We're Baa-ack (at last)

by Becky Thomson, Co-Chairman

This Progress Report is not as lengthy as our first two, in spite of being six weeks late. A distressing number of misfortunes has struck members of **MagiCon**'s committee over the past six months, forcing us to adjust publication schedules. We've elected in this issue only to update you on our progress and answer some of the most commonly heard questions, and to refrain from printing less time-sensitive feature articles. By the time you're reading this, work will already be in full swing on P.R. #4, which will be in your hands before you leave for the 1991 Worldcon in Chicago.

I'm pleased (and relieved... and rather proud) to say that our preparations for **MagiCon** have continued in spite of illness, accidents, unemployment, the war, and other such adversities that have befallen the concomm. In the past few months I've perceived a change in the way I view our orchestrations. Major exhibits and events, both those traditional to Worldcons and those unique to **MagiCon**, have crossed over from the realm of pipe dreams and brainstorming to the objective world of space allocation and budgeting. Appropriately, we have gone from "We will do it" to "This is how it will be done."

Committee and staff recruitment continues at an astounding rate, as it must considering the number of volunteers required for a five-day convention likely to exceed 6,000 attendees. I especially would like to welcome Theresa Renner as Division Head of the Services Division, Jayne Rogers as Office Manager, Don Eastlake III, who is our liaison with the Orange County Convention Center, and Bruce Pelz, who will preside at the WSFS Business Meeting in 1992.

While Programming, Events and Exhibits labor on the practicalities of creating the fascinating and exciting, Administration and Treasury have continued working to keep excitement out of those Divisions. Our humble office is at last equipped with photocopier, computer, laser printer and modem, and there are reports that the in-basket underneath the "To Be Filed" pile is sometimes briefly sighted. We've recently acquired a larger Post Office Box (this will not affect our address) and a small outside storage rental. At this writing, however, we are still unsuccessful in stopping the leak in the office ceiling.

With the office fully furnished, I've been moving my personal **MagiCon** files from my home. A couple days ago I unearthed a copy of a letter I had written on November 29, 1985 to the Orlando Convention Bureau. It begins "I am collecting research to support the possibility of bringing the World Science Fiction Convention to Greater Orlando in 1992."

5-1/2 years down, 16 months to go...and counting...

Becky S. Thomson
Co-Chairman

Notice To 1995 Worldcon Bidders

Requirements for submitting bids for the 1995 World Science Fiction Convention, the site of which will be chosen by vote at **MagiCon**, appeared in Progress Report No. 2. For additional information, please write Tom Veal, the Site Selection Administrator, c/o the **MagiCon** post office box.

1992 WSFS Business Meeting

Bruce Pelz will chair the World Science Fiction Society business meeting at **MagiCon**. Further information about the business meeting will appear in future Progress Reports.

Looking Into The Future Of The MagiCon Program

Edie Stern, Programming Division

Programming for a worldcon is very easy, and very hard. It's very easy because fans are omnivores (have you eaten any good books lately?). We will cheerfully discuss how to incubate a Roc's egg, how to keep our chariot wheels aligned, and the best way to keep rust off our favorite sword. We are vitally interested in constructing worlds, FTL drives, and space station ecologies. We empathize with what goes on beneath the moons of Barsoom, on the seas of the Blue World, and in miscellaneous caverns measureless to man. We sing, we create art (and buy it at auction!), we enjoy film, we write, and we read.

Programming for a worldcon is very hard because fans want to be involved with lots of things. We want to plan a space invasion, command a ship, and design a role playing game. We want to write science fiction, understand chaos (the other one), and figure out what it's like to be linked to a computer. We talk about our favorite authors and artists, and enjoy lively discussion among experts in their fields. And of course we are interested in

the history of the field, the progress of Jophan to the land of Trufandom, movies, and about a million other topics. This is not an easy set of programs to put together.

In order to make MagiCon's programming exciting for you, please lend a hand. Write to us with your ideas and suggestions. If you would love to see a program with your favorite authors discussing your favorite topics, write and tell us who and what they are. If you have strong feelings about programs that should never be done, write and tell us. And if you like to make things happen, write and volunteer.

We're looking for a few good fen. The address to write to is:

MagiCon Dealers' Room Update

The following is a brief outline of the Dealer Progress Report sent out in late March to those who wrote MagiCon asking for information or to be placed on the waiting list:

Table reservations are now being accepted for the MagiCon Dealers' Room. The required deposit is \$50.00 per 8-foot by 2- 1/2-foot table. The limit is three tables per dealer (or any team or group considered to be the same business or acting in concert.) Dealers may request additional tables by submitting a brief explanation of why the additional space is needed. If additional tables are available as of May 1st, these requests will be carefully considered.

MagiCon anticipates having 250-300 8-foot tables in the Orlando Convention Center. Depending upon the terms of the Convention Center Contract, we anticipate the cost of each of the first three tables at \$125.00 and any approved additional tables at \$175.00 each.

Additional charges for electrical outlets, etc. will be released at a later date.

All reservations are accepted with the understanding that the dealer in question will conform to all rules and restrictions set by the Dealer Room management. Table reservations are not transferable. Refunds may be obtained on request until February 1, 1992. After that date, refunds will be available only if the tables are resold.

For all correspondence concerning the MagiCon Dealers' Room please write:

L and N Fandom Presents:

LOUISVILLE IN '94

a bid for the 52nd WORLD SCIENCE FICTION CONVENTION

Pre-Supporting Memberships: \$5.00

Associate Memberships: \$20.00*

Two of the six directors of our bid live in Louisville and the other four live within 2-3 hours by car. Five have served on the executive committees of previous Worldcons and NASFiCs. We have chaired over 40 science fiction conventions and logged over 140 years in fandom. The bid committee is comprised of Co-Chairs Steve Francis, Sue Francis and Ken Moore, plus members Gary Robe, Roger Sims and Dick Spelman.

The Louisville Commonwealth Convention Center and our four main hotels are located along Fourth Avenue in downtown Louisville. There are over 2,400 hotel rooms within two blocks of the Convention Center and another 600 rooms within six blocks.

These facilities have guaranteed to hold the space until after the site selection voting at the 1991 World Science Fiction Convention.

PRE-SUPPORTING MEMBERSHIP - Your Pre-Supporting membership fee will be applied against the cost of an attending membership.

***ASSOCIATE MEMBERSHIP** - If you wish to provide additional support to our bid and pay the lowest attending membership fee, you may become an Associate member by contributing a total of \$20.00 to our bid.

If you vote in the 1991 Site Selection balloting and we win, your Associate membership will automatically make you a full attending member of our convention. In addition, we will have a drawing at our victory party for one Associate member to receive four free nights in one of our convention hotels.

T-SHIRTS - The official, full color Louisville in '94 T-Shirt is available by mail for \$12.00 (including shipping and handling) in sizes small through triple-X. Please send your requests to the address shown below.

Worldcon and NASFiC are service marks of the World Science Fiction Society, an unincorporated literary society.

Telecommunication With **MagiCon**

The **MagiCon** office phone number is (407) 859-8421, and an answering machine is standing by to take your messages.

If you have replaced the voice-thingie on your phone jack with a modem, **MagiCon** has on-line representatives on two popular computer networks, CompuServe and GENie. Their E-Mail addresses are:

CompuServe	Becky Thomson	73747,2622
GENie	Dave Ratti	D.RATTI

We will have an InterNet address shortly, which we will announce on CIS and GENie when it is confirmed.

Other **MagiCon** committee members are frequent visitors to CompuServe's "SciFi" Forum, Section 16.

Membership Information

Membership Rates: The following membership rates are in effect through September 30, 1991:

Attending:	\$85
Supporting:	\$25
Child born after 9-3-80:	\$45
Kids-in-tow, born after 9-3-86:	Free

Please note that all special discounts for site selection voters and **MagiCon** presupporters have expired.

Attending Membership: In addition to attending **MagiCon**, members in this category may nominate and vote for the 1992 Hugo Awards and, upon payment of the voting fee, cast a ballot in Site Selection for the 1995 World Science Fiction Convention. Attending members will receive an astonishing array of publications, including our Progress Reports and Program Book.

Supporting Membership: Supporting members have all of the rights and privileges of an attending member with one notable exception: supporting members won't be able to attend **MagiCon**. Supporting members may become attending members by paying the current attending member rate less the amount paid for the supporting membership.

Children at MagiCon: Children are welcome to buy attending or supporting memberships on the same terms as adults. Alternatively, Child's Memberships are available for children born after September 3, 1980 (under age 12 when the convention begins). A Child Member may attend Children's Programming and use **MagiCon**'s babysitting services but has no voting rights and will not receive publications.

Babysitting (child care, if you prefer) will be provided for both attending members under age 12 and Child Members on the best terms that **MagiCon** is able to negotiate or subsidize. This service will almost certainly

not be free, but it will be professionally managed and reasonably priced.

Children born after September 3, 1986 (under age six when the convention begins) may be registered at no charge as Kids-in-Tow. Kids-in-Tow must be accompanied by a parent or guardian throughout the convention. They may not be left unsupervised at any event (including Children's Programming). Needless to say, they don't get publications or voting rights. Babysitting for Kids-in-Tow will be offered only on a "space available" basis at a fee sufficient to cover the full cost of the service.

All rates are in U.S. dollars. Makes checks payable to "**MagiCon**". All correspondence relating to memberships should be sent to:

MagiCon
Attn: Preregistration
P.O. Box 621992
Orlando FL 32862-1992

Art Show

Nearer to **MagiCon** the Art Show will disseminate information on reserving display space. We are arranging a major exhibition covering science fiction illustration from the 1920's through today, and are planning to show the usual wide array of professional and fannish art.

Artists who want to be added to our mailing list should send their names and addresses to:

Volunteers

It's not too late to offer to do YOUR part in helping to make **MagiCon** the best Worldcon that it can be!

MagiCon continues to add volunteers to our database. For those who have already volunteered, we thank you and will be in contact with you as we continue to fill specific staff positions. For those who are thinking about volunteering, we would love to hear from you.

If you haven't yet volunteered, remember that Worldcons are not just run FOR fans. They are also run BY fans. Hundreds of people will work together to make **MagiCon** a great experience for themselves and, by a happy coincidence, everyone else who attends. Even if you've never stepped "backstage" at a con before, you can play an important role at this one.

As for those of you who have already offered your services, thanks immensely. It literally wouldn't be a Worldcon without you.

The best way to make sure that we know that you're interested is to write to:

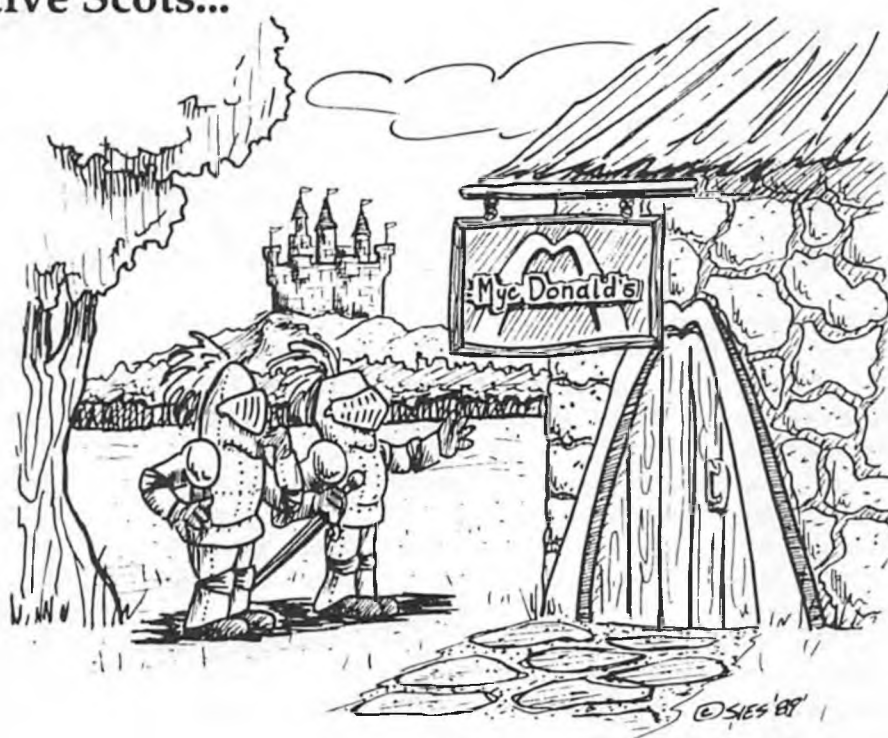

MagiCon
Attn: Volunteers
P.O. Box 621992
Orlando FL 32862-1992

Please include the following information:

- Your name, address and telephone number;
- A concise summary of any experience that you've had in working on conventions;
- The specific areas in which you would most like to work and the level of responsibility that you are prepared to assume.

You should receive an acknowledgement within two months. As we build up our organization between now and the opening of **MagiCon**, division and department heads will consult the database to help find potential staff members whose interests and skills match the convention's needs.

Those inventive Scots...

"Come, Sir Faraday, let us try this new Scottish inn."

Maybe we can't take credit for the invention of the hamburger or the cartoon (by American John Sies), but the name is Scottish. Other inventions we **can** take credit for are the steam engine (James Watt), the steamship (Henry Bell), the pneumatic tire (John Dunlop), the second law of thermodynamics (Lord Kelvin) and, of course, Scotch Whiskey!

Following in the footsteps of these great inventors, we'd like to offer a World Con that's innovative and international. We'll have a unique opportunity to look at the changing face of European fandom and how it might affect Science Fiction as a genre. And Scotland is easily accessible from Europe and the US, as well as Eastern Europe and the Soviet Union.

Facilities

Ben Yalow, Facilities Division

MagiCon is using the Orange County Convention and Civic Center and the Peabody Hotel as its primary facilities. The large exhibits, events, and some program items will be in the Convention Center, and other programs will be in the Hotel.

We have over 800 sleeping rooms blocked in the Peabody, which is located across the street from the Convention Center, at a flat rate of \$98. A total of over 2000 rooms are currently reserved for MagiCon, including the Clarion Plaza adjacent to the Center property, the Quality Inn Plaza next to it, and the nearby Gold Star Inn International. Rates at the Clarion will be \$69 - \$85, \$33 - \$37 at the QI, and starting at \$48 at the Gold Star. All hotels have agreed to extend these rates at least one week before and after the convention.

We are still working on arrangements for making reservations at our hotels. All room bookings will be handled by the Convention Housing Bureau. A hotel card, along with information about all of our hotels, will be in a future progress report. Until that time, please do not contact the hotels or Bureau, since they are not ready to take reservations.

Lost Souls

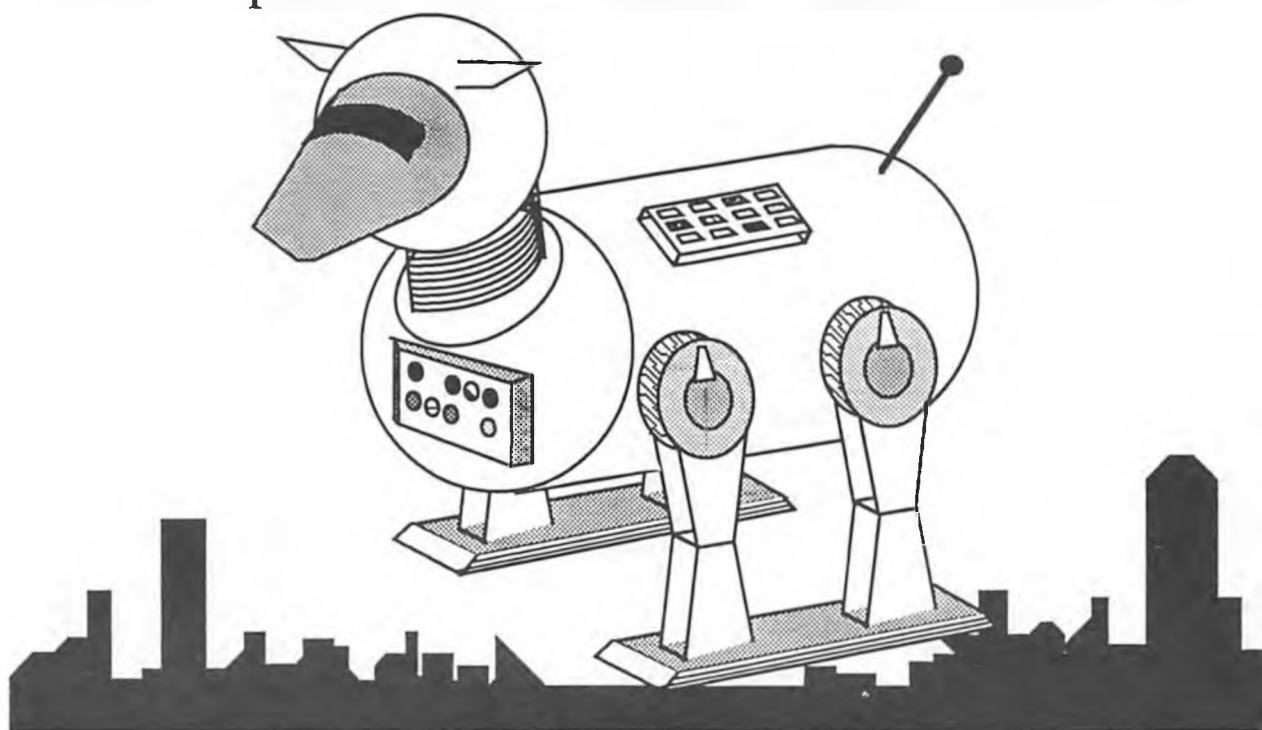

We try, we really do, but sometimes we lose track of some of our members. If you recognize any of the names on this list, either send us their address, or tell them so they can send it. Otherwise, how will they get any more of these nifty Progress Reports?

Do Atlantans dream of electric sheep? Do sheep dream of an electric time in Atlanta?

Atlanta in 95 -- The Sheep of Things to Come

No, we're not pulling the wool over your eyes. We're baa-a-a-ck!

ATLANTA: CITY OF THE FUTURE

Atlanta has been acclaimed as the best place to live in the United States. It is also a great place to visit, as those of you who attended ConFederation in 1986 can attest. One of the most popular meeting places in the country, Atlanta is also one of the lowest priced. You can't find an easier place to reach than Atlanta if you come by auto, train, or bus. And it's even easier to reach the world's largest airport. In-town transportation is easy too, by car, taxi, bus or MARTA rapid rail, the newest in the nation.

Atlanta's many dining establishments range from "down home" to "haute"; not only can you dine on cuisines from all over the world, but the region's own specialties are well worth sampling.

Nearby places you might want to visit include Stone Mountain Park, Six Flags over Georgia, Kennesaw Mountain National Battlefield, the fabulous Fox Theatre, the Gone with the Wind Museum, or the Big Shanty Museum, home of the steam locomotive "GENERAL", the star of Buster Keaton's great silent comedy film.

ATLANTA: THE BEST IN HOTELS

Atlanta has some of the best hotels and convention facilities in the world. And ATLANTA IN '95 has reserved the best of them for the 1995 WorldCon. In fact, we will probably not need all the function space available! The Atlanta Hilton, Marriott Marquis, and Hyatt Regency have over 400,000 square feet of function space (wheelchair accessible), 4300 sleeping rooms, and 20+ restaurants and lounges, all within a 1/2 block radius.

ATLANTA: THE BEST CHOICE

Come and visit us at our parties at many regional conventions. Look over our bid information, examine our hotels' convention facilities, the city, the committee -- all aspects of our bid. Ask questions. Then make your choice: we're confident that you will again find **ATLANTA** the best location for WorldCon -- this time for 1995.

Support Atlanta in 1995 now...presupporting memberships are only \$5.00 (US \$) each. Or, if you prefer, Can\$7.00, or £3.00 (please do not send cash!). Your pre-support will not only help us throw a better party for you at conventions, but you will also get a subscription to our fanzine, **FURTHER SOUTH ON PEACHTREE**, and the entire \$5/Can\$7/£3 is credited toward your membership when we win. For more information, write:
