For requests made by April 1st, we plan on assigning suites by the middle of May.

Conclusion

We're delighted to offer you a spread of high quality hotels in the heart of Denve. We will be sure to keep you informed via the on-line hotel booking page of any relevant news. We will also do our best to answer inquiries promptly because we know that choosing and staying in the right hotel is a very important part of your Worldcon experience. If there are questions about booking hotel rooms which have not been answered by this article or our on-line hotel booking page, we can be reached at housing@denvention.org.

3.3.15: Additional Category. Not more than one special category may be created by the current Worldcon Committee with nomination and voting to be the same as for the permanent categories. The Worldcon Committee is not required to create any such category; such action by a Worldcon Committee should be under exceptional circumstances only; and the special category

created by one Worldcon Committee shall not be binding on following Committees. Awards created under this paragraph shall be considered to be Hugo Awards.

Section 3.4: Extended Eligibility. In the event that a potential Hugo Award nominee receives extremely limited distribution in the year of its first publication or presentation, its eligibility may be extended for an additional year by a three fourths (3/4) vote of the intervening Business Meeting of WSFS.

Section 3.5: Name and Design. The Hugo Award shall continue to be standardized on the rocket ship design of Jack McKnight and Ben Jason. Each Worldcon Committee may select its own choice of base design. The name (Hugo Award) and the design shall not be extended to any other award.

Section 3.6: "No Award". At the discretion of an individual Worldcon Committee, if the lack of nominations or final votes in a specific category shows a marked lack of interest in that category on the part of the voters, the Award in that category shall be canceled for that year.

3.8.2: The Worldcon Committee shall determine the eligibility of nominees and assignment to the proper category of works nominated in more than one category.

3.8.3: Any nominations for "No Award" shall be disregarded.

3.8.4: If a nominee appears on a nomination ballot more than once in any one category, only one nomination shall be counted in that category.

3.8.5: No nominee shall appear on the final Award ballot if it received fewer nominations than five percent (5%) of the number of ballots listing one or more nominations in that category, except that the first three eligible nominees, including any ties, shall always be listed.

3.8.6: The Committee shall move a nomination from another category to the work's default category only if the member has made fewer than five (5) nominations in the default category.

3.8.7: If a work receives a nomination in its default category, and if the Committee relocates the work under its authority under subsection 3.2.9 or 3.2.10, the Committee shall count the nomination even if the member already has made five (5) nominations in the more-appropriate category.

Section 3.9: Notification and Acceptance. Worldcon Committees shall use reasonable efforts to notify the nominees, or in the case of deceased or incapacitated persons, their heirs, assigns, or legal guardians, in each category prior to the release of such information. Each nominee shall be asked at that time to either accept or decline the nomination. If the nominee declines nomination, that nominee shall not appear on the final ballot. In addition, in the Best Professional Artist category, the acceptance should include citations of at least three (3) works first published in the eligible year.

Section 3.10: Voting.

3.10.1: Final Award voting shall be by balloting in advance of the Worldcon. Postal mail shall always be acceptable. Only WSFS members may vote. Final Award ballots shall include name, signature, address, and membership-number spaces to be filled in by the voter.

3.10.2: Final Award ballots shall list only the Hugo Awards and the John W. Campbell Award for Best New Writer.

3.10.3: "No Award" shall be listed in each category of Hugo Award on the final ballot.

3.10.4: The Committee shall, on or with the final ballot, designate, for each nominee in the printed fiction categories, one or more books, anthologies, or magazines in which the nominee appeared (including the book publisher or magazine issue date(s)).

3.10.5: Voters shall indicate the order of their preference for the nominees in each category.

Section 3.11: Tallying of Votes.

3.11.1: In each category, tallying shall be as described in Section 6.3. 'No Award' shall be treated as a nominee. If all remaining nominees are tied, no tie-breaking shall be done and the nominees excluding No Award shall be declared joint winners.

3.11.2: No Award shall be given whenever the total number of valid ballots cast for a specific category (excluding those cast for "No Award" in first place) is less than twenty-five percent (25%) of the total number of final Award ballots received.

3.11.3: "No Award" shall be the run-off candidate.

3.11.4: The complete numerical vote totals, including all preliminary tallies for first, second, ... places, shall be made public by the Worldcon Committee within ninety (90) days after the Worldcon. During the same period the nomination voting totals shall also be published, including in each category the vote counts for at least the fifteen highest vote-getters and any other candidate receiving a number of votes equal to at least five percent (5%) of the nomination ballots cast in that category.

Section 3.12: Exclusions. No member of the current Worldcon Committee or any publications closely connected with a member of the Committee shall be eligible for an Award. However, should the Committee delegate all authority under this Article to a Subcommittee whose decisions are irrevocable by the Worldcon Committee, then this exclusion shall apply to members of the Subcommittee only.

Section 3.13: Retrospective Hugos. A Worldcon held 50, 75, or 100 years after a Worldcon at which no Hugos were presented may conduct nominations and elections for Hugos which would have been presented at that previous Worldcon. Procedures shall be as for the current Hugos. Categories receiving insufficient numbers of nominations may be dropped. Once retrospective Hugos have been awarded for a Worldcon, no other Worldcon shall present retrospective Hugos for that Worldcon.

Article 4 - Future Worldcon Selection

Section 4.1: Voting.

- 4.1.1:** WSFS shall choose the location and Committee of the Worldcon to be held two (2) years from the date of the current Worldcon.
- 4.1.2:** Voting shall be by written ballot cast either by mail or at the current Worldcon with tallying as described in Section 6.3.
- 4.1.3:** The current Worldcon Committee shall administer the voting, collect the advance membership fees, and turn over those funds to the winning Committee before the end of the current Worldcon.
- 4.1.4:** The site-selection voting totals shall be announced at the Business Meeting and published in the first or second Progress Report of the winning Committee, with the by-mail and at-convention votes distinguished.

Section 4.2: Voter Eligibility.

- 4.2.1:** Voting shall be limited to WSFS members who have purchased at least a supporting membership in the Worldcon whose site is being selected.
- 4.2.2:** The supporting membership rate shall be set by unanimous agreement of the current Worldcon Committee and all bidding committees who have filed before the ballot deadline. If agreement is not reached, the default fee shall be the median (middle value) of the US dollar fees used in the previous three (3) Worldcon site selections.

Section 4.3: Non-Natural Persons. Corporations, associations, and other non-human or artificial entities may cast ballots, but only for "No Preference". "Guest of" memberships may only cast "No Preference" ballots. Memberships transferred to individual natural persons may cast preferential ballots, provided that the transfer is accepted by the administering convention.

Section 4.4: Ballots. Site-selection ballots shall include name, signature, address, and membership-number spaces to be filled in by the voter. Each site-selection ballot shall list the options "None of the Above" and "No Preference" and provide for write-in votes, after the bidders and with equal prominence. The supporting membership rate shall be listed on all site-selection ballots.

Section 4.5: Tallying.

- 4.5.1:** The name and address information shall be separated from the ballots and the ballots counted only at the Worldcon. Each bidding committee should provide at least two (2) tellers. Each bidding committee may make a record of the name and address of every voter.
- 4.5.2:** A ballot voted with first or only choice for "No Preference" shall be ignored for site selection. A ballot voted with lower than first choice for "No Preference" shall be ignored if all higher choices on the ballot have been eliminated in preferential tallying.
- 4.5.3:** "None of the Above" shall be treated as a bid for tallying, and shall be the run-off candidate.
- 4.5.4:** All ballots shall be initially tallied by their first preferences, even if cast for a bid that the administering Committee has ruled ineligible. If no eligible bid achieves a majority on the first round of tallying, then on the second round all ballots for ineligible bids shall be redistributed to their first eligible choices, and tallying shall proceed according to Section 6.3.
- 4.5.5:** If "None of the Above" wins, or if two or more bids are tied for first place at the end of tallying, the duty of site selection shall devolve on the Business Meeting of the current Worldcon. If the Business Meeting is unable to decide by the end of the Worldcon, the Committee for the following Worldcon shall make the selection without undue delay.
- 4.5.6:** Where a site and Committee are chosen by a Business Meeting or Worldcon Committee following a win by 'None of the Above', they are not restricted by exclusion zone or other qualifications.
- 4.5.7:** Where a site and Committee are chosen by a Business Meeting or Worldcon Committee following a tie in tallying, they must select one of the tied bids.

Section 4.6: Bid Eligibility.

- 4.6.1:** To be eligible for site selection, a bidding committee must file the following documents with the Committee that will administer the voting:
 - (1) an announcement of intent to bid;
 - (2) adequate evidence of an agreement with its proposed site's facilities, such as a conditional contract or a letter of agreement;
 - (3) the rules under which the Worldcon Committee will operate, including a specification of the term of office of their chief executive officer or officers and the conditions and procedures for the selection and replacement of such officer or officers.
- 4.6.2:** The bidding committee must supply written copies of these documents to any member of WSFS on request.
- 4.6.3:** For a bid to be allowed on the printed ballot, the bidding committee must file the documents specified above no later than 180 days prior to the official opening of the administering convention.
- 4.6.4:** To be eligible as a write-in, the bidding committee must file the documents specified above by the close of the voting.
- 4.6.5:** If no bids meet these qualifications, the selection shall proceed as though "None of the Above" had won.

Section 4.7: Site Eligibility.

A site shall be ineligible if it is within five hundred (500) miles or eight hundred (800) kilometres of the site at which selection occurs.

Section 4.8: NASFiC

If the selected Worldcon site is not in North America, there shall be a NASFiC in North America that year. Selection of the NASFiC shall be by the identical procedure to the Worldcon selection except as provided below or elsewhere in this Constitution:

4.8.1: Voting shall be by written ballot administered by the following year's Worldcon, if there is no NASFiC in that year, or by the following year's NASFiC, if there is one, with ballots cast at the administering convention or by mail, and with only members of the administering convention allowed to vote.

4.8.2: NASFiC Committees shall make all reasonable efforts to avoid conflicts with Worldcon dates.

4.8.3: The proposed NASFiC supporting membership rate can be set by unanimous agreement of the administering Committee and all bidding committees who have filed before the ballot deadline. If agreement is not reached, the default fee shall be the median (middle value) of the US dollar fees used in the previous three (3) Worldcon site selections.

4.8.4: If "None of the Above" wins, or if no eligible bid files by the deadline, then no NASFiC shall be held and any supporting membership payments collected for the NASFiC site selection shall be refunded by the administering convention without undue delay.

Article 5 - Powers of the Business Meeting**Section 5.1: WSFS Business Meetings.**

5.1.1: Business Meetings of WSFS shall be held at advertised times at each Worldcon.

Amendments to Standing Rules shall take effect at the close of the Worldcon where they are adopted; this rule may be suspended by a two-thirds (2/3) vote.

5.1.4: Meetings shall be conducted in accordance with the provisions of (in descending order of precedence) the WSFS Constitution; the Standing Rules; such other rules as may be published in advance by the current Committee (which rules may be suspended by the Business Meeting by the same procedure as a Standing Rule); the customs and usages of WSFS (including the resolutions and rulings of continuing effect); and the current edition of *Robert's Rules of Order, Newly Revised*.

5.1.5: The quorum for the Business Meeting shall be twelve members of the Society physically present.

Section 5.2: Continuation of Committees. Except as otherwise provided in this Constitution, any committee or other position created by a Business Meeting shall lapse at the end of the next following Business Meeting that does not vote to continue it.

Section 5.3: Constitutional Pass-along. Within two (2) months after the end of each Worldcon, the Business Meeting staff shall send a copy of all changes to the Constitution and Standing Rules, and all items awaiting ratification, to the next Worldcon Committee

Article 6 - Constitution

Section 6.1: Conduct. The conduct of the affairs of WSFS shall be determined by this Constitution together with all ratified amendments hereto and such Standing Rules as the Business Meeting shall adopt for its own governance.

Section 6.2: Natural Persons. In all matters arising under this Constitution, only natural persons may introduce business, nominate, or vote, except as specifically provided otherwise in this Constitution. No person may cast more than one vote on any issue or more than one ballot in any election. This shall not be interpreted to prohibit delivery of ballots cast by other eligible voters.

Section 6.3: Tallying of Votes. Votes shall first be tallied by the voter's first choices. If no majority is then obtained, the candidate who places last in the initial tallying shall be eliminated and the ballots listing it as first choice shall be redistributed on the basis of those ballots' second choices. This process shall be repeated until a majority-vote winner is obtained. If two or more candidates are tied for elimination during this process, the candidate that received fewer first-place votes shall be eliminated. If they are still tied, all the tied candidates shall be eliminated together.

Section 6.4: Run-off. After a tentative winner is determined, then unless the run-off candidate shall be the sole winner, the following additional test shall be made. If the number of ballots preferring the run-off candidate to the tentative winner is greater than the number of ballots preferring the tentative winner to the run-off candidate, then the run-off candidate shall be declared the winner of the election.

Section 6.5: Amendment. The WSFS Constitution may be amended by a motion passed by a simple majority at any Business Meeting but only to the extent that such motion is ratified by a simple majority at the Business Meeting of the subsequent Worldcon.

Section 6.6: Commencement. Any change to the Constitution of WSFS shall take effect at the end of the Worldcon at which such change is ratified, except that no change imposing additional costs or financial obligations upon Worldcon Committees shall be binding upon any Committee already selected at the time when it takes effect.

WORLD CON BID

The vote for the 2011 Worldcon will be held at Anticipation, the 67th World Science Fiction Convention, in Montreal, Canada in 2009. We hope to see all of you there voting for us. Along the way on our journey to Montreal we will be at many other conventions in many other cities around the World and we hope that we to see you at our bid parties and various events. Please stop by and show your support for bringing the Worldcon back to Seattle.

Why Seattle? It is the 50th anniversary of Seacon, the last Seattle Worldcon. Our city has grown dramatically since 1961 as has fandom in the Pacific Northwest. We do have a lot of able and willing local con runners and friends throughout the world but we look for help from new friends so that we can host a GREAT Worldcon.

Our location in the downtown Seattle Convention Center is within a short distance, on either the free downtown busses or by walking, of the Science Fiction Museum, the Experience Music Project, Pike's Market, the Monorail, Space Needle, and Pacific Science Center. There is a huge variety of culinary offerings, and our many famous coffee houses all within a few blocks walk. The International District, Belltown and Pioneer Square, Capitol Hill and Uptown are all right outside the front door. The Pacific Northwest is one of the most desirable and little explored vacation destinations. For your extended travel plans there are mountain ranges, volcanoes, rain forests, the ocean and hundreds of Islands close by.

Come to Seattle, where the past and the future will join together for a vibrant present

• *"It's good – very good indeed"* –VERLYN FLIEGER •

• YBP CORE 1,000 FOR 2007

• CHOICE RECOMMENDED TITLE

The Company They Keep:

C. S. Lewis and J. R. R. Tolkien as Writers in Community

DR. DIANA PAVLAC GLYER

"Tolkien and Lewis formed the spine of the Inklings, regularly convening to read and discuss one another's work... Glycer excels at depicting their world."

– THE TIMES LITERARY SUPPLEMENT

*"It's a **fascinating** case study in group dynamics and the creative process, and because the two main subjects of the book, Tolkien and Lewis, happen to be two of the past century's most important writers, the book serves as a lens into the mechanism of genius as well."*

– APU RESEARCH REPORTER

*"Diana Pavlac Glycer has vaulted into the company of **the very best** thinkers and writers on the Inklings."*

– MYTHLORE

*"This book is **so interesting** I suspect when I reach the end, I will have to go right back and read it again."*

– SHERWOOD SMITH, AUTHOR OF *INDA*, *CROWN DUEL*, AND *WREN TO THE RESCUE*

Denvention 3 Pre-Convention Membership Registration

Ted Monogue

These rates are good from **January 1, 2008** through **July 10, 2008**. Current pre-convention membership rates depend on your status as a Denver in 2008 Worldcon bid supporter and 2008 Worldcon site selection voter. You may register on-line by following the "Buy a Membership" link on the Denvention 3 web site or download a PDF membership form if you don't wish to register on-line.

A rate of \$0 in the table below indicates that you are entitled to a free membership of that type and you do not need to send in a membership form. However, you may wish to contact Denvention 3 Pre-Registration at prereg@denvention.org to ensure you receive all pre-convention publications. All rates are in US dollars.

	If you VOTED in the 2008 Worldcon Site Selection			If you DID NOT VOTE in the 2008 Worldcon Site Selection			Member of Denvention 1 (1941 Worldcon)

Types of Memberships

Attending Membership

A membership that grants all voting, publication, and attending rights.

Supporting Membership

A membership that grants publications and voting rights but not the right to attend the convention. You can upgrade to an attending membership by paying the difference in rates.

Child Membership

Child membership rates are for those children under the age of 12 as of August 6, 2008. Infants do not need a membership (if you plan to use the convention baby-sitting service or allow your child to participate in any children's activities — in other words, you will be separated from your child during portions of the convention — you should purchase a membership for your child).

Membership Transfers

While memberships are not refundable, you may transfer memberships.

On-line Membership Management

You can buy new memberships, upgrade existing ones, look up your membership information, or change your information on-line from the Denvention 3 web site. To upgrade an existing membership or update your information you must have your PIN, which may be found on the mailing label from one of the Progress Reports or from your online registration receipt.

Membership Questions

E-mail Denvention 3 Pre-registration at prereg@denvention.org or write to Denvention 3 Pre-Registration, PO Box 1349, Denver, CO 80201-1349.

Membership Number and PIN

Membership Personal Identification Numbers are required to make on-line changes to membership information and for Hugo Awards and Site Selection voting. Your PIN and Membership Number should be found on the mailing label for our Progress Reports or from your on-line registration receipt. If you do not have your PIN, please send an e-mail with your name, postal address, and phone number to pin@denvention.org and we will send it to you.

Membership Installment Plan

The membership installment plan is a way to lock in the current low membership rate while paying for it over time. Start by purchasing a Supporting Membership and then make a minimum quarterly payment of \$10 or more. You have until July 2008 to complete payment, at which time you will have a full Attending membership. You may also cancel your plan at any time for a partial refund (we'll refund the amount you've paid above the cost of your Supporting Membership). You can transfer your membership even if you haven't finished paying for the plan. (The new member will be responsible for making the remaining payments.) See the Denvention 3 on-line membership page for additional details and our current membership rates.
