* A continuing feature of Nolacon II publications will be reminiscences of the first New Orleans worldcon -- 1951's legendary Nolacon I (then known simply as Nolacon). If you were there -- if you have photos or other memorabilia of that fabled event -- contact us. You've got some treats in store.

* Nolacon II advertised in a number of program books over the long campaign for the '88 Worldcon. If your convention featured a New Orleans advertisement, please send us a copy of your program book. Our files are woefully incomplete.

* Please -- share all fanzine discussions of worldcon matters with us! All Confederation con reports -- all critiques -- will help us make Nolacon II the best convention we can do. Your input is vital -- what do you want from Nolacon II?

PHONES: Please -- no collect calls! Otherwise, ring away! 504/821-2362 (for publications matters). 504/861-2602. 504/393-8363. 504/282-0443 (before 9 p.m. Central time only).

A sobering note: as of the final day of Confederation, the first day of Nolacon II was only 731 days away!

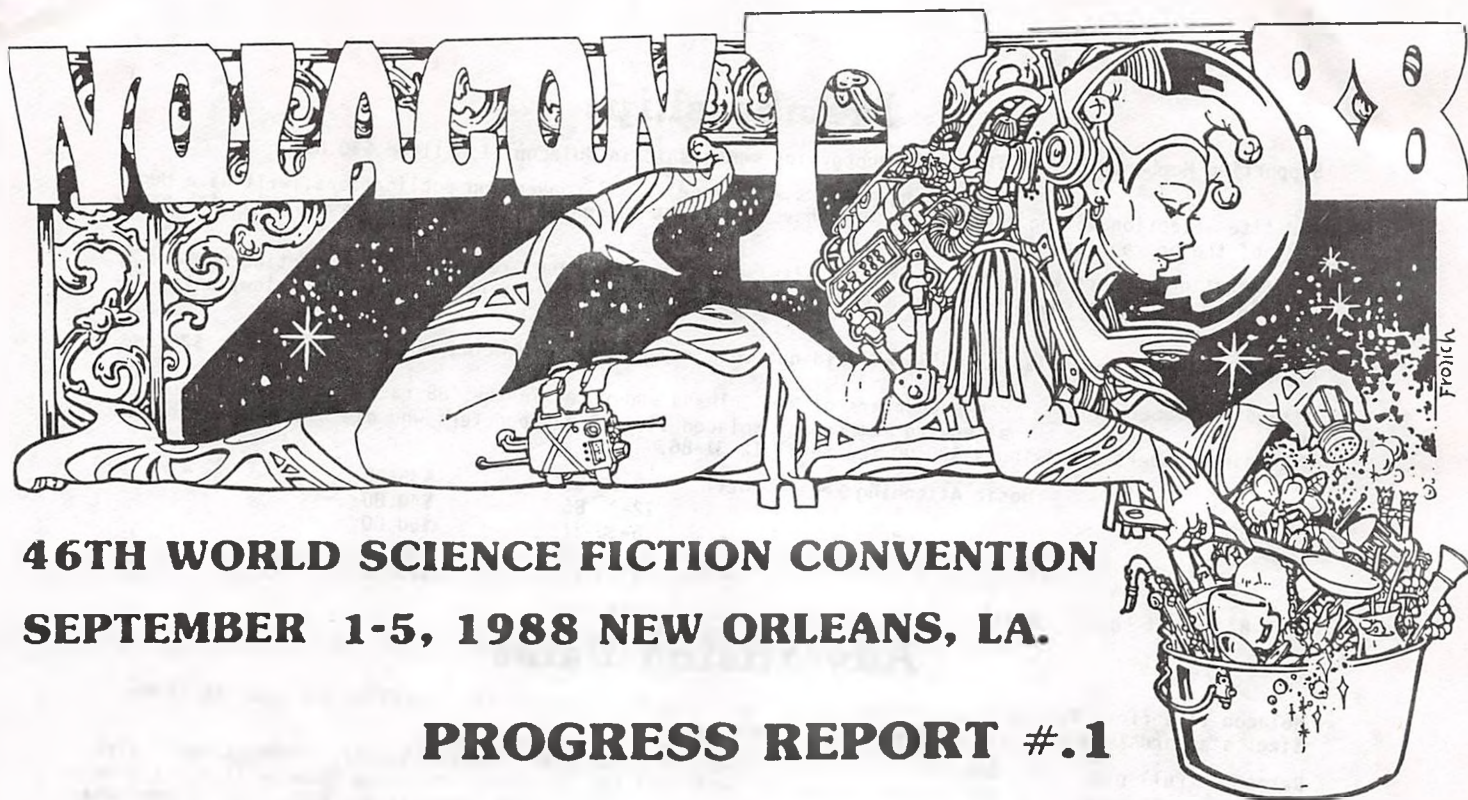

We can hardly wait! THANKS AGAIN! SEE YOU AT NOLACON II!
