Convention Facilities Update

Although Noreascon Three is over two years away, we have been continuing to work on securing the best facilities available in Boston.

Function Space

We have extended our reservation at the new John B. Hynes Veterans Convention Center to include all three floors. This gives us up to 156,000 sq. ft. of exhibition space in four exhibit halls plus a 5,000 seat auditorium, 24,000 sq. ft. ballroom, and 41 other meeting rooms not to mention the 145,000 sq. ft. of pre-function space and a 30,000 sq. ft. area dedicated to registration. In addition, the directly connected Sheraton-Boston hotel has major function space and the Back Bay Hilton, just across the street, has yet more function space.

These copious facilities guarantee that we will be able to concentrate all of the convention functions in one area and probably all under one air conditioned roof, even if Noreascon Three turns out to be bigger than we anticipate. You will never have to take a shuttle bus to get from one program item to another and probably will not have to set foot outside.

The renovation of the Hynes is proceeding on schedule and the new Hynes Convention Center expects to open in January 1988. The Hynes is going for a

So What Else Is New?

by Jim Hudson

Most of the real information in this progress report is concerned with our facilities: what's happening on that front, what our options are, and so forth. We've been spending a lot of our time and effort on questions like:

Will we need a shuttle bus system to the Hynes from some hotels?

Can we find closer sleeping

Membership Information

Memberships

Noreascon Three has two types of memberships: Attending and Supporting. Both include voting privileges on the Hugo Awards and on site selection for the 1992 Worldcon. Members registered before the convention will receive copies of all our major publications. This includes all magazine-style progress reports, all newsletter progress reports published after the time you join, the Program Book, and any post-con publications. An Attending Membership also gives you the right to attend the convention and the World Science Fiction Society business meeting.

Conversions

A Supporting Membership may be converted to an Attending Membership at any time by paying the difference between the Supporting price (\$20) and the Attending Membership rate at the time you convert. If you plan on attending Noreascon Three and currently have

only a Supporting Membership, you should consider converting at this time, since the rates will only increase.

Membership Rates

All of our rates are in U.S. dollars. You can send U.S. or the equivalent Canadian funds to us, or the equivalent amount in the local currency to our agents. We also accept MasterCard or Visa. Until January 1, 1988, our rates are:

Attending \$50

Children's Admission \$30

Supporting Memberships:
\$20 at all times.

Conversion
from **Supporting** \$30
to **Attending**

Our rates have been set only through the beginning of 1988. We don't yet have the detailed rental fee schedule for the Hynes Auditorium, which we'll need for our final budgeting. The rates follow-

Members of the first Worldcon, and those excluded from it, will receive free memberships in Noreascon Three. Please write us if you plan to attend.

ing January 1st will be sent to the newszines and published in *Progress Report 3*, due out in January 1988. We intend to do preliminary budgeting before that time and will do our best to keep our rates low.

Children's Admission

Children who will be less than 12 years old at Noreascon Three have three options:

- 1: Attend as a kid-in-tow.
- 2: Buy a full Attending Membership.
- 3: Buy a Children's Admission.

Children who stay with their parents/guardians throughout the convention are considered kids-in-tow and pay no attendance fee. Such children may use baby-

Progress Reports

With three years before the convention, we plan to issue progress reports roughly every six months to keep in touch with our members. This PR was delayed slightly so to report on the situation with the Sheraton. The more traditional progress reports will be in a glossy, 8½" by 11", magazine format. The newsletters will have fewer pages (8-16), lighter paper stock, and will be folded for mailing. We anticipate that the magazine PRs will be of lasting interest and retained, while the newsletters will be of temporary use.

All pre-registered members will receive a complete set of the magazine-style PRs, but none of the older newsletters.

Progress Report Schedule

PR, Style	Ad copy deadline	Publication date
#3, Newsletter	November 15, 1987	January 1988
#4, Newsletter	May 15, 1988	July 1988
#5, Magazine	November 15, 1988	January 1989
#6, Magazine	February 15, 1989	April 1989
#7, Newsletter	May 15, 1989	July 1989

Your Mailing Label

Your mailing label contains the following information:

- Your name as it appears in our records or possibly a more "familiar" form that you prefer, e.g., Greg instead of Gregory.
- Your membership number followed by your status code (a=attending, s=supporting, (c=child, who won't receive publications, but will get a children's mailing in early '89)).
- Your address.

Note that any change in membership status from that published in *Progress Report 1* and herein is reflected on your label.

We would appreciate it if you wrote us to correct any errors.

Progress Report 1 for New Members

Members who joined after February 25, 1987 have not received *Progress Report 1* yet. We are planning a bulk mailing sometime in September, after the Worldcon and the NASFiC.

Advertising Rates

Rates applicable for *Progress Reports 3 - 4*. Based on print run and publication costs, rates may increase for later progress reports. Rates for later PRs will appear in *Progress Report 4*. Rates for the Program Book will be available in late 1988.

sitting, for a fee which will be enough to cover what we have to pay the babysitters. However, they may not attend any convention activities alone and may not participate in Children's Programming.

Children can, of course, buy full Attending Memberships. This gives them the same rights as any other member. They can vote for the Hugos and future Worldcons and will receive all publications. They can attend any event (including Children's Programming) on their own. In addition, they can use babysitting with no additional charge.

The third option is to buy a Children's Admission, which may be purchased only in conjunction with someone else's Attending Membership. Currently, Children's Admissions cost \$20 less than full Attending Memberships. Children's Admissions entitle children (under 12 at the convention) to take part in any at-con activity on their own and to use babysitting for free. The difference from Attending Memberships is that the children do not receive any publications (including the Program Book), nor do they have the right to vote on the Hugos, or site selection. (Note that since they will not be able to vote on the 1992 site selection, they will not be eligible for any special voter rate.)

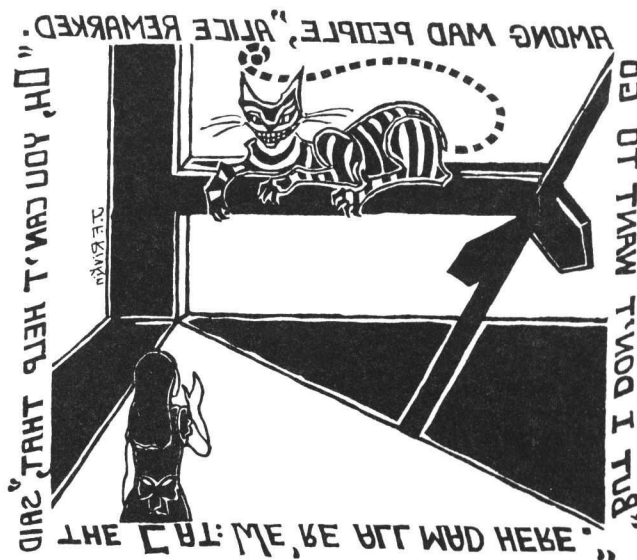

A Children's Admission may be converted to an Attending Membership at any time, by paying the difference between the price originally paid for it and the current Attending rate.

Transfers

We can not give membership refunds; however, a membership may be transferred. We would appreciate a letter signed by the original member giving the name and address of the membership's new owner. To avoid errors, please include your membership number in the letter.

If you move, please send us your change of address. It's a long time until the convention and we don't want to lose you.

What else?

rooms than some of our present hotel blocks?

What details should be in our hotel agreements?

So, what else have we been doing? After all, we are the first ones with three years to get the convention organized. Here are a few things.

1. Publishing *The Mad Three Party*, where you can see various weird ideas discussed, like the right night(s) for the Masquerade, whether we should supply furniture to hucksters or let them bring their own, whether the art show should have a "juried" portion with better displays and lighting, and other topics which might involve major change. Given the extra time, we might as well use it to check out new ideas, and *TM3P* is our main forum for that.

2. Talking about convention structure and who should do what. You'll be seeing more people assigned to more jobs soon, in the next progress report or over the fannish grapevine.

3. Developing first-cut budgets for various areas, to get some idea of how we stand financially. These also require us to put down on paper some ideas of how those areas would work, and give people the chance to take potshots at them.

4. Watching the new Hynes Auditorium get built. It looks like it's near schedule.

5. Updating your address, which is a major reason for mailing progress reports every six months.

6. Buying stuff: a copier, a Mac, a PC; so we could keep data on you and prepare progress reports.

7. Collecting data on how many people do what at conventions, especially at the last Boskone.

8. Making little lists of things people want to see or do at the Worldcon. Don't worry, you'll be remembered.

9. Going to conventions, with an interest in what they do differently than we have in the past.

10. Debating various long-running issues like banquets, media programs, the role of the general press, the right way to do GoH speeches, etc., etc., and so on (Oh, I almost forgot: and fiscal responsibility).

So we've been busy, but we haven't made a lot of decisions yet. That means you still have time to give us your advice, and we wish you would. We are always looking for your input. Remember, this is *your* convention.

General Information

How We Are Handling Requests for Information

Noreascon Three is the first Worldcon with three years between selection and the convention. We will be appointing our major division and area heads through the end of 1987. It will be longer than that (remember, 1989 still two years away) before we set rates for Hucksters' Room, Art Show, etc.; or decide how many tables, how many panels, etc., we'll have. Things will still be in place in plenty of time—in many cases, with more lead time than Worldcons have had in the past.

However, fans are already writing to us, asking for details, volunteering, etc. Please, wait until early 1988 before writing for information.

What happens if you do write? We'll file your request, and when we have information, we'll send it to you. This may take a long time. If you move, be sure to send us a change of address or we may lose track of you.

Volunteers

We're handling volunteers similarly. When we choose our division and area heads, they will select people to work in their areas. Until then, we appreciate your volunteering. Your letter will be kept on file until the appropriate people are appointed.

FOR INFORMATION write to:

Noreascon Three
Box 46, MIT Branch Post Office
Cambridge, MA 02139
USA

Hucksters' Room & Art Show

We won't be setting Hucksters' Room or Art Show rates, nor mailing out information, until 1988. If you send us your name and address now, and any address corrections in the future, we will be happy to include you on the mailing list for our first mailing.

Convention Facilities Update

continued from page 1

whole new look, similar in many areas to that of a five star hotel. Some interior areas will be marbled and have wall-to-wall carpeting and there will be a large glass foyer. All-in-all a great improvement on the bare concrete look of the old Hynes.

Program Allocation

It is too early for detailed planning of exact program item schedules and locations. However, we plan to have registration and most of our program in the Hynes along with the Art Show, Hucksters' Room, and exhibits. The auditorium in the Hynes is the planned location for opening and closing ceremonies, Hugo Award ceremonies, Guest of Honor events, and the Masquerade.

Hotel Rooms

We have also been securing an ample supply of sleeping rooms in the vicinity of the Hynes. At the present time we have commitments, of one sort or another, for over 3,000 rooms at nearby hotels, including the Sheraton-Boston, Back Bay Hilton, Lafayette Swissôtel, and others.

There has been a misunderstanding between Noreascon and the Sheraton-Boston due to a problem the Sheraton had with a local convention. We are meeting

and discussing this with the Sheraton and are confident that the misunderstanding will be resolved. It is likely that in the Sheraton and other hotels there will be a strict separation of party areas and non-party areas.

Reservations

We do not expect to have room rates set until sometime around Labor Day weekend, 1988. We will be sending out hotel reservation forms in late 1988 or early 1989. Because of the number of hotels involved, these reservations will have to go through a central organization to be allocated to hotels. We will do the best we can to put groups that want to be together in the same hotel and we guarantee that a prompt acknowledgement will be sent out as soon as a reservation form is received.

This sort of arrangement was used very successfully by Noreascon II in 1980 which had six hotels and used the Greater Boston Convention and Tourist Bureau as the central organization. Please do not try to reserve directly with any of the hotels at this time.

Summary

We have secured sufficient facilities for a successful Noreascon Three and we are continuing to work to improve the facilities we have by, for example, increasing our sleeping room commitments at the hotels which are most convenient to the Hynes. If you are interested in more details of this or other aspects of planning for Noreascon Three, we suggest that you subscribe to *The Mad 3 Party* as advertised elsewhere in this Progress Report.

Still Searching after all that Artwork

We are gratified with the response to our call for artwork in *PR 1*. We still are looking for appropriate artwork for our publications. We especially appreciate artwork which uses our Alice in Wonderland/Mad Tea Party/Boston Tea Party themes. Thank you for your help. Artwork will be returned if requested.

News Releases

We plan to issue frequent news releases to keep fandom informed about our activities. Much of this information will also appear in *The Mad 3 Party*. If your club, organization, or newszine wishes to receive these mailings, please write to us.

Orlando! Where Magic

Meets TECHNOLOGY

Come, Share the Magic!

Where else can you experience EPCOT's Future world, see a killer whale born in the care of man, watch a space shuttle launch, or tour the world via EPCOT's World Showcase? So come early and stay late at MagiCon in 1992. It's the perfect opportunity to experience Orlando with your SF friends.

The facilities available to us include the beautiful Peabody Convention Hotel across the street from the Orange County Civic Center, where, with the enormous amount of function space (388,000 square feet after the 1988 expansion), we could run two Worldcons side by side on a single floor!

We also have available the modest little complex just down the road from the Peabody/Civic Center, Disney Village. Waterways, lagoons, restaurants (from the inexpensive to the moaning-bank-balance variety), shops, landscaping and architecture you won't believe, and 3400 hotel rooms. Oh, yeah, the Magic Kingdom and Epcot are within spitting distance (shuttle buses eliminate the need for actual exhortation, however).

We won't bore you by going over details of the other attractive features of central Florida like the Space Port tours at Kennedy Space Center, marine research at Sea World, Places of Learning, etc.

So let's move on to something new. How about some introductions? (Say "yes.") Good, we'd like you to meet our three **MagiCon** Bid Committee Co-Chairs:

Joe Siclari, of Boca Raton, Florida, has been in fandom since 1965. He has worked on numerous conventions, including eight Worldcons and NASFiCs. In 1977, he was Director of Programming and, at various times, Treasurer and Publications Editor for SunCon. For Noreascon II ('80), he also worked in programs. His Worldcon experience also includes Operations, Exhibits, and Hotel Relations. His latest Worldcon activity was Confederation ('86) as a Board member, Director of Programming and Director of Bid Publicity.

Co-chairs without a committee would be rather dull. So, briefly, meet the **MagiCon** Bid Committee:

Co-chairmen: Joe Siclari, Boca Raton; Becky Thomson, Orlando; Tom Veal, Alexandria, VA; *Treasurer:* Lynn Murphy, Orlando; *Secretary:* Melanie Herz, Melbourne; *At-large Members:* Susan Cole, Orlando; David Ratti, Orlando. *Regular Committee:* Judy Bemis, Boca Raton; Frank Dowler, Orlando; Michael Drawdy, Ormand Beach; Cindy Haight, Winter Park; William Ivey, Winter Park; Kim Leaton, Tampa; Gerald Masters, Orlando; Andrea Rosenberg, Orlando; Mark Stanfill, Bartow; Edie Stern, Boca Raton. *Associate Committee:* Steve Cole, Orlando; Gail Cooper, Longwood; Margaret Gemignani, Fort Lauderdale; Carol Gibson, Davie; Dennis Greenlaw, Melbourne; Mary Hanson-Roberts, Orlando; Ray Herz, Melbourne; Linda Hill, Davie; Angie Leaton, Tampa; Marilyn Morey, Orlando; Ingrid Neilson, North Charleston, SC; Tony Parker, Boca Raton; John Thomson, Orlando; Sue Trautman, Boca Raton; Bill Wilson, Hollywood

To be a part of the Magic, presupport **Orlando in '92**. Presupporting memberships are \$5.00 and entitle you to regular information about the **MagiCon** bid, our bidzine, a **MagiCon** button (which will be worth your while to wear at conventions — ask why at our parties), and the \$5.00 will be credited toward your conversion when we win. Oh, it will also help us throw great bid parties for you. Join the hundreds of fans presupporting **MagiCon, Orlando in 1992**. Send your \$5.00 to:

MagiCon/Orlando in 1992, P. O. Box 5904, Orlando, FL 32855

Our beautiful, high quality, 3-color **MagiCon** T-shirt is only \$6.00 to presupporters.

"Worldcon" "World Science Fiction Society," & "NASFiC" are service marks of the World Science Fiction Society. "Noreascon" is a registered service mark of Massachusetts Convention Fandom, Inc. "Magic Kingdom" & "Epcot Center" are registered service marks of Walt Disney World. MagiCon is sponsored by the Florida Assoc. for Nucleation And Conventions (FANAC), Inc., a non-profit Florida corporation.

Joe founded Tropicon (and has chaired most of them) and was one of the founders (and named) SMOFcon. Joe has a great deal of interest in fannish history and is the author of a comprehensive article in THE SCIENCE FICTION REFERENCE BOOK on SF Fandom. Joe has published a number of his own fanzines as well as a two volume collection of Lee Hoffman's fanzine, "The Complete Quandry" and other fanhistorical publications. Joe has his own research and publications firm.

Becky Thomson, of Orlando, has worked in over twenty conventions since 1976 when she was Chairman of Operations for that year's Norwescon. She was a programming department head for Chicon IV ('82) and an assistant shift manager for Constellation ('83). In 1986 she worked for the hotel liaison committee of Confederation.

Outside of conventions and fandom Becky received her BA in 1977, worked as executive assistant for a large political organization in Seattle and currently holds a similar position in a major Orlando real-estate firm. Becky holds the honor of being the founder of the **MagiCon** Bid, an idea which she claims came to her while showering. Must be something in Florida water that inspires magic.

Tom Veal, of Alexandria, Virginia, served as chairman of Windycon X ('83) and hotel liaison for Windycon VIII and IX as well as Chicon IV ('82). From 1981 to 1984 he served as General Counsel for Chicon IV, Inc. and from 1982 to 1984 was Director and General Counsel for ISFiC, the parent organization of Windycon.

On a more mundane note, Tom received a B.A. from Yale in 1969 (he is a co-founder of the Yale Science Fiction Society) and graduated from the University of Illinois, College of Law in 1974. He has expressed a desire to be the first pension lawyer in the Alpha Centauri system.
